These findings are consistent with the hypothesis that the
effect of the treatment on the outcome is mediated by the
change in the level of the mediator. The results suggest that
the treatment has a positive effect on the outcome, and this
effect is mediated by the change in the level of the mediator.

Report on Celebration of International Women's Day 2024

On March 12th 2024 the Women Empowerment Cell of our college celebrated International Women's Day, which signifies social, economic, cultural and political accomplishments of women. The day also marks the acceleration of gender uniformity. The programme began with a prayer by Savitri Khot of BA I and watering the plant by guest. Miss Namita Naik introduced and welcomed the chief guests.

Chief guest Smt. Asha Yamkanmaradi, Women Entrepreneur, Belagavi, emphasized the importance of self belief, resilience and authenticity to realize one's full potential. She encouraged students to support and uplift one another, fostering a culture of collaboration of empowerment. Principal Dr. M. M Hurali presided over the function. Chaitra kaulapure offered vote of thanks. The entire programme was compeered by Miss Monika.
