OUR SOCIETY

The seven great aspirants of education called "Saptharishis" on 13th November 1916 established an Anglo Vernacular School in Belagavi to provide basic education to the children of farming community of North Karnataka and Maharashtra.

Today, KLE Society is known nationally and internationally as a giant educational institute with more than 270 institutions, 16000 dedicated faculty serving their best to cater the needs of about 1,25,000 students every year. The courses offered in multiple disciplines by the Society are Basic Social Science, Management, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training, etc. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China, UAE and Zimbabwe.

Under the dynamic leadership of the great visionary, our beloved Chairman, Dr. Prabhakar Kore, M.P. and Honorable Chancellor of KLE University, Belagavi assisted by the dynamic Board of Management, Our Society is moving towards world class quality education. The Society deserves special acknowledgement for the quantum leaps and spectacular growth it has achieved over the last three decades. Among the 15 aided HEI's 10 have been accredited at "A" level. This speaks of the high standards set by our Society in UG education.

OUR COLLEGE

KLE Society's G. I. Bagewadi Arts, Science and Commerce College, Nipani was established in the year 1961 with a vision to provide quality education for the empowerment of rural and linguistic minority of Karnataka and Maharashtra states. Our college is named after the principal donor late Shri Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies, in 2010 Commerce, in 2011 Mathematics and in 2018 English PG courses are introduced. The college is actively involved in research and extension endeavors with 18 Doctorates and 6 M.Phils on roll and 5 faculty members are pursuing Ph.D.

IQAC

IQAC was established on 1st June 2004 in our college under the direction of NAAC for ensuring quality in academic and administration which has resulted in accreditation by NAAC in the year 2016 at "A" level with highest CGPA of 3.35 in the jurisdiction of Rani Channamma University, Belagavi. Now it is heading towards 4th cycle A & A process.

DEPARTMENT

Department is established in the year 1961 with B.Sc PCM and M.Sc Mathematics in the year 2011. Unique feature of the department is, it has well equipped Mathematics museum. The department has 8 well qualified faculty members with 2 Ph.D's and 2 registered for Ph.D. The department has published 29 research papers in various international journals, 5 papers in national journals, 5 papers in national and international proceedings with total 130 citations and 6 h-index. Results of PG and UG are excellent every year. We have got 3 University Ranks for the academic year 2018-19, Miss Sangita More got 1st Rank in B.Sc with 96.87% and 39 centum scorers for B.Sc and M.Sc for the year 2018-19.

TRAINING PROGRAMME

Scilab is a high-level, numerically oriented programming language. It is a free and open-source, cross-platform numerical computational package and it can be used for signal processing, statistical analysis, image enhancement, fluid dynamics simulations, numerical optimization and modeling, simulation of explicit and implicit dynamical systems and symbolic manipulations.

Maxima is a system for manipulation of symbolic and numerical expressions including Differentiation, Integration, Taylor's series, Laplace transform, Ordinary differential equations, Polynomials, Vectors, Matrices, Tensors, etc.,. Maxima yields high precision numerical results by using exact fractions. SciLab/Maxima can plot functions and data of two and three dimensions.

SciLab and Maxima play an important role in teaching and learning of Mathematics. Using these softwares, we teach our subject effectively in terms of practicals. So our university introduced practicals for B.Sc./M.Sc. using softwares SciLab and Maxima. To update the knowledge of our teachers we have organized this training programme on SciLab and Maxima.

Report

In the run-up to the IQAC, Department of Mathematics, KLE Society's G. I. Bagewdi College, Nipani, organized “**One Day Online Training Programme On SCILab and Maxima**”. The objective of the webinar is to motivate teachers to understand and incorporate the mathematical programming language SCILab and MAXIMA and deliver their knowledge in B.Sc practices for the better understanding of students and also to receive feedback and gather inputs on activities and improvements for future work of the Department.

The “**One Day Online Training Programme On SCILab and Maxima**” – was held on 22nd October, 2020, 11:00 AM.

Programme was started with welcome speech by Dr. R. G. Kharabe, Vice Principal, words of Introduction of Society, College, and Department by Miss. Girija Karaguppi and about the training programme was explained by Dr. Ashok Rathod, Convener. Introduction of Chief Guest Dr. Chetana U V was given by Miss. Vinaya Khot. After that key note address was given by Dr. Chetana U V, Department of Mathematics, University College, Mangaluru.

Introduction of Resource Person Prof. B J Gireesha, Department of PG studies and research in Mathematics, Kuvempu University, Shimoga was given by Dr. (Smt.) M. M. Shankrikopp, HOD of Mathematics.

Prof. B. J. Gireesha started his talk at 11.50 am. He gave a talk on **'SCILab and Maxima'**. In his speech, he discussed why to study complex programming language SCILab and Maxima? What are the benefits of this programming language? And how to make use of this language by teachers for effective teaching in the practice hours? Prof. B J Gireesha has given a special attention for the programming language SCILab and Maxima. Using the commands he effectively taught how to write polynomials, trigonometric functions, exponential functions and matrices etc. Also expressed his views on how to draw graphs of trigonometric functions using SCILab.

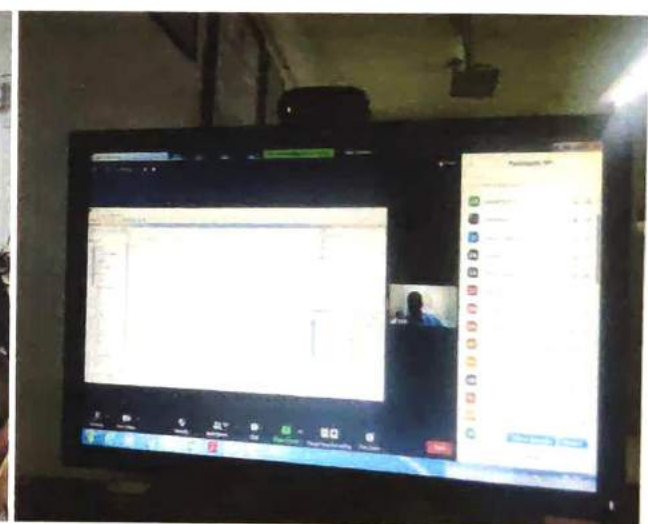

Introduction of Chief Guest by Vinava Khot

Key note address by Chief Guest Dr. Chetana U V

Introduction of Resource Person by Dr. (Smt.) M. M. Shankrikopp

Talk on SCILab and Maxima by Resource Person Dr. B J Gireesha

During interaction many of the participants asked the questions, mentioned two here:

Q.1 How to find eigen values using SCILab?, **Dr. Rachanna Kanabura, Assistant Professor, BLDEAS College, Jamakhandi**

Ans: In Scilab Proof. B J Gireesha took an example and showed how to get eigen values of a matrix.

Q.2. What is the meaning %inf? By **Dr. Ashok Rathod, Assistant Professor, KLE Society's G I Bagewadi College, Nipani**

Ans: It is a commond to write infinity in SCILab.

The training programme was conducted on zoom platform. **Totally 62 participants** have registered and 76 were participated from different colleges affilated to Rani Channamma University, Belagavi.

At the end Mr. Jinendra Magadum has given vote of thanks. Smt. Geeta Kamate and Mr. Sammed Chougale compared the desk.

Output of the Webinar: Participants came to know about solving polynomials, trigonometric functions, exponential functions and matrices using SCILab. Also how to plot graph of trigonometric functions using SCILab.

Report

In the run-up to the IQAC, Department of Mathematics, KLE Society's G. I. Bagewdi College, Nipani, organized **“One Day Online Training Programme On SCILab and Maxima”**. The objective of the webinar is to motivate teachers to understand and incorporate the mathematical programming language SCILab and MAXIMA and deliver their knowledge in B.Sc practicles for the better understanding of students and also to receive feedback and gather inputs on activities and improvements for future work of the Department.

The **“One Day Online Training Programme On SCILab and Maxima”** – was held on 22nd October, 2020, 11:00 AM.

Programme was started with welcome speech by Dr. R. G. Kharabe, Vice Principal, words of Introduction of Society, College, and Department by Miss. Girija Karaguppi and about the training programme was explained by Dr. Ashok Rathod, Convener. Introduction of Chief Guest Dr. Chetana U V was given by Miss. Vinaya Khot. After that key note address was given by Dr. Chetana U V, Department of Mathematics, University College, Mangaluru.

Introduction of Resource Person Prof. B J Gireesha, Department of PG studies and research in Mathematics, Kuvempu University, Shimoga was given by Dr. (Smt.) M. M. Shankrikopp, HOD of Mathematics.

Prof. B. J. Gireesha started his talk at 11.50 am. He gave a talk on **'SCILab and Maxima'**. In his speech, he discussed why to study complex programming language SCILab and Maxima? What are the benefits of this programming language? And how to make use of this language by teachers for effective teaching in the practice hours? Prof. B J Gireesha has given a special attention for the programming language SCILab and Maxima. Using the commands he effectively taught how to write polynomials, trigonometric functions, exponential functions and matrices etc. Also expressed his views on how to draw graphs of trigonometric functions using SCILab.

During interaction many of the participants asked the questions, mentioned two here:

Q.1 How to find eigen values using SCILab?, **Dr. Rachanna Kanabura, Assistant Professor, BLDEAS College, Jamakhandi**

Ans: In Scilab Proof. B J Gireesha took an example and showed how to get eigen values of a matrix.

Q.2. What is the meaning %inf? By **Dr. Ashok Rathod, Assistant Professor, KLE Society's G I Bagewadi College, Nipani**

Ans: It is a commond to write infinity in SCILab.

OUR SOCIETY

The seven great aspirants of education called "Saptharishis" on 13th November, 1916 founded an Anglo Vernacular school in Belagavi to provide basic literacy to children of the farming community of North Karnataka and Maharashtra. More than ten decades the KLE Society has been playing a vital role in the academic and socio-economic upliftment of North Karnataka region by imparting education from UG to PG. Today KLE Society is emerged into nationally and internationally acclaimed a giant educational institute of more than 270 institutions, 16,000 dedicated faculty serve their best to cater the needs of about 1,25,000 students every year. The courses offered are in Basic Social Science, Management, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training etc. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China, UAE and Zimbabwe. The great visionary, our beloved Chairman Dr. Prabhakar Kore, M.P. and Chancellor of KLE University, Belagavi assisted by the dynamic Board of Management, deserves special acknowledgement for the quantum leaps and spectacular growth that the society has achieved over the last three decades. Among the 15 aided HEI's 10 have been accredited at 'A' level. This speaks of the high standards set by our Society in UG education.

OUR COLLEGE

KLE Society's G. I. Bagewadi Arts, Science and Commerce College, Nipani is a temple of learning. The college was established in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority youth of Karnataka and Maharashtra states. Our college is named after the principal donor late Shri. Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies, in 2010 Commerce, in 2011 Mathematics and in 2018 English P.G Courses are introduced. The college is actively involved in research and extension endeavors. We have 18 Doctorates and 6 M. Phil. faculty on role and 5 staff members are pursuing Ph.D.

NATIONAL FACULTY DEVELOPMENT PROGRAMME

Research is in every way as necessary and helpful to the study of social sciences as it is to that of Natural Sciences. Any discipline which claims our intellectual attention and has demonstrated its ability and potentiality will flourish and be effective and purposeful only if research is conducted in it. India is among the topmost countries in the world in the field of scientific research, and positioned as one of the top five nations in the field of space exploration. The country has regularly undertaken space missions, including missions to the moon and mars and the framed Polar Satellite Launch Vehicle (PSLV). At last the NEP 2020 has realised the importance of research in a country's economic growth. The Indian Technical and Management education sector is undergoing drastic changes. The focus is shifted from public sector

private sector up in technical education. The use of digital technologies is the employment of Internet technologies, tools and services as objects of research but also as tools and platforms for the conduct of research and the creation of innovative methodological practices. India providing a tremendous potential to the creation of a knowledge society. This FDP enables participants to understanding of recent trends of research in India.

21st June 2021 TO 26th June 2021

IQAC Initiative Six Days Virtual National Faculty Development Programme on Research in India: Recent Dimensions and Developments organized by Research Cell and Alumni Association of KLE's G.I.Bagewadi College, Nipani was held from 21.06.2021 to 26.06.2021.

The aim of discussing different dimensions and trends in research in the recent years in social, physical sciences, engineering and technology, commerce and management fields. It further going to discuss the role of digital technology in research.

Inauguration Session:

The National Faculty Development Programme was inaugurated by President of the function Prin Dr.M.M.Hurali and Other Dignitaries. Key note Speaker **DR. S. T. Bagalkoti**, Professor, Department of Economics, Karnataka University, Dharwad addressed the gathering on the topic "Research and Development: Eco System in India". He began with the Introduction i.e. India Innovation Index 2020. He explained the comparison between GDP and Innovation Score. He told that India's Innovation Rank jumps to 21 from 48 in six years. Later he highlighted 2021 Bloomberg Innovation Index, Deficiencies of System, National Research Foundation. Lastly he suggested to Strengthen R& D system. At the end interaction Session was held. Dr.R.G.Kharabe, Vice-Principal gave welcome speech and introduction of Faculty Development Programme. Dr.B.S.Kamble, IQAC Co-ordinator introduced the Key-Note Speaker. Dr.M.M.Hurali, principal gave the Presidential Remarks.

First Session:

It began with Introduction of Speaker by Dr. Anand Kenchhakkannavar Organising Secretary. First Session Speaker Dr. M. B. Kothale NAAC Assessor, Bengaluru Retd Principal, KLE's G.I. Bagawadi College, Nipani gave talk on topic "NEP-2020 and Research" He told that NEP- 2020 has brought several reforms in India Education. He also told that role of HET's to extend traditional knowledge to creation and dissemination of new expectation for innovation.

Lastly Vote of Thanks was given by Dr. Atulkumar Kamble, Joint Organising Secretary.

Second Session:

The session begin with the Welcome Speech and Introduction of Faculty Development Program by Dr. R. G. Kharabe, Vice-Principal. Smt. P. R. Kamate introduced the Speaker. Second Session Speaker Dr. Vitthal. D. Potdar, Senior Research Associate, The Mythic Society, Bengaluru. gave talk on topic "Research in Social Sciences".

In his presentation he highlighted the fact that social science research is getting re-defined and re-modeled in the recent years due to promotion of multi-disciplinary studies in Indian higher education. The NEP-2020 is playing a key role in bringing in these welcome changes. The Liberal Arts and Liberal Science streams have made higher education boundary-less. NEP-2020 is bringing in welcome changes in the higher education sector in India. Lastly Vote of Thanks was given by Dr. (Smt). G. A. Chougule, Convenor.

Third Session:

The session begin with the Welcome Speech and Introduction of the Speaker by Dr Atulkumar Kamble. Third Session Speaker Dr. S. V. Hiremath Principal (Retd) K. L. E. Society's P. C. Jabin Science college Vidyanagar, Hubli gave talk on topic "Research in Basic Sciences".

He told that, Research: It is a creative and systematic step to increase the stock of knowledge.

Also he highlighted that Need of research in Basic Sciences For modern inventions, Improvement of scientific inventions, Updation of existing science knowledge, Healthy competition in science.

Lastly Vote of Thanks was given by **Shri Satish Kamble**.

He also explained Qualities of successful researcher are Genuine interest, Dedication, Hardwork, Consistency, Experimentation, Wide reading, Selection of good work and Reliability of research.

Forth Session:

The session begin with the Welcome Speech by **Smt Shilpa Sunnal** and **Dr Smt Sujata Patil** Introduced the Speaker Session Speaker **Dr.M.R.Ramesh**, Associate Professor, Dept. of Mechanical Engineering, National Institute of Technology(NIT-K), Surathkal gave talk on topic "Research in Engineering and Technical Education".

- He highlighted about make in India programme Launched to improved Economy in different sectors.
- He also told about the way in which IOT device is associated with data.

Lastly Vote of Thanks was given by **Dr Smt ujata Patil**.

Fifth Session:

The session begin with the Welcome Speech Introduction of the Speaker by **Dr.(Smt) G.A.Chougala** Session Speaker **Dr.ManasaNagabhushanam** Director,Academics Research andAdministration,Ramaiah Institute of Management.

Bengaluru gave talk on topic" Research in Commerce and Management".

Madam began his speech with comparing Academic and market\Business Research. Then she highlighted about Trends in methods of Research Quntitative and Qulitative She also focused on the points methods to make research more useful.

Lastly Vote of Thanks was given by **Dr.Ashok Rathod**.

Sixth Session:

The session begin with the Welcome Speech and Introduction of the Speaker by **Shri Raseed Mulla**.Session Speaker **Dr.K.C.Gangadhar** gave talk Sr.Librarian, Nitte Meenakshi Institute of Technology, Yelahanka, Bengaluru on topic" **Role of Digital Technology in Research**.He highlighted about the digital technology and it's use in Research.

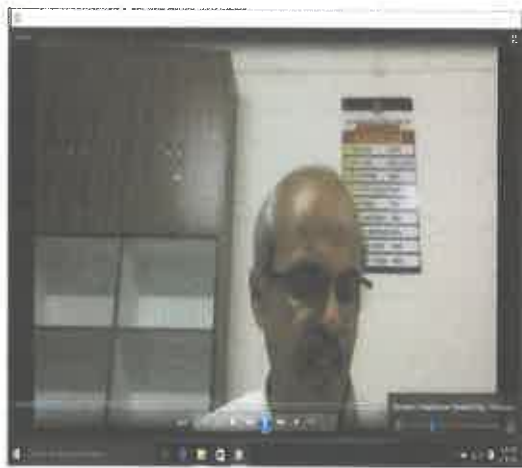

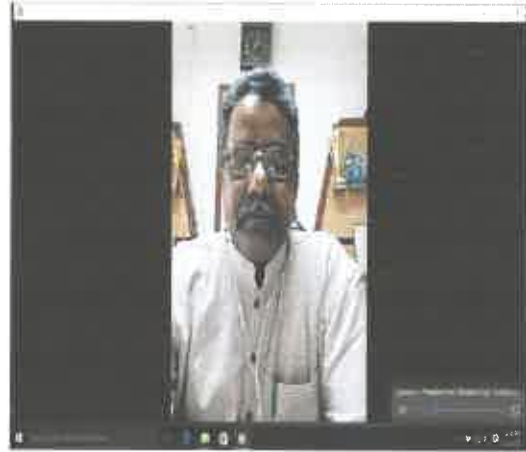

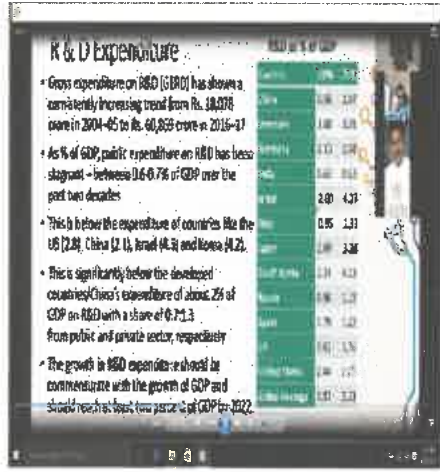

He explained about the E-resources.N-List,CareL and approved Journals Also he narrated about publications of Journals in the web of Science,scopus etc.

In the Validictory Session **Dr.R.G.Kharabe** Vice-Principal,gave brief Report of all the Session. In all the Session there is a fruitfull Interaction Speaker and Participants. The deliberations made by all eminent Speakers are informative resourcefull. Around 167 Participated were actively successfully participated.

ANNUAL REPORT
ACADEMIC YEAR 2016-17

HISTORY OF THE COLLEGE:

The KLE Society with its noble Missions of spreading education for the socio-economic growth of the people started in 1961 of an Arts and Science College at Nipani.

As a mark of gratitude to Late Shri. Ganapati Ishwarappa Bagewadi, who donated a munificent sum of Rs. 1,25,000/-, the college was named “**G. I. Bagewadi Arts and Science College**” in 1966. ‘Commerce’ course was introduced in 1977.

P.G. courses like M.Com in 2010 & M.Sc (Mathematics) in 2011. Further to make our students competitive to face the outside world 11 Certificate Courses introduced during 2016-17.

The Institution spread over 11 acres of land has the Main building with 26 classrooms, 9 Labs, common staff room, Ladies room, Office and Auditorium Hall. Adjacent to the main building is the Library, Gymkhana, NSS and NCC Units, Health Care Unit, Youth Red Cross Wing, Canteen and a Bank [with ATM]. The various Departments are provided with LAN and Internet connections and Wi-fi facility in the campus. Our campus is 360⁰ eco-friendly campus, having lush green garden. It also includes Rain Harvesting Unit Bore-well Recharge Unit and Vermi Compost Unit. We have installed Solar Street Lights in the front and backyard and Hostel area. .

As a part of co-curricular activities new Indoor Stadium has constructed and inaugurated on 21st March, 2015 and 8 Lane Olympic Standard Swimming Pool is inaugurated on 3rd October, 2016. The boys and girls have separate hostel facility, even the teaching staff enjoys the facility of residential quarters.

STRENGTH OF STUDENTS AND STAFF:

At present the total strength of our college is 894 (792UG+102 PG) students including 652 girl students, covering 14 departments, NCC unit with the strength of 100 cadets and NSS with 100 volunteers.

In achieving the academic excellence the contribution of our teaching staff is noteworthy. The teaching staff comprises 60 members of which 24 members are permanent and 36 members are management appointees, among which 12 have Ph. D. and 8 have M. Phil. degrees. There are 07 office and 16 menial staff.

Teachers being the heart and soul of seats of learning we feel proud that we don't have dearth of such teachers in our college. The faculty members keep themselves updated to make the students face the world with a sense of competence and confidence.

ACHIEVEMENT OF STAFF :

In the academic year, Dr. C. V. Koppad, Associate Professor in Commerce, awarded Ph. D. from Karnataka University, Dharwad. It is privileged to say that as a mark of excellence most of our staff members and students presented and published papers in State-Level, National-Level, International-Level Seminars and Conferences. Many staff has published their papers in standard magazines and journals. Total 50 papers published out of which 10 papers are published in International and 34 in National Journals.
