Very well

No any suggestion

No suggestion

..

Give more examples

Not at all

Little improvement needed

Its already good no any disagrees

For MSc PhD teachers must be there.

Nope

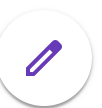

Identify the strength of student and encourage them

Plz, conduct the online competations.like essay, ppt presentation, quiz etc.....thak you

No suggestions..

Online classes not good at all so offline classes are required for everyone because of the network issues all the students can't present all classes

Improve your teaching methods

Not compulsory attendance only attendance purpose all students sit in class no one sit in class for study because of teachers only for attendance

nothing

Improve the methods of teaching which will help to students higher studies and all

They teach as well

Need to take practice of solving modern question papers

Everything is good

Please make the you tube videos with solving the problems and then send

Give one teacher one chapter to teach... because if we are not understood one teachers teaching and they takes two three chapters that will effects to our study

-

Mostly they start teaching in Kannada And they ask us is it right but we don't understand kannada so I request what they explain in Kannada even example the same in English

All are good

G

Solve examples more & more

\*\*\*\*

Dont take classes through zoom or google meet.because of network issues.

Youtube video is better than online class

Teachers concern student personally as well

Clarity of the notes & videos

Please take tests its helpful to understand the concepts..thak you

YouTube video is better than inline class

Teachers should identify student strength and encourage them

Departments should cover all syllabus in time.

Improve the teaching methods

New teachers improved in their teaching method

Teachers teach well

Our college is excellent

Take online classes live

Take onln classes live.

This teaching method is nice

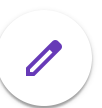

I would like suggest who are not able to teaching properly in any subjects take actions against them..! Thank you..!

Impovement in teachings method and explanation

Our institution is giving best quality education

Take all subject classes throught the time table

Please dont use ppt and reading that ppt while teaching and by writing and doing vedio is great but don't use ppt recording

no

Teachers should communicate with students properly so that students are able to concentrate on class ....and giving proper notes after classes..

U take offline class it's better compare to online class,

You take offline class its better compare to online class...

Please give the own notes

To complete slowly the syllabus n provide notes to study n help us to study for the exams

Very good

Good notes

Nothing any

Sir audio is not well...Focus on that side

It could be done in even more better way

Overall neutral

Improvement is very good

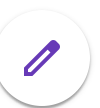

Plz check always weather he or she is doing study whatever we given or not

No any suggetion.

Don't use ppt presentation

Super

They teaching nicely during this lockdown

Improve teaching,explain any concept well wd different examples,,plzz not read only Concept explain the concept...tq

Job Opportunity

All online class are send on youtub

Please give notes and some teacher not taking class they send audio that have to change

Well teacher stof

Teaching style and notes provide

Arrange some study toor

.....

Send teaching video on you tube

Teachers are improve the teaching method

We don't understand a little bit. Please tell in berif.

We need good notes

Respected teachers, If you inform us about your teaching process and about completion of syllabus,then we can easily plan for our study preparations, and study according to that.And We are not comfortable with online classes,due to network problem.Youtube vedios may help us better.Thank you teachers for asking our views.Stay safe

Teachers will make the topics interesting and understanding
