CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The Rani Channamma University Board of Studies (BOS) designs the curriculum once in three years based on the feedback received from various stake holders and contemporary aspects related with the curriculum. Every department prepares teaching plan of every teacher and curriculum delivery is through teaching plan in the beginning of academic year. The curriculum delivery process is well documented in the Internal Quality Assurance Cell (IQAC) of the institution. For effective implementation of the curriculum the college prepares roadmap in the form of calendar of events every year. Every teacher records daily teaching learning activities, for this each teacher is provided with an academic diary. The head of the department monitors day to day class room activities, takes feedback from teachers and students on the lectures delivered so as to continuously improve the teaching methodology. Periodic meetings of head of department are conducted by the Principal of the college for smooth and effective implementation of curriculum and to track the progress made

against the plan made. Our teachers are members of Board of Studies (BOS) and Board of Education (BOE).

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

According to the exam schedule of the affiliated university, the college adjusts the academic calendar for the internal examination and certificate courses. The academic calendar is displayed on notice board for reference of the students and also uploaded on college website for the all-time information of the students and stakeholders. Two internal tests are conducted, the first at the end of four weeks and second at the end end of eight weeks from the commencement semester. Some of the activities are intentionally organized for students to assess and upgrade their subject knowledge such as the screening of live budget sessions, PM's 'Mann Ki Baat', 'Pariksha Pe Charcha' and the 'live budget session' and discussion on such topics as a part of CIE. The departments prepare their own teaching plans in their meetings keeping in mind the schedule of internal evaluation as in the academic calendar of the college as well as the additional tests. As it is already mentioned field visit, internship, study tours, industrial visit and project work is mandatory for some of the courses which help the student to sharpen their understanding of the topic. These are flexibilitymanaged in the academic calendar.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Identification of advance and slow learners; The academic performance in the previous academic year is a good indicator to identify the slow and advanced learners. Students who scored less than 60% including failures are considered as slow learners and who scored more than 80% are considered as advance learners. List of advance learners is put upon the notice board and slow learners are separately called and intimated. Special Programs for slow learners and advanced learners: As per the suggestion made by IQAC, the following subjects have been recommended for the remedial teaching for slow learners enrichment programs for advance learners of UG programs. Strategies adopted for slow learners: Adequate Support is provided to slow learners to overcome academic difficulties by Conducting Bridge Courses at the departmental level in the beginning of the semester. Encourage them to solve important questions from question banks and question papers. Strategies for the advanced learners Topper as a teacher: Advance learners will teach particular topic to the same class or lower classes Students are encouraged to participate in Quiz, exhibition, debate, and present papers. Rank holders and centum scorers are felicitating in the institution with cash prizes, books, certificates, etc.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Student centric methods adopted in the institution aim to develop leaner skill, knowledge and independence. The vision and mission statement states, 'to achieve the academic excellence and to develop the overall personality of the student community' and majority of our students come from the

nearby villages and hesitate to communicate with teachers in the beginning hence the entire process of the college is student oriented and focused on their overall development. Teaching Methods: 1.Experiential Learning: Department of Mathematics are encourages students to prepare models individually or in group in laboratories to understand the theoretical concepts more clearly. 1.Participative Learning: This is the best student-centric learning method, in which students actively participate in activities such as: In house seminars GD Field visits Research projects Case study 1.Problem solving method. In order to develop and enrich students creativity, decision-making ability, critical thinking, reasoning power, the college has adopted this method. Various departmentsuses this method successfully for enhancing the learning experiences of the students by encouraging students to solve problems on board and through group discussions. The guiding principle behind all these things is to ensure that students can relate theory with practice, apply their knowledge and participate in active learning.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Evaluation is an integral part of teaching-learning process. At the beginning of academic year during the orientation program students are made aware of tentative schedule of internal tests, minimum % of attendance, evaluation process, distribution of IA marks, minimum passing marks in theory and practical examinations. The institutional internal evaluation system is decentralized in order to make it more transparent and objective. As per the academic calendar of University tentative internal tests schedule is prepared by College Examination committee and displayed on the notice board and upload in the whatsApp group of the classes. Teachers are allotted examination invigilation duty by the committee. On completion the internal test written answer scripts are handed over to concerned HODs. Result analysis and review: Within one week of conduct of tests, papers are evaluated and are shown to the students and any grievance regarding test papers are considered if any. Result analysis is done by the concerned teacher after each test. Marks list of I and II internal tests, attendance and assignment is prepared at the end of semester and displayed onnotice board. Theory examination of three hours will be conducted at the end of each semester according to University timetable.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The students are the important stakeholders in any institution imparting education. The examination related grievances of the students are addressed at the college level and University level depending upon the necessity of the grievances. The code of the conduct of examination is available in the college prospectus and on the website, on the notice board. The schedule of the examination is prepared by the Examination Committee for the notification of the students and communicated to the students in advance. Grievances associated with the internal assessment such as correction of marks, totaling, conduct of Internal examination marks of various subjects are filled and submitted through Online

Portal of the college by members of the examination committee. Grievances related to the university such as online examination form, incorrect entry of marks, queries related to subject codes/programs, wrong entries in names, hall tickets, absenteeism etc. are addressed in stipulated time by the college and forwarded to the Rani Channamma University, Belagavi and received message is intimated to the concerned student immediately.

Students can put their examination related queries through the suggestion boxes kept in the college or through mail to the college grievance redressed cell.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Our Affiliating University will upload the Syllabus of UG and PG in the university website. According to the prescribed syllabus, all HOD's of respective departments are asked to prepare POS, PSO's and COS. IQAC skillfully tackles it by introducing subject related certificate courses. All these outcomes have been prepared very meticulously by discussing with all teachers and displayed at eyesight of the students and teachers. Instead of mere displaying all outcomes on the website, college put up the digital flex boards on each floor, through prospectus which states the mission of the college. At institutional level, all these outcomes are shared with the students, through orientation programme, classroom discussion, HOD's and practicals,. All these outcomes are communicated to the stakeholders through college website. Some teachers are the members of BoS, and inmeeting to introduce courses like skill based, job oriented etc. Teachers actively participate in such workshops on restructuring of the whole curriculum organized elsewhere. The program outcomes of all the subjects are clearly made known to the students by referring to the alumni of the institution who got selected in campus or off campus through placement officer. The college organizes career counseling lectures and skill enhancement programmes.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Our Institute is affiliated to Rani Chnnamma University, Belagavi. We offered 3 main Under Graduate and 3 Post Graduate programs and courses under the Faculty of Arts, Science and Commerce. For these programs and courses, the institute followed the curriculum designed by our affiliating university. College has been continuously working on the attainment of program outcomes, program specific outcomes and course outcomes by students which are integrated with the institutional goals and objectives. In order to focus on the outcomes, they are categorized as slow, average and advanced learners on the basis of their entry level marks and stress more for slow learners. To attain program outcomes our institute conducted Subject related certificate courses to inculcate the actual outcomes at the end of the course and which are helpful for higher studies or placements. Lectures on competitive examinations, career counseling and soft skills trainings are playing crucial role in the overall development of the students. Encouraged students to take part in competitions, seminars and conferences. Program outcomes are assessed through - Progression to higher studies Assessing placements of students is another effective method used by the institution to validate the learning outcomes.
