### ABOUT K.L.E. SOCIETY

**Dr. PRABHAKAR KORE**, Ex M.P.  
Chairman, K.L.E. Society and  
Chancellor K.L.E. University, Belagavi.

The seven great aspirants of education called "Saptharishis" on 13<sup>th</sup> November, 1916 founded an Anglo Vernacular school in Belagavi to provide basic literacy to children of the farming community of North Karnataka and Maharashtra. More than ten decades the KLE Society has been playing a vital role in the academic and socio-economic upliftment of North Karnataka region by imparting education from UKG to PG.

Today KLE Society has emerged into nationally and internationally acclaimed a giant educational organization of more than 270 institutions, 16,000 dedicated faculty serve their best to cater the needs of about 1,25,000 students every year. The courses offered are in Basic Social Science, Management, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training etc. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China, UAE and Zimbabwe. Our beloved Chairman Dr. Prabhakar Kore, Ex. M.P. and Chancellor of KLE University, Belagavi and assisted by the dynamic Board of Management, deserves special acknowledgement for the quantum leaps and spectacular growth that the society has achieved over the last three decades. Among the 15 aided HETs 10 have been accredited at 'A' level. This speaks of the high standards set by our Society in UG education.

### ABOUT COLLEGE :

KLE Society's G.I. Bagewadi Arts, Science & Commerce College, Nipani is a temple of learning. The college was established in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority youth of Karnataka and Maharashtra states. Our college is named after the principle donor late Shri. Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies, in 2010 Commerce, in 2011 Mathematics and in 2018 English P.G Courses are introduced. The college is actively involved in research and extension endeavors. We have 13 Doctorates and 6 M.Phil. staff on role.

In the year 2016 our college was accredited in 3<sup>rd</sup> cycle by NAAC at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rani Channamma University Belagavi. Another feather in the cap of our college is recognized as Mentor Institute under the UGC Paramarsh Scheme in 2020.

### ABOUT IQAC

IQAC was established on 1st June 2004 in our college under the direction of NAAC for ensuring quality in academic and administration. It has resulted accreditation by NAAC in the year 2016 at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rani Channamma University Belagavi. Now it is functioning for IV cycle A & A Process. As an IQAC initiative our institution applied for UGC Paramarsh Scheme New Delhi for guiding non accredited institution by NAAC and got sanctioned Rs. 30Lakh for one year duration. It also organized many national workshops/ conferences/seminars.

### ABOUT WORKSHOP

Since 1994 NAAC as an ambassador has been engaged in the process of quality assessment and accreditation of HEIs. However, still some HEIs have not undergone the quality assessment process of NAAC. So UGC has taken initiative to bring every institution under NAAC A & A with minimum 2.5 score through Paramarsh Scheme by 2022. Our institution is recognized as a Mentor for 6 HEIs and enables them to go for accreditation. As a part of this process IQAC of our institution initiates this event under UGC Paramarsh Scheme One Day Workshop on "An overview of NAAC Activities in HEI's"

### Objectives

1. To know the best practices in research innovation and extension
2. To know the student progression in HEIs
3. To understand the quality initiatives in HEIs

**REPORT ON SIXTH ONE DAY WORKSHOP UNDER UGC PARAMARSH  
SCHEME**

**Theme: An Overview of NAAC Activities in HEI's" : Date: 25.09.2021**

An IQAC Initiative one day Workshop on "An Overview of NAAC Activities in HEI's" was organised on 25.09.2021. The inaugural session was graced by Dr. Dwijan Sharma and other dignitaries, Prof. Vijaya Nagannavar, Dr. M. B. Kothale, Dr. M. M. Hurali, Dr. R. G. Kharabe, Dr. B. S. Kamble.

**Inauguration:**

The event started with invocation by Shri Shivling Naik, Guest faculty, Department of Chemistry. Dr.[Smt] M. M. Shankrikopp, Head and Associate Professor of Mathematics welcomed the guests and the delegates. Dr. B. S. Kamble, IQAC Coordinator briefed the theme of the workshop and its outcomes.

Prof. Dwijan Sharma in his inaugural talk said that UGC Paramarsh Scheme is need based and encourages to HEI's for preparing NAAC activities. Dr. M. M. Hurali, Principal of the institution delivered the Presidential Remarks, Vote of thanks was offered by compeering desk Smt. Savitri Mangavate and Smt. Girija Chendake.

## TECHNICAL SESSION: I

Prof, Dwijin Sharma presented on the Criterion III Research Innovation and Extension. In his presentation he emphasized on the Best Practices that need to be prepare by HEI's such as ; appropriate policies and practices, making adequate resource available encourage, teachers involving research through incentives, support in financial, academic and human resources and speedy administrative decisions.

Further he enlightened that extension activities provide social relevance to the colleges. NCC and NSS Units should contribute at large through Extension Activities. The weightage of marks for these activities is more than 50% of the Criterion III.

## TECHNICAL SESSION : II

Prof. Vijaya Nagannavar has highlighted on the need of students progression in HEI's

towards the quality enhancement.

### TECHNICAL SESSION: III

Prof. A. M. Gurav, Dept. of Commerce and Management focused on the various Skill Components in different key indicators, Metrics and why students need skills as required by NAAC Quality Assessment.

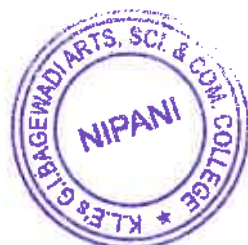

He said that since there is a mismatch between learning and employability HEI's have to change the curriculum structure, towards the skill oriented courses. This component is Mandatory under NEP-2020. Life Skill, Soft Skill, hard skill are the skill components which increase the employability in 0.4 industrial revolution. All these reflect in NAAC Quality Assessment Process.

### TECHNICAL SESSION: IV

In Valedictory Dr. B. S. Kamble IQAC Coordinator presented the brief report of the workshop Dr. Dighambar Kulkarni shared the opinion of the workshop and feedback of the event. There were 150 delegates attended the workshop. Certificates were distributed to delegates. Vote of thanks was offered by the compeering desk.

Participants were enabled to know the best practices in Research, Innovation and Extension Activities, Student Progression and understand the quality initiatives through Skill Development Components in NAAC A and A Process.

#### THEME OF THE WEBINAR

**NEP - 2020: Challenges and Options Before Higher Education in Economics NEP - 2020** is considered to be a watershed in India's educational policy making. Given the mismatch between the nature of skills demanded and their creation, the relevance of higher education was frequently questioned. The NEP aims at making the education learner-centric, outcome based, holistic and value based. It seeks to integrate value and skill education and enable the learner to develop into a well-rounded person, who can contribute to the economic growth and social well-being of the nation. Enlarging the size of higher education institutions, making the curriculum and pedagogy more flexible, learning in regional languages and emphasizing experiential learning are expected to generate substantial benefits to the society. The extended use of technology and reforming the governance and accreditation structures are expected to bring about positive changes in the overall conduct and outcomes of higher education. In the framework of the NEP-2020, the Karnataka State Higher Education Council has prepared draft framework and various committees have been formed to suggest strategies and structures. Since the teachers have a very crucial role in implementing the NEP and the preparation of curriculum is made the prerogative of teachers, the implications and problems in implementing of the NEP should be appreciated by the teachers. In this background the Rani Chennamma University Economics Teachers Forum seeks to organize a webinar on "NEP - 2020: Challenges and Options Before Higher Education in Economics" on 29.06.2021. The purpose is to present before the Economics teachers, the likely changes that will occur due to implementation of NEP and deliberate upon the preparations that need to be undertaken by the teachers at the ground level. While Prof.Sabanna Talwar, MLC, Govt. of Karnataka will deliver the key note address, Prof.S.T.Bagalakoti of Karnataka University will present the challenges and options before the Economics Education. The webinar will be conducted on zoom platform

#### OUR SOCIETY

The seven great aspirants of education called "Saptharishis" on 13<sup>th</sup> November 1916 established an Anglo Vernacular School in Belagavi to provide basic education to the children of farming community of North Karnataka and Maharashtra. Today, KLE Society is known nationally and internationally as a giant educational institute with more than 270 institutions, 16000 dedicated faculty serving their best to cater the needs of about 1,25,000 students every year. The courses offered in multiple disciplines by the Society are Basic Social Science, Management, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training, etc. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China, UAE and Zimbabwe.

#### OUR COLLEGE

KLE Society's G. I. Bagewadi Arts, Science and Commerce College, Nipani was established in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority of Karnataka and Maharashtra states. Our college is named after the principal donor late Shri. Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies, in 2010 Commerce, in 2011 Mathematics and in 2018 English PG courses are introduced. The college is actively involved in research and extension endeavors with 18 Doctorates and 6 M.Phils on roll and 5 faculty members are pursuing Ph.D.

#### IQAC

IQAC was established on 1<sup>st</sup> June 2004 in our college under the direction of NAAC for ensuring quality in academic and administration which has resulted in accreditation by NAAC in the year 2016 at "A" level with highest CGPA of 3.35 in the jurisdiction of Rani Chennamma University, Belagavi. Now it is heading towards 4th cycle A & A process.

#### DEPARTMENT OF ECONOMICS

The Department of Economics is one of the oldest departments of our college established in 1961 with a course in BA programme having the strength of 9 students and a faculty. Subsequently, a course in BCom programme was started in 1977 with 12 students and one faculty. At present, the department is imparting education to 391 students by two faculty members. At present, Dr. B. S. Kamble is the head of Department with a faculty Prof. M. S. Vanaki with a high quality number of books, paper presentation and member in reputed professional bodies besides visiting as a resource person at various institutions. Both the faculties were served as coordinator to AISHE and NIRP. The department was enriched with a grant of Rs. 1.83 Lakhs from UGC under IX and X plan period for MRP and Rs.60K for national conference.

#### RCU ECONOMICS TEACHERS FORUM

RCUEF is its Head Quarters at Belagavi. It is working for the academic development of teachers and students by organizing various academic activities every year.

ಅತ್ಯುತ್ತಮ

ಅತ್ಯುತ್ತಮವಾಗಿದೆ

ಒಳ್ಳೆಯ ಅಭಿಪ್ರಾಯ

ಈ ವಿಚಾರ ಸಂಕಿರಣ ವಿಷಯವು ಉತ್ತಮವಾಗಿತ್ತು

ಉತ್ತಮವಾದ ಮಾಹಿತಿ ತಿಳಿದುಕೊಂಡೆ.

ತುಂಬಾ ಅರ್ಥಪೂರ್ಣವಾಗಿದೆ.

ವಿಚಾರ ಸಂಕಿರಣ ಅದ್ಭುತ, ಮನಮುಟ್ಟುವಂತೆ ಮಾಡಿತು.. ಎಲ್ಲರಿಗೂ ಹೃದಯ ಪೂರ್ವಕ ಧನ್ಯವಾದಗಳು.

## ABOUT K.L.E. SOCIETY

**Dr. PRABHAKAR KORE**, Ex.M.P.  
Chairman, K.L.E. Society and  
Chancellor K.L.E. University, Belagavi.

The seven great aspirants of education called "Saptharishis" on 13<sup>th</sup> November, 1916 founded an Anglo Vernacular school in Belagavi to provide basic literacy to children of the farming community of North Karnataka and Maharashtra. More than ten decades the KLE Society has been playing a vital role in the academic and socio-economic upliftment of North Karnataka region by imparting education from UKG to PG.

Today KLE Society has emerged into nationally and internationally acclaimed a giant educational organization of more than 270 institutions, 16,000 dedicated faculty serve their best to cater the needs of about 1,25,000 students every year. The courses offered are in Basic Social Science, Management, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training etc. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China, UAE and Zimbabwe. Our beloved Chairman Dr. Prabhakar Kore, Ex. M.P. and Chancellor of KLE University, Belagavi and assisted by the dynamic Board of Management, deserves special acknowledgement for the quantum-leaps and spectacular growth that the society has achieved over the last three

## ABOUT COLLEGE:

KLE Society's G.I. Bagewadi Arts, Science & Commerce College, Nipani is a temple of learning. The college was established in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority youth of Karnataka and Maharashtra states. Our college is named after the principle donor late Shri. Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies, in 2010 Commerce, in 2011 Mathematics and in 2018 English P.G Courses are introduced. The college is actively involved in research and extension endeavors. We have 13 Doctorates and

6 M.Phil. staff on role.

In the year 2016 our college was accredited in 3<sup>rd</sup> cycle by NAAC at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rani Channamma University Belagavi. Another feather in the cap of our college is recognized as Mentor Institute under the UGC Paramarsh Scheme in 2020.

## NAAC Sponsored National Seminar

Since 1994 NAAC an Autonomous Institution has been actively involved in Quality Assessment and Accreditation of HEIs. During its quality assessment and grading journey, it has been revised its guidelines from time to time to make process transparent and easy. The changes we found in the present NAAC guidelines is the revision made in Quality Indicator Framework. The milestone changes are; the process (online process) Qualitative & Quantitative Metrics, Procedures, like logistics, data templates, IQA, DVV, SSS, grading system, Documentation & Peer team visit. In a nutshell, changes have been made in Extended Profile, Institutional profile & QIF.

Considering all these changes IQAC of our Institution resolved to submit a proposal to get fund from NAAC Bangalore. And the seminar was approved and NAAC sanctioned Rs. 75000/- to organize the same. But due to Pandemic COVID-19 lockdown, it is could not be arranged and now with the permission of NAAC office we have organized this Seminar on "REVISED NAAC FRAMEWORK 2020: PREPARATION AND SUBMISSION OF SSR AND AQAR"

All the papers be relevant to the Revised NAAC Guidelines. The contents should be procedures, QIF, SOP, DVV, Opt out System, Students Satisfaction Survey and New AQAR Guidelines with effect from 2021

## DEPARTMENT OF BOTANY

### Report on one Day workshop on "CBCS Syllabus of RCU 2020-21

IQAC Initiated, self financed one day workshop on "CBCS Syllabus of RCU 2020-21 of Physics, Chemistry, Mathematics, Botany, Zoology and Computer" was organized by K.L.E.Society's G. I. Bagewadi College, Nipani on 21<sup>st</sup> February 2021. The Chief Guest was Shri Praveen Bagewadi and Guest of Honour was Dr. J.Manjanna, coordinator, CBCS Syllabus, Chairman Department of Chemistry, RCU, Belagavi

Delivering the key note address Dr. J.Manjanna said that, the main aim of introducing CBCS in Rani channamma University is that to match with the international educational pattern. CBCS allows students to have flexibility in education depending upon their interests they can choose inter-disciplinary, intra-disciplinary and skill-based courses. He also said that, this system can bridge an increasing gap between an undergraduate and employability. Then he told about the course and scheme for B.Sc. Programme as per UGC CBCS.

Another guest Dr. S.S. Gornale, IQAC coordinator, RCU Belagavi, Department of Computer Science said that, the credits scored at one institution can be transferred to another institution, unlike in old system where the combination based education it does not allow.

In the second session there was a panel discussion about the Botany syllabus. It was under able guidance of Dr. N.M.Rolli, BOS RCUB, and Dr. A.A.Topalkatti BOE RCUB. The following is the Resolution of the workshop on CBCS Syllabus of RCUB Botany 2020-21

### Semester I

1. For I semester practical, specimens are too many and in some colleges all materials are not available. Then how to conduct practical exam? This question was raised by Shri. Krishna Mandala, B.L.D.E Association's S.P.Arts and KCP Science College, Vijayapura

- For practical Examination of I semester 2020-21 batch, institution level choice of example. This was resolved by Dr. A.A.Topalkatti, S.S.B.M Degree College, Badami & BOE, and Dr. N.M.Rolli, B.L.D.E Association's Degree College, Jamakhandi & BOS and all participated teachers agreed for this.

**Inauguration:-**

The IQAC initiated self-financed one day workshop on “CBCS syllabus of RCU 2020-21 of Physics, Chemistry, Mathematics, Botany, Zoology and Computer science” was organized by KLE'S G.I. Bagewadi College Nipani on 21<sup>st</sup> February 2021. Dr. A. S. Jaganure Organizing Secretary welcomed University authorities, BOS, BOE members and more than 180 delegates of various subjects. The conveners of workshop Dr. M. M. Shankrikopp, Dr. A. A. Kamble, Dr. R. G. Kharabe, and Shri. Sagar Miraje introduced the guests present on the dais. The workshop was inaugurated by pouring water to green plants by dignitaries on the dais. Dr. J. Manjanna, Chairman CBCS syllabus RCU, Dr. B. G. Hegde, Chairman Dept. of Physics, RCU, Dr. Vijayalakshmi Shigehalli, Chairman Dept. of Mathematics, RCU and Dr. Shivanand S. Gornale Dept. of Computer Science, RCU, Belagavi were honored by flowers and mementos.

In his key note address the Chief guest Dr. J. Manjanna, Chairman CBCS syllabus RCU, Belagavi, gave the importance of new CBCS syllabus in the present scenario and explained the credit system with weightage of unit wise marks for all the subjects in depth. Further he highlighted and clarified the inclusion of CC (Co-curricular) / EA (Extension Activity) for B.Sc. I semester and discussed about the pattern of question papers for CBCS semester. He said if any discrepancy of new syllabus, is to be brought to the notice of BOS, BOE and Vice-chancellor of Rani Channamma University Belagavi and amicable solutions will be made. The session is conducted with interaction between delegates and chief guest.

Dr. Shivanand S. Gornale, Dept. of Computer Science, RCU, Belagavi addressed the gathering about the new concept of CBCS pattern and grade allotment at the time of graduation. Further he highlighted the new skills incorporated in all semesters may boost the students for new opportunities after their graduation.

Dr. M. M. Hurali in his presidential remarks wished the organizers and participants to come out with certain new resolutions.

**Panel discussion for "CBCS Syllabus of RCU 2020-21" B.Sc. I Semester Chemistry.**

In the II session the panel discussion was held at Golden jubilee hall under the Chairpersonship of Dr. J. Manjanna, Chairman CBCS syllabus RCU, Belagavi and the Resource Person Dr. A. S. Jaganure Chairman BOE RCU Belagavi, with following panel members for discussion from 12.30 to 4.00pm

- 1) Shri. R. C. Sheth, BLDEA's Degree College, Jamakhandi.
- 2) Shri. V. B. Kupatti, GFGC, Paschapur.
- 3) Dr. S. M. Desai, Anjuman Arts. Science, Commerce College, Vijayapur.
- 4) Dr. N. L. Teradal, J.S.S. College, Gokak.
- 5) Ms. Shailashree M. Jalawadugi, Basaveshwar Science College, Bagalkot.
- 6) Dr. Atulkumar A Kambale. Convener, KLES G.I. Bagewadi College Nipani.

During the deliberation a total of 38 faculty members of Chemistry from various colleges come under the jurisdiction of RCU Belagavi, actively participated and raised certain issues related to theory and practicals of CBCS Syllabus. Following resolutions were passed through panel discussion and submitted to the university authorities.

**RESOLUTIONS**

1. Dr. N. L. Teradal, J.S.S. College, Gokak, proposed a question related to distribution of internal assessment (IA) marks (20IA = 5 for 1<sup>st</sup> IA +10 for 2<sup>nd</sup> IA +5 for attendance).  
❖ It is proposed that the distribution of internal assessment IA marks of 20 must be of old pattern i.e. a) 4 Marks for first IA b) 10 Marks for second IA c) Marks for Attendance (due to Covid-19 for this academic semester attendance is exempted) d) 3 Marks for Assignment.  
Smt. A.R Chitnis, G.S.S. College Belagavi, and Dr. A. A. Kambale, KLE'S G.I. Bagewadi College Nipani, Seconded the proposal and all the teachers agreed to consult to the Vice-chancellor for necessary action..
2. Shri. R. C. Sheth, BLDEA'S Degree College, Jamakhandi, raised that while setting question paper for B.Sc.I semester the four units are divided into four questions such as Q. No. I carries 2 marks questions (10 out of 12). Q.No.II, Q. No. III, Q. No. IV OR Q. No. V carrying 15 marks.

**K.L.E. Society's**

Each question has 3 sub questions of 5 marks and student has to solve any three sub questions a), b), c) or d).

- ❖ It is proposed that to solve sub questions of Q.No.II to V student has to solve any three of a), b), c) , d) instead of a), b), c) or d). Dr. V. A. Edalli, SSTP College, Sankeshwar, Seconded the proposal and all teachers agreed to consult University Authority and Vice-chancellor in this connection.
- 3. Shri. V. B. Kupatti, GFGC, Paschapur, raised that the prescribed duration of 3 hours for practicals of VI semester gravimetric estimations is insufficient and not possible to complete the practicals in stipulated three hours.
- ❖ It is resolved that the number of practical hours for VI semester should be increased to 4 hours so that justification can be done to the student community. Dr. S. M. Desai, Anjuman Arts. Science, Commerce College, Vijayapur. Seconded the proposal all the teachers agreed to consult to Vice-chancellor in this connection.
- 4 Ms. Shailashree M. Jalawadugi, Basaveshwar Science College, Bagalkot raised that regarding allotment of 50 IA marks for CC/EA (Co-curricular / Extension Activities) with credit 1.
- ❖ It is resolved that most of the colleges have accepted the support service units recommended by RCU for the participation of students to get 50 marks (CC/EA) such as NSS, NCC, YRC, Scouts and Guides etc. and other activities performed in the college such as sports dept., cultural dept., debating union, various associations like Arts, Commerce, Science and planning forums. The value based CC/EA are blood donation camp, Covid-19 awareness camp and other social active camps. If the students participate in 5 or more certified activities in a semester he/she is eligible to get full marks. Dr. P. D. Kattimani, JSS Arts. Science, Commerce College Gokak, and Dr. P. D. Pol BLDS TPC Science College Jamakhandi, Seconded the proposal and all the teachers agreed and unanimously given their consent.
- 5. Dr. R. S. Baligar, JSS Arts Science & Commerce College Gokak, raised that correction is to be made in B.Sc. III semester practical title Preparation of aqueous iron solutions and estimation of iron using standard  $K_2Cr_2O_7$  (Internal indicator method).
- ❖ It is resolved that the above said title is to be corrected as Preparation of aqueous iron solution and estimation of hematite ore (haematitep) using standard  $K_2Cr_2O_7$  (Internal indicator method).

Dr. K. S. Lamani, CSB College Ramadurga and Prof. M. S. Kenchagoudar, KLES G.I. Bagewadi College Nipani, Seconded the proposal and all the teachers agreed to consult to the University authority.

6. Dr. Hunnur Krishanna, SSTP College, Sankeshwar, raised that in the syllabus of B.Sc. I semester the topic "Chemical Bonding and Molecular Structure" there is no specific example to explain the hybridization of square planar molecule.

❖ It is resolved that there is only one example to explain the hybridization of square planar molecule using nickel tetra carbonyl Ni (CO)<sub>4</sub>. Prof. C.S.Katageri, M G V C Arts. Science and Commerce College, Muddebehal and Dr Krishannamurti.M.S. JSS Arts. Science and Commerce College, Gokak, Seconded the proposal and all the teachers given their consent unanimously to consult University authority..

At the end Dr.A.S.Jaganure read out all the proposals of workshop and proposed the vote of thanks.

#### Out-come of the workshop:

- Teachers from varies college have good interaction with University authority about CBCS course.
- They understood the new concept of credit system and get clarified regarding CC/EA.

PROCEEDINGS OF THE WORKSHOP WITH RESPECT TO B.Sc. MATHEMATICS

Workshop was inaugurated by the. Chief Guest Prof. J. Manjanna, Coordinator CBCS Syllabus, Chairman, Dept. of Chemistry, RCU, Belagavi and has given key note and Dr. Shivanand S. Gornale, IQAC Co-coordinator, HOD Dept. of Computer Science, RCU, Belagavi spoke on CBCS syllabus and Principal Dr.M. M. Hurali given presidential remarks.

II session was arranged in the department Lab from 12.30 to 4.00 pm. Prof. (Smt.) V. S.Shigehalli, Chairman, Dept. of Mathematics , Chairman BOS of Mathematics, RCU Belagavi, was the Resource Person.

She spoke on CBCS syllabus of Mathematics, SEC papers and Mathematics Practicals.

**Following Resolutions have made:**

1. Dr. L. M. Angadi , GFGC Chikodi, placed the matter of establishment computer labs in the colleges.

Seconded by Dr. (Smt.) . M. M. Shankrikopp, KLE's G. I. B. College, Nipani and Sri S. H. Sankangoudar, Badami, seconded the proposal and all the teachers agreed to consult the Vice-chancellor in this matter.

It is resolved to write a representation to the honourable Vice-chancellor seeking a common letter from the University authority with regard to the establishment computer labs in the colleges.

➤ Many of the colleges are not having Computer Lab facility, so difficult to start practicals so, through VC if Principal get a letter, they will make lab facility soon. Madam agreed to make this suggestion to VC.

2. Sri M.B. Rotti, K. L. E Society's B. K. College, Chikodi, raised that number of students per batch for practical is not mentioned in the syllabus.

It is seconded by Sri P. B. Burji, SDV's Science College, Sankeswar.

➤ Similar to Physics, Chemistry, Comp..Science etc. it is also 15 students per batch for practcls mentioned in common .

3. Sri. S. H. Sankangoudar, Badami, proposed to add applications of set theory in SEC paper of B. Sc. III sem.Mathematics.

Seconded by Sri N. K. Enagi, Bailhongal.

➤ It is resolved to write a representation to the honorable Vice-chancellor seeking a common letter from the University authority with regard to change of syllabus of SEC paper (Set Theory) of B.Sc.III Semester Mathematics to introduce applications of Set theory.

4. Dr. (Smt.) M. M. Shankrikopp, K.L.E Society's G. I. Bagewadi College, Nipani, proposed that distribution of IA marks should be unique to all streams.

Smt. Geeta Shiavpooji, GFGC, Raibag, Seconded the proposal and all the teachers requested Prof. J. Manjanna, Coordinator CBCS Syllabus, Chairman, RCU, Belagavi to request concern authority to take quick action of this matter.

➤ It is resolved to write a representation to the honorable Vice-chancellor seeking a common letter from the University authority with regard to I.A marks distribution.

At the end Dr. (Smt.) M. M. Shankrikopp displayed weight age of unit wise marks, discussed and approved by BOS chairman. Dr. L. M. Angadi GFGC, Chikodi, and Sri. Praveen Burji, SDVS Arts and Science College, Sankeswar, displayed Model question papers of B.Sc. I Sem. Mathematics. Miss G. L. Karguppi extended vote of thanks.

CBCS Syllabus of RCU 2020-21 on Science Subject

Date: 21<sup>st</sup> Feb, 2021

Introduction:

A meeting of Board of Studies in Physics and Computer Science was held at G.I. Bagewadi College, Nipani to discuss the new CBCS syllabus introduced at B.Sc. Course with effect from 2020-21 onwards. Following panel members were present during the deliberation.

1. Dr. B. E. Hegde, Prof & Chairman Dept of Physics, RCU.
2. Dr. S. G. Gornale, Prof & Chairman Dept of Computer Science
3. Dr. D. N. Misale, Member B.O.S. in Physics, R.C.U & Asso. Prof. in Physics, B.K College, Belgavi
4. Prof (smt) S. V. Kulkarni, Member, B.O.S. in Physics, RCU & Asso. Prof in physics, G.S.Sc College, Belgavi

During the deliberations, more than 40 faculties from different Colleges of R.C.U, Belgavi were participated. In conclusion, the following resolutions were passed through the panel members.

Resolution 1.

It was resolved to request and stress on RCU authorities to allot <sup>extra</sup> 1 hr teaching/practical workload for each Skill Enhancement Course (SEC) without increasing the credit points.

## Explanation:

Skill Enhancement Course is an important component of C.B.C.S. syllabus, as it helps to acquire certain defined skills and knowledge in understanding of a subject. This course also helps in getting placements or related jobs. At present S.E.C. is allotted 2 hrs of teaching and has theory paper for 50 marks. The course must be learnt with hands on practicals, field visits, and through experimentation.

The panel resolved to increase the teaching hours for S.E.C. from 2 Hrs to 3 Hrs.

## Resolution 2.

It was resolved to request RCU authorities to allot 4 hrs of teaching to each Discipline Specific Elective (DSE) papers at B.Sc. V<sup>th</sup> and VI<sup>th</sup> semesters.

Explanation: At present, for V<sup>th</sup> and VI<sup>th</sup> sem, one optional paper is compulsory. For second optional paper there is a choice between two elective papers (elective I or elective II). This requires two separate divisions (classes) to satisfy student's choice.

Hence the panel resolved to stress the authorities to allot separate teaching hours to both elective I and elective II theory papers. Further, there is need not be any change in the practical hours. So that total number of teaching hours at V<sup>th</sup> and VI<sup>th</sup> sem would be 20 hrs instead of 16 hrs.

### Resolution 3

It was resolved to distribute Internal Assessment marks (IA) of 20 into three components.

5 Marks : For first IA Test, conducted for 20 Marks and reduced to 5.

10 Marks : For second IA Test conducted for 20 Marks and reduced to 10 and

5 Marks : For attendance of student for the semester

Please note that, there need not be home assignments.

### Resolution 4 : Regarding allotment of IA marks for CC / EA (i.e. Co-curricular / Extension Activities) -

Since most of the Colleges will have designated units such as

1. National Service scheme (Mandatory by Govt. of Karnataka)
2. Youth Red Cross wings ( " " )
3. Scouts & Guides ( " " )
4. National Cadet Core
5. Other units established by the Colleges such as
5. Gymkhana
6. Sports department (Major & minor games ...)
7. Cultural department (Music, Dance, Drama ...)
8. Debating unions (Essay, Elocution,
9. Arts Association, Commerce Association, Science Association
10. Planning Forum
11. Sponsored Clubs (Rotract, Interact, Innerwheel ...)
12. Art Club (Rangoli, Mehandi, Bridal make up, Photo Beauty Contest, Film, Cinematography ...)

Thus every College will have different type of & different number of need based & value based ~~Cultural~~ <sup>Co-curricular</sup> activities and extension activities.

The performance of each student in one or many fields can be judged by the mentor Committee of the respective College and <sup>may</sup> allot the IA marks based on the performance as below

Outstanding	-	10	Marks
Excellent	-	8	"
Good	-	6	"
Poor	-	4	"
<sup>Ab</sup>	-	0	"

Similarly A College may notify 20-30 activities and ask students to participate or perform in at least 5 activities and relatively IA-Marks may be allotted.

1. Prof (Dr) B. G. Hegde
2. Prof (Dr) S. G. Gornale
3. Dr D. N. Misale
4. Prof (smt) S. V. Kulkarni

DEPARTMENT OF ZOOLOGY

**Report of the workshop on 'CBCS syllabus of RCU 2020-2021'**

IQAC Initiated, self financed one day workshop on "CBCS syllabus of RCU 2020-21 of physics, Chemistry, Botany, Zoology, Computer science" was organized by KLE'S G.I.Bagewadi College Nipani on 21<sup>st</sup> February 2021. The chief Guest was Shri Praveen Bagewadi, Guest of Honor was Dr.J.Manjanna, Coordinator, CBCS syllabus, Chairman Department of Chemistry, RCU, Belagavi.

Delivering the key note address Dr.J.Manjanna said that, the main aim of introducing CBCS in Rani Channamma University is that to match with the international educational pattern. CBCS allows students to have flexibility in education depending upon their interests they can choose interdisciplinary, intra disciplinary and skill based course. He also said that, this system can bridge an increasing gap between an undergraduate and employability. Then he told about the course and scheme for B.Sc programme as per UGC CBCS.

Another Guest Dr.S.S.Gornale, IQAC Coordinator, RCU, Belagavi, Department of Computer Science said that the credit scored at one institution can be transferred to another institute, unlike in old system where the combination based education it does not allow.

In the second session there was a panel discussion about the Zoology. It was under able guidance Dr.Smt.Pratibha.P.Naik BOS, RCUB and Dr.R.G.Vastrad BOE RCUB.

### ABOUT K.L.E. SOCIETY

**Dr. PRABHAKAR KORE**, Ex M.P.  
Chairman, K.L.E. Society and  
Chancellor, K.L.E. University, Belagavi.

The seven great aspirants of education called "Saptharishis" on 13<sup>th</sup> November, 1916 founded an Anglo Vernacular school in Belagavi to provide basic literacy to children of the farming community of North Karnataka and Maharashtra. More than ten decades the KLE Society has been playing a vital role in the academic and socio-economic upliftment of North Karnataka region by imparting education from UKG to PG.

Today KLE Society has emerged into nationally and internationally acclaimed a giant educational organization of more than 270 institutions, 16,000 dedicated faculty serve their best to cater the need of about 1,25,000 students every year. The courses offered are in Basic Social Science, Management, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training etc. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China, UAE and Zimbabwe. Our beloved Chairman Dr. Prabhakar Kore, Ex. M.P. and Chancellor of KLE University, Belagavi and assisted by the dynamic Board of Management, deserves special acknowledgement for the quantum leaps and spectacular growth that the society has achieved over the last three decades. Among the 15 aided HEI's 10 have been accredited at 'A' level. This speaks of the high standards set by our Society in UG education.

### ABOUT COLLEGE :

KLE Society's G.I. Bagewadi Arts, Science & Commerce College, Nipani is a temple of learning. The college was established in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority youth of Karnataka and Maharashtra states. Our college is named after the principle donor late Shri. Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies, in 2010 Commerce, in 2011 Mathematics and in 2018 English P.G Courses are introduced. The college is actively involved in research and extension endeavors. We have 13 Doctorates and 6 M.Phil. staff on role.

In the year 2016 our college was accredited in 3<sup>rd</sup> category by NAAC at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rani Chamamma University Belagavi. Another feather in the cap of our college is recognized as Mentor Institute under the UGC Paramarsh Scheme in 2020.

### ABOUT IQAC

IQAC was established on 1st June 2004 in our college under the direction of NAAC for ensuring quality in academic and administration. It has resulted accreditation by NAAC in the year 2016 at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rani Chamamma University Belagavi. Now it is functioning for IV cycle A & A Process. As an IQAC initiative our institution applied for UGC Paramarsh Scheme New Delhi for guiding non accredited institution by NAAC and got sanctioned Rs. 30 Lakh for one year duration. It also organized many national workshops / conferences / seminars.

### ABOUT WORKSHOP

Since 1994 NAAC as an ambassador has been engaged in the process of quality assessment and accreditation of HEIs. However, still some HEIs have not undergone the quality assessment process of NAAC. So UGC has taken initiative to bring every institution under NAAC A & A with minimum 2.5 score through Paramarsh Scheme by 2022. Our institution is recognized as a Mentor for 6 HEIs and enables them to go for accreditation. As a part of this process IQAC of our institution initiates this event under UGC Paramarsh Scheme One Day Workshop on "Aligning the Institutions For Assessment and Accreditation Process"

### Objective

1. To know the AAA in Higher Education Institutions
2. To know the insights in the Teaching-Learning Methods
3. To Acquaint with Institutional Values and Best Practices

### PARTICIPANTS

Registration is free for mentee institutions. For other institutions, Spot registration fee is Rs. 150/- . Please Confirm Participation.

### ABOUT K.L.E. SOCIETY

**DR. PRABHAKAR KORE**, Ex M.P. Chairman, K.L.E. Society and Chancellor K.L.E. University, Belagavi.

The seven great aspirants of education called "Saptharishis" on 13<sup>th</sup> November, 1916 founded an Anglo Vernacular school in Belagavi to provide basic literacy to children of the farming community of North Karnataka and Maharashtra. More than ten decades the KLE Society has been playing a vital role in the academic and socio-economic upliftment of North Karnataka region by imparting education from U.K.G to P.G.

Today KLE Society has emerged into nationally and internationally acclaimed a giant educator organization of more than 270 institutions, 16,000 dedicated faculty serve their best to cater the needs of about 1,25,000 students every year. The courses offered are in Basic Social Science, Management, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training etc. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China, UAE and Zimbabwe. Our beloved Chairman Dr. Prabhakar Kore, Ex. M.P. and Chancellor of KLE University, Belagavi and assisted by the dynamic Board of Management, deserves special acknowledgement for the quantum leaps and spectacular growth that the society has achieved over the last three decades. Among the 1<sup>st</sup> aided HEIs 10 have been accredited at 'A' level. This speaks of the high standards set by our Society in UG education.

### ABOUT COLLEGE :

KLE Society's G.I. Bagewadi Arts, Science & Commerce College, Nipani is a temple of learning. The college was established in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority youth of Karnataka and Maharashtra states. Our college is named after the principle donor late Shri. Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies, in 2010 Commerce, in 2011 Mathematics and in 2018 English P.G Courses are introduced. The college is actively involved in research and extension endeavors. We have 13 Postulates and 6 M.Phil. staff on role.

In the year 2016 our college was accredited in 3<sup>rd</sup> cycle by NAAC at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rani Channamma University Belagavi. Another feather in the cap of our college is recognized as Mentor Institute under the UGC Paramarsh Scheme in 2020.

### ABOUT IQAC

IQAC was established on 1st June 2004 in our college under the direction of NAAC for ensuring quality in academic and administration. It has resulted accreditation by NAAC in the year 2016 at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rani Channamma University Belagavi. Now it is functioning for IV cycle A & A Process. As an IQAC initiative our institution applied for UGC Paramarsh Scheme New Delhi for guiding non accredited institution by NAAC and got sanctioned Rs. 30 Lakh for one year duration. It also organized many national workshops / conferences / seminars.

### ABOUT WORKSHOP

Since 1994 NAAC as an ambassador has been engaged in the process of quality assessment and accreditation of HEIs. However, still some HEIs have not undergone the quality assessment process of NAAC. So UGC has taken initiative to bring every institution under NAAC A & A with minimum 2.5 score through Paramarsh Scheme by 2022. Our institution is recognized as a Mentor for 6 HEIs and enables them to go for accreditation. As a part of this process IQAC of our institution initiates this event under UGC Paramarsh Scheme One Day Workshop on "NAAC Related Quality Enhancement Techniques".

### Objectives

1. To address the quality Enhancement Techniques in mentee institutions.
2. To know the Criterionwise Quality Enhancement Techniques.

### PARTICIPANTS

Registration is free for mentee institutions. For other institutions, Spot registration fee is Rs. 150/-. Please Confirm Participation.

The workshop began with invocation by Shri Shivaling Naik; Dr. [Smt] M. M. Shankrikopp welcomed the delegates. Dr. B. S. Kamble introduced theme of Conference. Dr. V. B. Dharwad and Dr. R. G. Kharabe introduced the resource persons. The keynote was delivered by Dr. V. B. Hiremath, he emphasized on the Quality Enhancement Techniques in HEI's under NAAC new guidelines. Dr. M. M. Hurali was presiding over the function. The workshop was organized in IV sessions.

**Session: I**

**Topic: NAAC Related Tips for online Process**

Dr. V. B. Hiremath Rtd. Principal and NAAC Assessor spoke on the problems arise while institutions preparing for AQAR, registration and uploading data, IQA, FAQ SSR, particularly on ONLINE submission etc presented through NAAC Web Online Portal.

**Session: II**

**Topic: NAAC Related Quality Enhancement Techniques in Criterion: I and II**

Dr. Dharmadikari N. S. analyzed the core values of NAAC assessment and key issues while Quality Enhancement in HEI's. He suggested the mentee institution to follow the principles

of SMART work in NAAC activities. It needs team work and co-operation from all the stake holders, Peon to Principal [P to P] policy rather than Physical stress. ICT Project work, study tour etc are take ways for slow and advanced learners.

### **Session: III**

#### **Topic: NAAC Related Quality Enhancement Techniques in Criterion: III and IV**

Dr. Dharmadikari emphasized on funding agencies, NGOS, GOVT for Research Projects, the publications in UGC Care list etc are aspects for quality enhancement in research publications. Central Govt. provides grants, seed money to establish incubation centre, functional MOUs in the HEIs to bring innovation and Creativity. Geo tagged photos are the best record to claim the marks. Physical and academic infrastructure argumentation ICT facilities are the significant in learning resources.

### **Session: IV**

#### **Topic: NAAC Related Quality Enhancement Techniques in Criterion and V AND VI**

In this session, Dr. Dharmadikari explored the weightage of student progression in terms of placement, higher education, award in sports, cultural activities at national, state and international level etc These extension activities play significant role in quality enhancement. He also emphasized that the HEI's should look into scholarship, free ship, capacity building and skill enhancement programs, redressal cell for student grievance etc which are supportive services. Similarly the participation of management and all stake holders is vital in governance and leadership, Functional bodies. E-Governance students and staff welfare measures, conducting FDP and staff appraisal are the strategies institutions have to adopt for quality enhancement.

### **Session: V**

#### **Topic: NAAC Related Quality Enhancement Techniques in Criterion: VII institutional Values and Best Practices**

Dr. Dharmadikari in his valedictory speech suggested that institutional social responsibilities like promotion of gender, green campus, inclusion and situations, human values and professional ethics. For all these IQAC and Institution have to design the plan. Certificates

## ABOUT K.L.E. SOCIETY

**Dr. PRABHAKAR KORE**, Ex M.P.  
Chairman, K.L.E. Society and  
Chancellor K.L.E. University, Belagavi.

The seven great aspirants of education called "Saptharishis" on 13<sup>th</sup> November, 1916 founded an Anglo Vernacular school in Belagavi to provide basic literacy to children of the farming community of North Karnataka and Maharashtra. More than ten decades the KLE Society has been playing a vital role in the academic and socio-economic upliftment of North Karnataka region by imparting education from UKG to PG.

Today KLE Society has emerged into nationally and internationally acclaimed a giant educational organization of more than 270 institutions, 16,000 dedicated faculty serve their best to cater the needs of about 1,25,000 students every year. The courses offered are in Basic Social Science, Management, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training etc. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China, UAE and Zimbabwe. Our beloved Chairman Dr. Prabhakar Kore, Ex. M.P. and Chancellor of KLE University, Belagavi and assisted by the dynamic Board of Management, deserves special acknowledgement for the quantum leaps and spectacular growth that the society has achieved over the last three decades. Among the 15 aided HEI's 10 have been accredited at 'A' level. This speaks of the high standards set by our Society in UG education.

## ABOUT COLLEGE

KLE Society's G.I. Bagewadi Arts, Science & Commerce College, Nipani is a temple of learning. The college was established in the year 1961 with a

vision to provide quality education for the empowerment of the rural and linguistic minority youth of Karnataka and Maharashtra states. Our college is named after the principle donor late Shri. Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies, in 2010 Commerce, in 2011 Mathematics and in 2018 English P.G Courses are introduced. The college is actively involved in research and extension endeavors. We have 13 Doctorates and 6 M.Phil. staff on role.

In the year 2016 our college was accredited in 3<sup>rd</sup> cycle by NAAC at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rami Channamma University Belagavi. Another feather in the cap of our college is recognized as Mentor Institute under the UGC Paramarsh Scheme in 2020.

## ABOUT IQAC

IQAC was established on 1st June 2004 in our college under the direction of NAAC for ensuring quality in academic and administration. It has resulted accreditation by NAAC in the year 2016 at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rami Channamma University Belagavi. Now it is functioning for IV cycle A & A Process. As an IQAC initiative our institution applied for UGC Paramarsh Scheme New Delhi for guiding non accredited institution by NAAC and got sanctioned Rs. 30Lakh for one year duration. It also organized many national workshops / conferences / seminars.

## ABOUT WORKSHOP

Since 1994 NAAC as an ambassador has been engaged in the process of quality assessment and accreditation of HEIs. However, still some HEIs have not undergone the quality assessment process of NAAC. So UGC has taken initiative to bring every institution under NAAC A&A with minimum score of 2.5 CGPA through Paramarsh.

Our institution is recognized as a Mentor institution for 6 HEIs and to enable them to go for accreditation. As a part of this process IQAC of our institution initiates this Workshop under UGC Paramarsh Scheme on Quality Parameters in Higher Education Institutions

## Objectives

1. To address the quality education in mentee institution.
2. To create awareness about the NAAC revised process.
3. To know the Quality Parameters in Higher Education Institutions

## PARTICIPANTS

Registration is free for mentee institutions. Other institutions registration fee is Rs. 150/-

## OUR SOCIETY

The seven great aspirants of education called "Saptharishis" on 13<sup>th</sup> November 1916 established an Anglo Vernacular School in Belagavi to provide basic education to the children of farming community of North Karnataka and Maharashtra.

Today, KLE Society is known nationally and internationally as a giant educational institute with more than 270 institutions, 16000 dedicated faculty serving their best to cater the needs of about 1,25,000 students every year. The courses offered in multiple disciplines by the Society are Basic Social Science, Management and Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational Training, etc. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China, UAE and Zimbabwe.

Under the dynamic leadership of the great visionary, our beloved Chairman, Dr. Prañakar Kore, M.P. and Hon'ble Chancellor of KLE University, Belagavi assisted by the dynamic Board of Management, Our Society is moving towards world class quality education. The Society deserves special acknowledgement for the quantum leaps and spectacular growth it has achieved over the last three decades. Among the 15 aided HET's 10 have been accredited at "A" level. This speaks of the high standards set by our Society in UG education.

## OUR COLLEGE

KLE Society's G. I. Bagewadi Arts, Science and Commerce College, Nipani was established in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority of Karnataka and Maharashtra states. Our college is named after the principal donor late Shri. Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies, in 2010 Commerce, in 2011 Mathematics and in 2018 English PG courses are introduced. The college is actively involved in research and extension endeavors with 18 Doctorates and 6 M.Phils on roll and 5 faculty members are pursuing Ph.D.

## Internal Quality Assurance Cell

IQAC was established on 1<sup>st</sup> June 2004 in our college under the direction of NAAC for ensuring quality in academic and administration which has resulted in accreditation by NAAC in the year 2016 at "A" level with highest CGPA of 3.35 in the jurisdiction of Rani Channamma University, Belagavi, Karnataka state. Now it is heading towards NAAC 4th cycle A & A process.

## DEPARTMENT OF ECONOMICS

The Department of Economics is one of the oldest departments of our colleges established in 1961 with a course in BA programme having the strength of 9 students and a faculty. Subsequently, a course in BCom programme was started in 1977 with 12 students and one faculty. At present, the department is imparting education to 391 students by two faculty members. The objectives of the courses are to make students to understand the basics of economics through micro and macro theories, enhance the analytical skills through tabular and graphic presentation, unique event elocution competition in association with the Forum of Free Enterprise Mumbai, field survey and report writing, seminars, essay competitions and group discussions. Prof. S. G. Kaikarni was the first head of the department in 1961 followed by Prio. S. G. Karabantanal, Prin. N. Halayya, Dr. A. P. Biradar Patil and Prof. B. R. Patil. At present, Dr. B. S. ## DEPARTMENT OF BOTANY

Ref: E;/E/Eco-club/Ozone 2020-

Date: 16.09.2020

### A Report on One Day National Webinar on Impact of Ozone

IQAC Initiated one day National webinar was organized jointly by the Department of Botany and Eco-club on the eve of World Ozone Day on 16<sup>th</sup> September 2020. The topic of the webinar was "Impact of Ozone". On this special occasion Dr.P.S.Matiwade, Principal Scientist (Agronomy), All India Network Project on Tobacco (AINPT), Agricultural Research Station (ARS), NIPANI had accepted to deliver the talk.

Dr. Matiwade, speaking on the World Ozone, said it is not only the scientist or the government responsible for improving the depletion of the ozone layer and also its impact on crop plants but, it is every one of us must contribute in protecting the ozone layer, thereby our planet. Resource person Dr. Matiwade explained the importance of Tobacco and its alternative plants. He said tobacco apart from containing nicotine a narcotic, it also find its use as cooking oil extracted from seeds of tobacco which is free from nicotine. Tobacco can also be used in some cardiac related medicines.

Vice Principal Dr. R.G.Kharabe, presiding over the function said, during the covid-19 lockdown period the scientists have reported that there is drastic reduction in pollution and the holes in ozone layer have been reduced in size. He said the control measures should be continued to protect the ozone layer till it finds its original state.

Prof. Smt. S.S.Sunna, welcomed all, Dr. Sujata Shiragave introduced the resource person and the vote of thanks was proposed by Prof.Smt. S.B. Patil, the convener of the Webinar. All together, 163 members benefited from the webinar.

#### Out-come of webinar:

1. Webinar created awareness about the world ozone Day celebration
2. The delegates also learnt the impact of ozone on crop plants, specially on Tobacco plant
3. Through webinar it was learnt that tobacco has also its usefulness in food and medicine.

## Placement and training cell

### International Webinar report on "Skill, Reskill And Upskill"

Placement and Training Cell of our College has organized an International Webinar on 'Skill, Reskill and Upskill' on 01-09-2020. In the first session of the webinar Prof. Shankar murthy K N, Placement officer welcomed the delegates, spoke on the objective of the webinar and introduced the Guest Speaker Mr. Hasan Muhaddin Peerzade Founder. Rural Skill Development Institute, Belagavi. Mr. Hasan spoke on "Skilful youth for employment". In his address he emphasized on the essential skills for getting the right job. Reskill and upskilling is also essential time to time to climb the success ladder.

In the second session of the webinar Dr. Worakamol Wisetsri Associate Professor. King Mongkut's University of Technology, North Bangkok, Thailand spoke on "Reskill, upskill & Design thinking in 21<sup>st</sup> Century". She explained that Skill are must for a person to be employed. Every job deserves one or the other skill to secure a suitable job. One has to reskill and upskill at times to grow in the Industry or the market.

An interaction session followed soon after this. Many delegates asked questions on the topic. Dr. B S Kamble, Coordinator of IQAC presented his remarks on the topic. Prof. Sagar Mirajakar presented the vote of thanks. Faculty members, delegates from different parts of the country attended the webinar.

## OUR SOCIETY

The seven great aspirants of education called "Saptharishis" on 13<sup>th</sup> November 1916 established an Anglo Vernacular School in Belagavi to provide basic education to the children of farming community of North Karnataka and Maharashtra.

Today, KLE Society is known nationally and internationally as a giant educational institute with more than 270 institutions, 16000 dedicated faculty serving their best to cater the needs of about 1,25,000 students every year. The courses offered in multiple disciplines by the Society are Basic Social Science, Management, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training, etc. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China, UAE and Zimbabwe.

Under the dynamic leadership of the great visionary, our beloved Chairman, Dr. Prabhakar Kore, M.P. and Hon'ble Chancellor of KLE University, Belagavi assisted by the dynamic Board of Management, Our Society is moving towards world class quality education. The Society deserves special acknowledgement for the quantum leaps and spectacular growth it has achieved over the last three decades. Among the 15 aided HEI's 10 have been accredited at 'A' level. This speaks of the high standards set by our Society in UG education.

## OUR COLLEGE

KLE Society's G. J. Bagewadi Arts, Science and Commerce College, Nipani was established in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority of Karnataka and Maharashtra states. Our college is named after the principal donor late Sini. Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies, in 2010 Commerce, in 2011 Mathematics and in 2018 English PG courses are introduced. The college is actively involved in research and extension endeavors with 18 Doctorates and 6 M.Phil's on roll and 5 faculty members are pursuing Ph.D.

## IQAC

IQAC was established on 1<sup>st</sup> June 2004 in our college under the direction of NAAC for ensuring quality in academic and administration which has resulted in accreditation by NAAC in the year 2016 at 'A' level with highest CGPA of 3.35 in the jurisdiction of Rani Channamma University, Belagavi. Now it is heading towards 4th cycle A & A process.

## DEPARTMENT

The Department of Economics is one of the oldest departments of our college established in 1961 with a course in BA programme having the strength of 9 students and a faculty. Subsequently, a course in BCom programme was started in 1977 with 12 students and one faculty. At present, the department is imparting education to 391 students by two faculty members. The objectives of the courses are to make students to understand the basics of economics through micro and macro theories, enhance the analytical skills through tabular and graphic presentation, unique event elocution competition in association with the Forum of Free Enterprise Mumbai, field survey and report writing, seminars, essay competitions and group discussions. Prof. S. G. Kulkarni was the first head of the department in 1961 followed by Prin. S. G. Karabantanai, Prin. N. Halayya, Dr. A. P. Biradar Patil and Prof. B. R. Patil. At present, Dr. B. S. Kamble is the head of Department with a faculty Prof. M. S. Vanaki with a high quality number of books, paper presentation and member in reputed professional bodies besides visiting as a resource person at various institutions. Both the faculties were served as coordinator to AISHE and NIRF. The department was enriched with a grant of Rs. 1.83 Lakhs from UGC under IX and X plan period for MRP and Rs.60K for national conference.

## KIEF

Karnataka Economic Federation is registered association of Economic Teachers of Karnataka State with its Head quarters at Davangere. It is also registered with Indian Economic Association. It is working for the academic development of the economic teachers and Students across the state by organizing seminar, workshops and publications

## THEME OF WEBINAR

Education technology is combined use of computer hardware, educational theory and practice to facilitate learning and improve user academic performance. There are several discrete aspects of EduTech like theory and Practice of Educational Approaches to Learning Technological Tools and Media [Massive Online Courses, Online Classes, Communication of Knowledge, Development and Exchange], LMS, Education Management Information System, Learning Recording Store, ICT etc. It brings stakeholders of HEI's together in an effective manner. During COVID-19 the vice of EduTech arise in humanities and social science discipline in additions to the technical discipline because of its perpetuate a teacher-led, knowledge based learning, student centered, constructive and progressive approach. It emerges from various disciplines. But, in present academic scenario EduTech skill, crises and responses that need to be address are vast for maintaining and achieving quality education. With this context the Department of Economics jointly organizes an international webinar with the Karnataka State Economic Association

## About Webinar

Women are now the major drivers of economic development of a country. The MDGs, SDGs, New Educational Policy-2020 and various women development commissions, women study centers have indexed women empowerment, gender equality, rights, safety, health, gender inequality, women crimes, gender sensitization, etc., in the measurement of socio-economic and political growth. In spite of the women achievements in various fields during her journey from ancient period to till date, she has crossed roads in the growth process. Hence, probably the World Population Day 2020 has the theme women's safeguard, health and rights. Keeping this view in mind, the department of economics is celebrating WPD by conducting a series of events every year. As a part of this, the department in association with Indian Economic Association is organizing an IQAC initiative one day webinar on 'gender inequality: women safety and rights' the objective of this webinar is to know the gender inequality and women safety and rights

## OUR SOCIETY

The seven great aspirants of education called "Sapthagurushis" on 12th November 1916 established an Anglo Vernacular School in Belagavi to provide basic education to the children of farming community of North Karnataka and Maharashtra.

Today, KLE Society is known nationally and internationally as a great educational institute with more than 270 institutions, 16000 dedicated faculty serving their best to cater the needs of about 1,25,000 students every year. The courses offered in multiple disciplines by the Society are Basic Social Science, Management, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training, etc. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China, UAE and Zimbabwe.

Under the dynamic leadership of the great visionary, our beloved Chairman, Dr. Prabhakar Kote, M.P. and Hon'ble Chancellor of NLE University, Belagavi assisted by the dynamic Board of Management, Our Society is moving towards world class quality education. The Society deserves special acknowledgement for the quantum leaps and spectacular growth it has achieved over the last three decades. Among the 15 aided HEIs it has been accredited at 'A' level. The speaks of the high standards set by our Society in UG education.

## OUR COLLEGE

KLE Society's G. I. Begewadi Arts, Science and Commerce College, Nipani was established in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority of Karnataka and Maharashtra states. Our college is named after the principal donor late Shri. Ganapati Ishwazappa Begewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies, in 2010 Commerce, in 2011 Mathematics and in 2018 English PG courses are introduced. The college is actively involved in research and extension endeavors with 18 Doctorates and 8 M.Phils on roll and 5 faculty members are pursuing Ph.D.

## IQAC

IQAC was established on 1st June, 2004 in our college under the direction of NAAC for ensuring quality in academic and administration which has resulted in accreditation by NAAC in the year 2016 at 'A' level with highest CGPA of 3.95 in the jurisdiction of Rani Chennamma University, Belagavi. Now it is heading towards 4th cycle A & A process.

## DEPARTMENT

In BA programme having the strength of 3 students and a faculty. Subsequently, a course in B.Com programme was started in 1977 with 12 students and one faculty. At present, the department is imparting education to 391 students by two faculty members. The objectives of the courses are to make students to understand the basics of economics through micro and macro theories, enhance the analytical skills through tabular and graphic presentation, unique event allocation competition in association with the Forum of Free Enterprise Mumbai, field survey and report writing, seminars, essay competitions and group discussions. Prof. S. G. Kulkarni was the first head of the department in 1963 followed by P.Vin. S. G. Karantantahal, Prin. N. Halayya, Dr. A. P. Bivadar Patil and Prof. B. R. Patil. At present, Dr. S. S. Kamble is the head of Department with a faculty Prof. M. S. Vanaki with a high quality number of books, paper presentation and member in reputed professional bodies besides acting as a resource person at various institutions. Both the faculties were served as coordinator to AISHE and NIRF. The department was enriched with a grant of Rs. 1.83 Lakhs from UGC under IX and X plan period for MRP and Rs.60K for national conference.

## ABOUT IEA

Indian Economic Association was established in 1917 through a conclave of teachers of Economics held in Calcutta, convened by Prof. C. J. Hamilton. The objectives of the Indian Economic Association are academic, and include (a) the holding of Annual Conferences (b) the publication of the proceedings of the Annual Conferences (c) the publication of a Journal and its free issue to members (d) such other action to promote economic science and the dissemination of economic information as may be deemed advisable. Now, with the growth and spread of Regional Economic Associations in different parts of the country, seminars and conferences on select themes are being organized by the IEA throughout the years in collaboration with the local Associations, Universities and Colleges.

The Association is proud of having as its President, the Nobel Laureate Prof. Amartya Sen and renowned scholars like R.K. Mukherjee, C.N. Vakil, D.R. Gadgil, J.P. Niyogi, V.K.R.V. Rao, B.R. Nairajadappa, Manomohan Singh, C. Rangarajan, V.P. Panchanukhi, Raja J. Chelboi, G.S. Shalla, C.T. Karim, G.K. Choudha, Sukhadeo Tharot Presently Prof. S. Mahendra Dev, Association President, Prof. P. V. Chandramohan, General Secretary & Dr. Anilkumar Thakur, Chief Convenor, of the Indian Economic Association

## ABOUT WEBINAR

Women are now the major drivers of economic development of a country. The MDGs, SDGs, New Educational Policy-2020 and various women development commissions, women study centers have indexed women empowerment, gender equality, rights, safety, health, gender inequality, women crimes, gender sensitization, etc., in the measurement of socio-economic and political growth. In spite of the women achievements in various fields during her journey from ancient period to till date, she has cross roads in the growth process. Hence, probably the World Population Day 2020 has the theme 'Women's Safeguard, Health and Rights'. Keeping this view in mind, the Department of Economics is celebrating WPD by conducting a series of events every year. As a part of this, the department in association with Indian Economic Association is organizing an IQAC initiative one day webinar on 'Gender Inequality: Women Safety and Rights'. The objective of this webinar is to know the gender inequality and women safety and rights.

### Brief report on One Day International Webinar On "Retinal Degeneration"

Department of Botany, Zoology and Science Association of K.L.E.Society's G.I. Bagewadi College, Nipani have jointly organized an international webinar on "Retinal Degeneration" Progressive Neuronal Degeneration-A case of Retinitis Pigmentosa on 10.08.2020. The resource person of the webinar was Dr. Suresh Patil, Scientist, Abbvie, Inc Massachussettes, USA

Dr. Suresh delivering the lecture during the webinar said that Retinal degeneration is the genetical dis-order, which may appear in any age group. It is due to X-linked genes. Initially children with this disorder will have the perfect normal vision, but later they lose their vision progressively turning into blind by the age of 40 to 45 years. This happens because of mutation that causes degeneration of neurons.

Dr. Suresh explained, people with this disease unlike the other blindness, cannot see anything, they are unable to see even light. Rhodopsin proteins are responsible for light perception. They are called photoreceptors. To make it clear Dr. Suresh gave examples of Bull and Tigers and Cats and their behavior in terms of their vision and light perception. Birds, fishes can perceive light better than human eye. Human can perceive only visible part of light whereas birds, fishes can perceive light beyond VIBGYOR.

The function began with the welcome address by Principal Dr. M.M.Hurali, Smt.S.S.Sunnal briefly told about the K.L.E Society, G.I. Bagewadi College & about the webinar and Dr. Smt. Vidya Naik introduced the resource person. Vote of thanks was proposed by Dr. Smt. Sujata Shiragave. This International webinar was benefited by 172 participants from all over the country.

Dr. Ashok P. Giri is currently working in the capacity of Chair and Senior Principal Scientist of Biochemical Sciences Division at CSIR-National Chemical Laboratory (Government of India), Pune, India. He obtained his Ph.D. degree in Biochemistry (1995) from Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, India. His current interest are (i) Molecular plant-insect interactions and (ii) Plant secondary metabolic pathways. He is using omics approaches and validate functional aspects of specific molecules and genes involved in their synthesis. He has been awarded Alexander von Humboldt fellowship and Max Planck Postdoctoral Fellow to carry out research on understanding plant defense mechanism in native plant systems at Max Planck Institute for Chemical Ecology, Jena (2005 to 2007 and 2009) and on grape flavour compounds in Technical University Munich (2014), Germany. He is recipient of Raman Research Fellowship (2011) to work at Weizmann Institute of Science, Rehovot, Israel to study glycoalkaloids metabolism in potato and tomato. In 2010, he visited University of Nebraska, Lincoln, USA under Borlaug International Agricultural Science and Technology Fellowship Program (USDA, USA) to understand and evaluate safety issues of genetically modified plants. He has also served as visiting Scientist at School of Biological Sciences, Washington State University, Pullman, USA from 1999-2001 and 2003 to work on plant defense mechanism and at Plant Research International, The Netherlands from 2001-2002 on flavor compounds and their biosynthetic pathways in strawberry.

He has been recipient of many fellowships, scholarships and awards including Fellow of National of Academy of Sciences, India (2018), Fellow of Maharashtra Academy of Sciences (2013), Scientist of the Year, NCL Research Foundation (2007); Postdoctoral Fellow of International Agricultural Co-operation, The Netherland (2001); McKnight Career Development Program, USA (1999 & 2003); Marathwada Gourav Purskar (2005), CSIR Research Associate (1997), India, etc.

His major research credits include 150-research articles in peer-reviewed journals like *Science*, *Nature Communication*, *Nature Plants*, *The Plant Cell*, *Plant Physiology*, *Plant Biotechnology*, *Plant Molecular Biology*, *Planta*, *BMC Plant Biology*, *Phytochemistry*, *Biochimica et Biophysica Acta*, *Journal of Insect Physiology*, *Insect Biochemistry and Molecular Biology*, *Molecular and Cellular Proteomics*, *Journal of Proteome Research*, *Food Chemistry*, *PLoS One*, etc. He has also published 25-reviews and -chapters in peer-reviewed journals and books. He has 10 international patents (granted and filed) on his credits. He has crossed 5900 citations with *h*-index 39 and *i10*-index 99. He has also been the Convenor or Organizer of various national and international conferences, symposium, meetings and has delivered over 250-invited scientific talks in national and international conferences, workshops, DST-supported inspire camps, etc.

He has supervised work of 10-postdoctoral fellows, 20-PhD scholars, 50 project assistants and over 75 MSc and MTech students during last 19-years at CSIR-NCL. His current group comprise 10-PhD students, 2-postdoctoral fellows, 4-project assistants and 2-MSc intern students.

## **Application of plants' natural defensive proteins in crop protection**

**Ashok P. Giri**

Biochemical Sciences Division, CSIR-National Chemical Laboratory, Pune 411008, India

\*E-mail: ap.giri@ncl.res.in

Natural defence of plants against insect pests exists at multiple levels. The plant protease inhibitors (PPIs) that interfere with insect digestive proteases are considered as natural defence mechanisms that exist in native plants. Several studies using transcriptomics, proteomics and metabolomics identified molecules that play a crucial role in plant protection from invading insect pests. For example, potato inhibitor -II type plant PIs are wound inducible and possess multiple inhibitory repeat domains that can inhibit serine proteases of the insects. Yet, their agricultural ex-vivo application is limited due to large molecular size and environmental instability. In this direction, we have recently demonstrated the protease inhibition potential of linear tripeptides derived from Pin-II family of plant protease inhibitors. These linear tripeptides are smaller in size and have sequence variation while they are limiting at inhibition potential due to enormous conformational flexibility. Further we build upon our prior art by cyclization of these tripeptides reactive centre loop (RCL) for escalating their potency and stability by providing an optimal conformation to the reactive loop. Thus, we have grafted the RCLs onto the chemical scaffold, tris(bromomethyl)benzene to generate bicyclic peptides. We demonstrate grafting of selected short peptides on small molecule scaffold can generate potent and stable protease inhibitors. Our results highlight the importance of targeted reactive loop engineering, as opposed to random screening of cyclic peptides. This provides a basis to develop next generation bio-inspired cyclic peptides for agriculture or medicinal applications.

### "Proteomics: Role of Proteomes in Defense Mechanism"

Department of Botany of K.L.E.Society's G.I. Bagewadi College, Nipani has organized one Day National webinar on "Proteomics: Role of Proteomes in Defense Mechanism" on 08.08.2020. The resource person of the webinar was Dr. Ashok P. Giri, Senior Scientist, Division of Biochemical Sciences, CSIR, National Chemical Laboratory, Pune.

Dr. Giri, delivering the lecture during the webinar said that, plants interact with the insects through chemical language. The study of plant and insect interaction is important as it helps in overcoming the loss or damage of the crop plants. Natural defense of plants against insect pests exists at multiple levels. The plant protease inhibitors that interfere with insect digestive proteases are considered as natural defense mechanisms that exist in native plants. He said studies using transcriptomics, proteomics and metabolomics identified molecules that play crucial role in plant protections from invading insect pests. For example, potato inhibitor -II type plant PIs are wound inducible and possess multiple inhibitory repeat domains that can inhibit serine proteases of the insects. Dr. Giri also explained interaction between the insect *Helicoverpa armigera* and tomato, chick pea plant. Addressing student, he told one should look the problem at broader prospective and understand it and then only it can be solved easily.

The function began with the welcome address by Vice-Principal Dr. R.G. Kharabe, Smt. S.B. Patil briefly told about the K.L.E Society, G.I. Bagewadi College & about the webinar and Dr. Smt. Sujata Shiragave introduced the resource person. Vote of thanks was proposed by Smt. Shilpa Sunal. This International webinar was benefited by 127 participants from all over the country.

## ABOUT NATIONAL WEBINAR

The main theme of our webinar is "MATERIAL CHEMISTRY". Functional materials are building blocks of modern society and play a critical role in the evolution of technology. Materials chemistry is unique in providing the intellectual foundation to design, create and understand new forms of matter, let it be organic, inorganic or hybrid materials. From nanomaterials and molecular devices to polymers and extended solids, chemistry is creating a world of new materials as catalysts, sensors, molecular transporters, artificial scaffolds, molecular filters, and light-emitting or electron-conducting ensembles with the potential for broad scientific and societal impact.

## IOAC INITIATIVE

ONE DAY NATIONAL WEBINAR ON

# “MATERIAL CHEMISTRY” ON 28<sup>th</sup> JULY 2020 ORGANIZED BY THE DEPARTMENT OF CHEMISTRY

### ABOUT K.L.E. SOCIETY

**Dr. PRABHAKAR KORE**  
Former Rajya Sabha Member,  
Chairman, K.L.E. Society and  
Chancellor K.L.E. University, Belagavi.

The seven great aspirants of education called “Saptharishis” on 13<sup>th</sup> November, 1916 founded an Anglo Vernacular school in Belagavi to provide basic literacy to children of the farming community of North Karnataka and Maharashtra. More than ten decades the K.L.E. Society has been playing a vital role in the academic and socio-economic upliftment of North Karnataka region by imparting education from UG to PG. Today K.L.E. Society is emerged into nationally and internationally acclaimed a giant educational institute of more than 270 institutions, 16,000 dedicated faculty serve their best to cater the needs of about 1,25,000 students every year. The courses offered are in Basic Social Science, Management, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training etc. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China, UAE and Zimbabwe.

The great visionary our beloved Chairman Dr. Prabhakar Kore, M.P. and Chancellor of KLE University, Belagavi and assisted by the dynamic Board of Management, deserves special acknowledgement for the quantum leaps and spectacular growth that the society has achieved over the last three decades. Among the 15 aided HEI's 10 have been accredited at 'A' level. This speaks of the high standards set by our Society in UG education.

### ABOUT COLLEGE

KLE Society's G.I. Bagewadi Arts, Science & Commerce College, Nipani is a temple of learning. The college was established in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority youth of Karnataka and Maharashtra states. Our college is named after the principle donor late Shri. Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies new P.G Courses are introduced Commerce in the year 2010, Mathematics in 2011 and English in year 2018. We have 13 Doctorates and 6 M. Phil. staff on role. In the year 2016 our college was accredited in 3<sup>rd</sup> cycle by NAAC at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rani Channamma University Belagavi. Another feather in the cap of our college is recognized as Mentor Institute under the UGC Paramarsh Scheme in 2019.

### ABOUT THE DEPARTMENT

Department of Chemistry was established in 1961. Our department has well equipped laboratories with modern instruments to impart quality education. Our department staff and students have presented ample number of papers in international, national seminars, conferences and also published the papers in many National and International Journals and Proceedings. Three faculties of our department are doctorates. Under UGC funding four Minor Research Projects are completed.

IQAC Initiative Two Days International Webinar On  
"Complex Analysis and Its Applications"  
**22. 07.2020 and 23.07.2020**

**Report**

In the run-up to the IQAC, Department of Mathematics, KLE Society's G. I. Bagewdi College, Nipani, organized Two Days International Webinar On "Complex Analysis and Its Applications". The objective of the webinar served both to disseminate the recent developments in complex analysis and to receive feedback and gather inputs on activities and improvements for future work of the Department.

The first day of the two days webinar – 'Complex Analysis, Special Functions and Integrable Systems' – was held on 22 July 2020, 2:10 PM (IST).

Webinar was started with welcome speech by Dr. R. G. Kharabe, Vice Principal, words of Introduction of Society, College, Department and objectives of webinar were explained by Dr. (smt.) M. M. Shnkrikopp, HOD of Mathematics. Introduction of Resource Person Prof. R. Halburd, University College, London was given by Dr. Ashok Rathod, Convener of the Webinar.

Prof. R. Halburd started his talk at 2.30 pm. He gave a talk on 'Complex Analysis, Special Functions and Integrable System'. In his speech, he discussed, why to study complex

analysis? Branch points, linear ordinary differential equations and hyper geometric equations. Prof. Rod Halburd has gave a special attention the research area, that is Nevaaim Theory using painleve equations and applications of discrete integral equations. Also expressed his views on algebraic functions using special functions and integrable systems.

During interaction many of the participants asked the questions, mentioned two here:

**Q.1** Is counting function exists on upper half plane? **Mahesh Barki, Asst. Prof., Davngeri University, Davangeri**

**Ans:** Have to check the mobius transformation and verify.

**Q.2.** Is any Professor working on Hyperbolic Metric space? By **Prof. S. S. Bhoosnurmath , Karnataka Univesity, Dharwad**

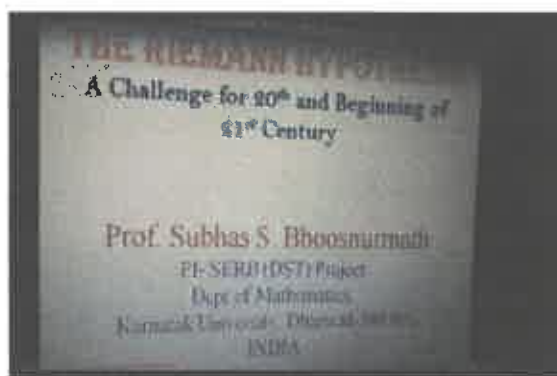

**Ans:** I don't think anyone according to my knowledge.

At the end Miss Girija Karaguppi has given vote of thanks.

**The second day session of the two days webinar – “The Riemann Hypothesis” – was held on 23 July 2020, 11:10 AM (IST).**

Webinar was started with welcome speech and Introduction of Resource Person Prof. S. S. Bhoosnurmath, PI-SEP, DST Project, Karnataka Universty Dharwad, by Dr. (smt.) M. M. Shnkrikopp, HOD of Mathematics.

Prof. S. S. Bhoosnurmath started his talk by 11.25am. In his talk he stressd more on Riemann life history who died in his early age of 39 years and fabulous work he has done only in small tenure

of these years. In his talk, he narrated about zeta function and applications of zeta function in finding sum of terms in infinite series which already Sri Ramanujan got. In his talk he also disussed Why Riemann hypothesis is still open problem, if it is true what are its applications in

number theory, probability and quantum mechanics. After the session many participants interacted with resource person:

**Q.1.:** How to use complex analysis in daily life? **Sri. Vijaya Lamani, KUD**

**Ans:** Solutions of most of differential equations are in terms of complex numbers. Physical nature of our world depends on complex analysis such as quantum theory of Mechanics.

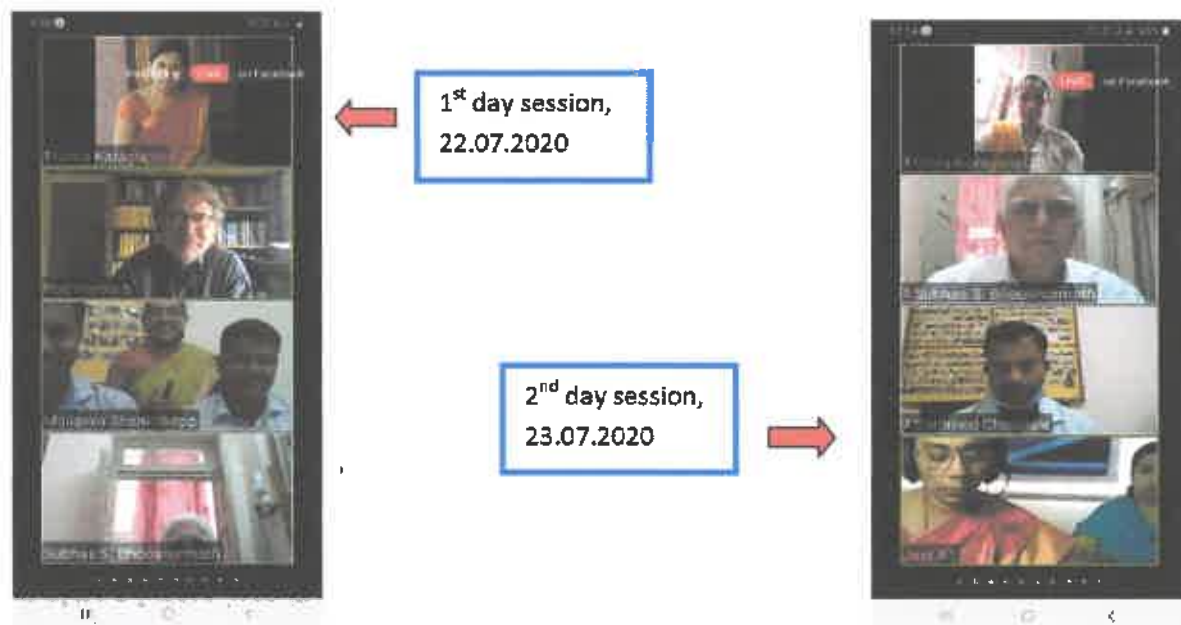

**Q. 2.:** Can you give me some glance of Athiya's work? **Mary Shaila, St. Anne's Degree College for Women, Halasuru, Bangalore**

**Ans:** Athiya was trying to give the technique of Riemann and Euler, there is also another function called  $\varphi$  function which is having properties same as zeta function.

Totally 8 members were interacted with Prof. Bhoosnurmah.

Webinar was conducted on zoom platform and face book live channel. **Totally 508 participants** have registered from different states of India.

At the end, Miss Vinaya Khot has given vote of thanks. Sri Sagar Mirje and Sri. Sammed Chougale compared the desk.

**Output of the Webinar:** Participants came to know about solving of ODE with complex functions and solution of hyper geometric equation. Also by using zeta function we know how to get sum of known series and what are results of Riemann Hypothesis if it is true.

**A REPORT OF  
IQAC INITIATIVE  
One Day National Webinar  
On  
"Solar Physics"  
Organized by Department of Physics  
Date: Friday, 17<sup>th</sup> July 2020**

IQAC Initiative One Day National Webinar on "Solar Physics" Organized by Department of Physics, KLE's G. I. Bagewadi College, Nipani was held on Friday, 17th July 2020. Prin Dr.M.M.Hurali gave welcome speech. Dr R.G.Kharabe HOD of Physics Department, spoke about KLE Society, College & Webinar. Smt. G.M.Madinalli, Convener of the webinar, introduced the resource persons.

**I<sup>st</sup> Session:**

**Resource Person: Prof (Dr). Rajmal Jain**

**FRAS.FGSA, Hon. Scientist,**

**PRL Ahmedabad**

**President IAPT, Gujarat Region**

**Name of the Topic: Solar Influence on the Earth in 21<sup>st</sup> Century**

Dr Rajmal Jain began his talk with how atmosphere on the Earth changes due to global warming. In the earlier days Oxygen content was much more than today. Human activities creating different changes like earth quakes, volcanoes, corona pandemic etc. Further he elaborated how the climates on the earth change due to solar influence by showing graph of temp vs years starting with glaciers age and also how volcanoes are created. He also explained about sun spot cycle are also called weather cycle. Due to high sun spot activity UV radiations emissions are large. In this way he explained solar influence on the atmosphere like increase in the earth quakes, volcanoes etc. Further he also told that increase in floods, Droughts and Tsunamis occur due to sun spot variation. He gave the table showing the comparison between 20th and 21st centuries. Thus he concluded that solar activity is reducing rainfall, more droughts, and due to high cosmic ray flux the magnetic field of the sun and earth is weakening.

**II<sup>nd</sup> Session**

**Resource Person: Dr.P.Sreejith**

**Project Scientist,**

**IUCAA, Pune**

**Name of the Topic: Introduction to Solar Physics**

He begins the lecture with explanation of physics of the sun, sun is our star, and about solar energy .He told that the Sun provides all energy required for day today life on the earth. Then he explained the contributions made by the Galileo Kepler and Einstein and multiwavelength in the stars i.e. spectrum. He told about magnetic activities of the Sun, solar storms, solar flares and solar cycle of the Sun. He shows the massive solar flares reported on the google news. Further he narrated about ISRO's achievement in the study of the Sun launching satellite Aditya L1.It carries instruments like coronagraphmeter, solar UV imaging telescope and solar low energy X-ray spectrometer. Lastly he gave the message by showing fascinating video clip of the interior of the Sun like Nuclear fusion and magnetic field passing carona surface of the sun. At the end the interaction session with delegates was held.

Lastly Smt. G.M.Madinalli, Convener of the webinar proposed the vote of thanks. Total 504 delegates participated with enthusiasm in the National Seminar.

**Dr. Prabhakar Kore, MP**  
Chairman, KLE Society and  
Chancellor KLE University, Belagavi.

The seven great aspirants of education called Saptarishis on 13th November, 1916 founded an Anglo vernacular school in Belagavi to provide basic literacy to children of the farming community of North Karnataka and Maharashtra. More than ten decades the KLE Society has been playing a vital role in the academic and socio-economic development of North Karnataka region by imparting education from UG to PG.

Today KLE Society is emerged into nationally and internationally acclaimed a giant educational institute of more than 270 institutions, 16,000 dedicated faculty serve their best to cater the needs of about 1,25,000 students every year. The courses offered are in Basic Social Science, Management, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training etc. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China, UAE and Zimbabwe. The great visionary our beloved Chairman Dr. Prabhakar Kore, M.P. and Chancellor of KLE University, Belagavi and assisted by the dynamic Board of management, deserves special acknowledgement for the quantum leaps and spectacular growth that the society has achieved over the last three decades. Among the 15 aided HEIs 10 have been accredited at 'A' level. This speaks of the high standards set by our Society in UG education.

**About College**

KLE Society's G. I. Bagewadi Arts, Science & Commerce College, Belagavi is a temple of learning. The college was established in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority youth of Karnataka and Maharashtra states. Our college is named after the principle donor late Shri Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies, in 2010 Commerce, B. Com, Mathematics and in 2018 English P.G Courses are introduced. The college is actively involved in research and extension endeavors. We have 14 Doctorates and 6 M. Phil. staff on role and 5 staff members are pursuing Ph.D. Our institution is recognized as mentor institute under UGC PARAMARASHI SCHEME for mentoring for non accreditation institutions by NAAC.

**About IQAC**

IQAC was established on 1st June 2004 in our college under the direction of NAAC for ensuring quality in academic and administration which has resulted accreditation by NAAC in the year 2016 at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rani Chennamma University Belagavi. Now it is functioning for 4th cycle A & A Process and recently NAAC has mentioned one national level conference on Revised NAAC

COVID -19 is belongs to Corona family. The first case was confirmed in Wuhan city of China in 30th December 2019 and spreading across the world. As on 5<sup>th</sup> May 2020 recorded more than 35,96,473 confirmed cases and 2,49,486 deaths in the world. Now USA, China, France, Italy and Spain are the COVID-19 hot spot nations in the world. In India the first case was confirmed in Kerala on 1st January 2020 and more than 44,358 cases confirmed and 1513 deaths by 5th May 2020. Maharashtra, Delhi, MP, Gujarat, TN, Rajasthan states are in the hot spot-Red zone category.

Toady most of the COVID-19 infected countries learned that there is no vaccine for it. So they have taken major steps to prevent it are lockdown, social distance, use of mask and sanitization and rise the immune system by changing the life style and revival the economy. The lock down at Global and national level impacts on social, economic and political fields in terms production, employment, income, logistic, industries, banking and insurance, individual life consumption Saving and Investment, food securities, migration of labor, education system, health infrastructure, administration and GDP. It leads to slowdown in turn leads to financial and economic crises and emergency, it hits and made miserable and deplorable life of the people in the country. Therefore at global and residential level every nation has been taken various measures in protecting the lives of the people and revival of the economy. In India three phase steps have been taken as Lock down 1,2,3 have completed and now 3,0. Lockdown is announced in the country for economic revival by considering the type of COVID-19 infected zone. Lock down is costly right now in India but compared to lives of the people is nothing in terms of cases confirmed, recovery and deaths in other countries. We read and heard the earlier epidemics but now we are suffering and paining from this deadly virus which made us to learn and analyse with the live incidences at micro and macro level in their own regions. This is almost war against the COVID-19 for protecting mankind and revival of the economy. With this context IQAC of our institute initiates this conference and plan to bring conference proceedings in the form of ISBN book volumes. It will becomes documentary.

## About K.L.E. Society

**Dr. Prabhakar Kore, MF**  
Chairman, K.L.E. Society and  
Chancellor K.L.E. University, Belagavi.

The seven great aspirants of education called "Saptharishis" on 13<sup>th</sup> November, 1916 founded an Anglo Vernacular school in Belagavi to provide basic literacy to children of the farming community of North Karnataka and Maharashtra. More than ten decades the KLE Society has been playing a vital role in the academic and socio-economic upliftment of North Karnataka region by imparting education from UG to PG.

Today KLE Society is emerged into nationally and internationally acclaimed a giant educational institute of more than 270 institutions, 16,000 dedicated faculty serve their best to cater the needs of about 1,25,000 students every year. The courses offered are in Basic Social Science, Management, Tourism, Hotel Management, Engineering and Technology, Nursing Pharmacy, Dental, Medical Sciences, Educational training etc. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China, UAE and Zimbabwe. The great visionary our beloved Chairman Dr. Prabhakar Kore, M.P. and Chancellor of KLE University, Belagavi and assisted by the dynamic Board of Management, deserves special acknowledgement for the quantum leaps and spectacular growth that the society has achieved over the last three decades. Among the 15 aided HEI's 10 have been accredited at 'A' level. This speaks of the high standards set by our Society in UG education.

## About College

K.L.E Society's G. I. Bagewadi Arts, Science & Commerce College, Nipani is a temple of learning. The college was established in the year 1961 with a vision to provide quality education for the

empowerment of the rural and linguistic minority youth of Karnataka and Maharashtra states. Our college is named after the Principal donor Late Shri. Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies, in 2010 Commerce, in 2011 Mathematics and in 2018 English P.G Courses are introduced. The college is actively involved in research and extension endeavors. We have 15 Doctorates and 5 M. Phil. staff on role and 5 staff members are pursuing Ph.D.

## About IQAC

IQAC was established on 1<sup>st</sup> June 2004 in our college under the direction of NAAC for ensuring quality in academic and administration. It has resulted accreditation by NAAC in the year 2016 at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rani Channamma University Belagavi. Now it is functioning for 4<sup>th</sup> cycle A & A Process. As an initiative of IQAC our institution applied for UGC Paramarsh Scheme New Delhi for guiding non accredited institutions by NAAC and got sanctioned Rs.30 lakh for one year duration. It also organized many national workshops /conferences/seminars.

## About Workshop

Since 1994 NAAC as an ambassador has been engaged in the process of quality assessment and accreditation of HEIs. However, still some HEIs have not undergone the quality assessment process of NAAC. So UGC has taken initiative to bring every institution under NAAC A & A with minimum 2.5 score through Paramarsh Scheme by 2022. Our institution is recognized as Mentor for 6 HEIs and enables them to go for NAAC accreditation. As a part of this process IQAC of our institution initiates

this event with an Inauguration of UGC-Paramarsh Scheme and workshop on NAAC guidelines.

## Objectives

1. To address the quality education in Mentee institutions
2. To create awareness of the NAAC revised guidelines for A&A process
3. To know the action plans of mentor institution for mentees.

## Participants

All the faculty of Mentor and Mentee institutions and other institutions can register their participation. There is NO registration fee.

## Mentee Institutions under UGC-Paramarsh Scheme

1. K.L.E.Society's College of Education, Nipani.
2. K.L.E.Society's BCA College, Nipani.
3. K.L.E.Society's BBA College, Nipani.
4. K.L.E.Society's College of Education. Athani.
5. K.L.E.Society's SSMS BCA College, Athani.
6. Dr. Babashab Ambedkar Education Society B. Shankaranand Arts and Commerce College, Kudachi.

UGC PARAMARSH SCHEME

**INAUGURATION OF UGC PARAMARSH SCHEME**

**REPORT ON FIRST ONE DAY WORKSHOP Date: 06.03.2020**

**Theme: NAAC Related Quality Enhancement Techniques**

**Inauguration**

Under UGC Paramarsh Scheme one day workshop was organized on 06.03.2020. The objective of this workshop was to inaugurate the UGC Paramarsh Scheme 2019-20 and to create awareness of the Revised NAAC Guidelines 2020 amongst the six aspirant mentee institutions. It began with invocation. Dr. R. G. Kharabe, Convener and Vice-Principal welcomed the delegates, Dr. B. S. Kamble IQAC Co-ordinator in his introductory speech appealed the mentee institutions to go for A and A by 2022 with minimum 2.5 CGPA. Dr. [Smt] G. A. Chougala and Dr. [Smt] M. M. Shankrikopp introduced the resource persons. Shri Praveen Bagewadi Member, BOM, KLE Society, Belagavi addressed the delegates and said that HEI's are in need to increase quality and appealed Mentee institutions to get benefit from this workshop. Dr. C. V. Koppad gave presidential remarks. The workshop was organized in four sessions. 170 participants were present in this event.

**Session: I Revised Guidelines of NAAC**

Dr, D. K. Kamble, NAAC Assistant Advisor, Bengaluru was the inaugurator and key note speaker. Dr. D. K. Kamble in his key note address highlighted on the importance of the accreditation of non-accredited institutions. He also analysed the NAAC Revised Guidelines effective from January, 2020.

Principal and President Dr. C. V. Koppad spoke on the significance of the Paramarsh Scheme in HEIs. The session concluded with vote of thanks by Dr. A. S. Jaganure.

### **Session: II-Paramarsh scheme and activities in HEIs**

Dr. Girish Kalyanshetti, Dean Academics and IQAC Co-ordinator of S.G.M. College, Karad, Maharashtra addressed the delegates of the mentee institutions about the Paramarsh Scheme and also introduced the benefits of Paramarsh to mentee and mentor institutions.

He highlighted on the NAAC Assessment Process and Assessment Outcomes.

### **Session: III-Preparation of SSR**

In the third session Dr. M. B. Kothale, NAAC Assessor and Accreditation Ambassador delivered a talk on Higher Education System in India and also on preparation of SSR for all the mentee and mentor institutions.

### **Session: IV- Interaction and Certificate Distribution**

In the Valedictory function Chief Guest Dr. M. B. Kothale advised the mentor institutions to organize conferences, training programmes in the mentor college and all mentee institutions to participate and cooperate in quality improvement and enhancement process.

He also informed that the guest lectures will also be organized in mentee colleges and the cost is born from Paramarsh Scheme Grant. The president of the function Dr. C. V. Koppad said that UGC Paramarsh Scheme indirectly helps the mentee institutions by providing grant to A grade institutions. The workshop concluded with the vote of thanks by compeering desk Shri R. K. Mulla and Shri Salman Maner.

### Report on

## One day self-funding National Conference on "Concepts of Green Chemistry and Applications of Spectroscopic Methods in Chemistry"

Department of chemistry organised an One day self-funding National Conference on "Concepts of Green Chemistry and Applications of Spectroscopic Methods in Chemistry" on 14/02/2020 at Golden Jubilee hall. The Conference aims at design of chemical products and processes that reduces and eliminates the use or generation of hazardous chemical substances.

Spectroscopy play vital role for spectral analysis of unknown organic compounds and their functional groups to characterization and establishment of its structure. Objective of the conference is to bring intellectual chemists to share their ideas, views and experiences and come out with innovative results.

Inaugural and key note address was delivered by Dr. J Manjanna. Chairman, Department of Chemistry, Rani Channamma University, Belagavi.

Dr. Bharati V. Badami, Rtd, Professor in Chemistry, Karnatak University Dharwad and Dr. G. S. Rashinkar, Professor in Chemistry, Department of Chemistry, Shivaji University, Kolhapur were the resource persons.

Valedictory function's Chief Guest was Dr. Basavaraj Padmashali, Registrar, Rani Channamma University, Belagavi.

Shri. Praveen A. Bagewadi, Member, Board of Management, KLE Society Belagavi, and Rank Holders of our college were felicitated in this conference.

Dr. C. V. Koppad, the principal, was the president of the conference Dr. A. S. Jaganure, Convener, Dr. S. B. Solabannavar, Organizing Secretary, Prof. G. B. Kumbar, Joint Secretary and other staff members were present on the occasion.

205 delegates were actively participated which includes 20 students and 10 delegates from Maharashtra state and 130 students and 45 teacher delegates from Karnataka. In all fifty papers were presented and exchanged their views by both students and teacher delegates on different themes of conference. Dr. A. S. Jaganure, Convener proposed vote of thanks.

## Enlightenment

(A One Day Workshop on Language Skills and Life Values)

Date: 11<sup>th</sup> October, 2019

### Report

As an initiative of IQAC, the department of English organized a one day workshop on **Language Skills and Life Values** on 10<sup>th</sup> October, 2019.

The college invited various resource persons to participate in the workshop. The inauguration session incepted with welcome speech by the HOD Prof.R.K.Mulla and Prof.Suveda Kakade introduced the chief guest Dr. Gurudevi U. Huleppanavarmath.

The tradition continued in the form of lighting the lamp by the dignitaries and respecting the dignitaries with flowers. It was followed by the address of retired English professor Dr.R.Y.Chikodi.

Later keynote address by the chief guest ripened the inauguration function with her electric and enthralling verbal effect on the students.

Dr.C.V.Koppad presided over the function. The coordinator of IQAC Dr.B.S.Kamble was also on the stage. Eventually, Prof. Satish Kamble proposed vote of thanks to all the attendees.

Dr.G.U.Huleppanavarmath, the chief guest, is lighting the lamp to give a green signal to the workshop along with delegates and students.

Dr.G.U.Huleppanavarmath is addressing the students regarding the importance of English language and developing good personality for better future.

Dr.R.Y.Chikodi is addressing all to inculcate creative methods of teaching that impart life values.

Principal Dr.C.V. Koppad is emphasizing teaching must be unique, creative and inspiring.

## The workshop was divided into four technically active sessions.

### The First Session

The first of them was run by Dr. Gurudevi U. Huleppanavarmath pertaining to life values. In this session activity based handouts were distributed among the students. All the students took very mercurial part as it was based on activities relating to personality development and language skills. This helped students to improve their decision making skills and ability to think critically and analytically well for better life.

Dr. Gurudevi U. Huleppanavarmath is interacting with students during the icebreaking activities.

The ice-breaking activity had a question "What are the important things do you take away from your house when your house is on fire and no longer than 10 minutes you can stay inside of your house?"

### The Second Session

In the second session Prof. Sarika Nagare delivered a lecture on building vocabulary in various ways. To boost the interest of the students, she infused some activities to support her stances. Use of overhead projector also made a difference in this session. Students were immersed themselves deeply in joyous activities. Overall response was positive during this session.

Prof. Sarika Nagare is guiding the students 'how to improve vocabulary to achieve command over English language'.

### **The Third Session**

In the third session, Prof. Girijashankar Mane shared plenty of innovative techniques to improve writing skills with students. The video clips and images displayed with the help of overhead Projector helped students to learn effectively. He discussed various types of academic writings such as letter and job application, etc... He motivated students and faculty members to inculcate the skills of flawless writing.

**Prof. Girijashankar Mane is delivering a lecture on methods or techniques to improve writing skills.**

### **The Fourth Session**

In the last technical session, Prof. Sudhir Shandage explained the elements of Phonetics. It was the most practical and active session of the day. He emphasized on articulation, intonation, pronunciation and stress patterns for better sounding English. Students were taken an active part in the interaction with him and visuals shown by him were impressive to all the students. Overall, it was of a great piece of profit for students.

**Prof. Sudhir Shandage is delivering a lecture on elements of Phonetics and how to sound like a native English speaker.**

## The Valedictory Session

In the valedictory session the vice-principal Dr.R.G.Kharabe was the president of the session. Some of the students shared their experiences about the workshop with the audience and resource persons. Mainly Ananya Joni, Vinayak Patil and Asma Multani shared their experiences. Students insisted the resource persons to visit again to the college with further academic friendly approaches of this kind. Around 160 PG and UG students and lecturers were benefitted from this particular workshop.

Ananya Joni is sharing her views on the workshop.

Vinayak Patil is sharing her views on the workshop.

Asma Makandar is sharing her views on the workshop.

All the B.Sc students are hereby informed that Self Financed One Day National Level Seminar on "MISSION CHANDRAYANA" in Association with Department of Physics. Seminar will be held on 14<sup>th</sup> September 2019

**Dr. Vishnupant Misale, Former Scientist & Group Director of ISRO, Bangalore** will be the Chief Guest and will deliver a talk on "MISSION CHANDRAYANA".

On this occasion A Inter-Collegiate Paper Presentation Competition is also organized for the students on the following sub themes:

- 1) Bibliography of Dr. Vikram Sarabhai
- 2) Contribution of Dr. Vikram Sarabhai to Space Science
- 3) Moon Exploration
- 4) Future prospects of Chandrayana
- 5) The Journey of ISRO and its Future Aspects

Mode of Presentation is Power Point. Best Three papers will be awarded with prizes and cash/money.

Last date of submission of paper with abstract is 12<sup>th</sup> September, 2019 to the Class Representatives.

## ABOUT THE KLE SOCIETY:

Dr. Prabhakar Kore, M.P.  
Chairman, KLE Society and  
Chancellor, KLE University Belagavi

The KLE Society was established in 1916. It has been playing a vital role in the academic and socio-economic upliftment of North Karnataka region by imparting education at every level of learning ranging from KG to PG. Now it has expanded its realms of activity to international level too. At present as many as 265 institutions, 16000 dedicated staff serve their best to cater the needs of about 125000 students every year. The courses offered are in Basic, Social & Management Sciences, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental and Medical Sciences, Educational training among others. KLE Society's institutions of higher education are spread across the country. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China and Zimbabwe, apart from many national institutes of repute. Another milestone in the hallowed path of growth of the society is that the medical and allied institutes have been brought under the umbrella of KLE University.

The great visionary, our beloved Chairman Dr. Prabhakar Kore, M.P. and Chancellor of KLE University, ably assisted by the dynamic Board of Management, deserves special acknowledgement for the quantum leaps and spectacular growth that the society has achieved over the last three decades.

Among the 15 aided HEI's 10 have been re-accredited at 'A' level. This only speaks of the high standards set by our society in basic degree education field. Now these institutions are due for 4<sup>th</sup> cycle of accreditation.

## ABOUT COLLEGE:

KLE Society's G.I. Bagewadi Arts, Science and Commerce College, Nipani is a temple of learning established in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority youth of Karnataka and Maharashtra states. Our college is named after the principal donor late Shri. Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies, in the year 2010 PG course in Commerce, in 2011 P.G Course in Mathematics & MA in English in the 2018 are introduced. The college campus is spread over an area of 11 acres. The college is actively involved in research and extension endeavors. We have 16 doctorates Qualified staff on role.

In the year 2016 we are re-accredited by NAAC at 'A' level highest CGPA of 3.35 amongst Rani Channamma University jurisdiction. Our campus is eco-friendly with solar energy harvesting, lush green gardens encompassing the elegant structure, providing serene atmosphere.

## PHYSICS DEPARTMENT:

Department of Physics is working since inception. Our laboratories are well equipped with CROs, Temp control Furnace, Solar Cell, Spectrometers, Signal generators, DPM, Digital Balance, G.M. Counter, Astronomical Telescope, Digital Vernier calipers & Micrometer Screw Gauge etc. In the department one faculty member is having doctorate and have good number of publications in national and international peer reviewed journals.

The department has four MRP's to its credits, thanks to UGC for funding. One of our staff member participated and presented a paper in the International Conference (ICMAT-2009) held at Suntec, Singapore. One of our student has completed a VGST funded project and won the best poster award at 27<sup>th</sup> National Convention of Metallurgical & Materials Engineers on Material Science.

## ABOUT SEMINAR:

Moon is the Earth's Natural Satellite. It influence on Earth's cycles notably tides has been charted by many cultures in many ages. From Earth we always see the same face of the Moon because the Moon is spinning on its axis at same speed that is it is going around the Earth that is in synchronous rotation with Earth. It is the fifth-largest satellite in the solar system.

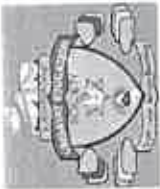

On 17<sup>th</sup> September 1959 first spacecraft to reach Lunar surface & in 1966 first spacecraft to land on the Moon by Russia. Neil Armstrong & Buzz Aldrin were the first men to reach the Moon in 1969.

Chandrayaan I mission was successful in the year October 2008. India is the 4<sup>th</sup> country to hoist a flag on the Moon's surface. It has discovered the existence of water contents on the surface of the Moon. Now Chandrayaan II mission started on July 22<sup>nd</sup> 2019. The main purpose of this mission is to study about the map, location & abundance of water, Moon's atmospheric minerals, temperature & to explore the south pole of the Moon. On August 15, 1969 ISRO was established. Since its inception it has launched 297 satellites and 39 PSLV Rockets.

Vikram Sarabhai (1919- 1971) was an Indian Scientist, Physicist & Astronomer. He was honored with Padma-Bhushan in 1966 & Padma Vibhushan in 1972. Sarabhai started a project for the fabrication & launch of an Indian satellite. As a result the first Indian Satellite, Aryabhata, was put in orbit in 1975 from Russian Cosmo drone. He was the founder of Indian Space Research Organisation (ISRO).

This Seminar will feature technical sessions addressing the strategies & challenges of human on the Moon. Keynote presentation & sessions will discuss concrete mission scenarios, & provide an opportunity for exchange of ideas.

**A BRIEF REPORT ON WORKSHOP ON  
“INTERVIEW SKILLS AND PERSONALITY DEVELOPMENT”**

**Held on 02<sup>nd</sup> April, 2019**

**Venue Golden Jubilee Hall**

Aiming to provide an intense training for facing Interviews and grooming of personality development at undergraduate and post graduate level for our college students, a one-day workshop on “**Interview Skills And Personality Development**” held during April 2, 2019 at KLE Societies G.I. Bagewadi Arts, Commerce and Science College, Nipani Campus, Training and Placement Cell of the college hosted the event.

**Dr. Vidya Naik** welcomed the gathering and introduced the resource persons in brief, soon after guests are presented bouquets as a token of love and respect.

**Prof. Sagar Miraje**, Training and Placement officer, highlighted the significance of workshop on “**Interview Skills And Personality Development**” and spoke about efforts and working of Training and Placement Cell.

**Speaking on the occasion, Mr. Manjunath Katenhalli**, Senior trainer at Deshpande Foundation, Dharwad said” With domain knowledge in your respective streams you need to possess the knowledge and skills to face interviews. Candidate’s resume may give interviewers an overview of his/ her background and skills, but the selection is largely based on interpersonal skills to get acute insight on the candidates thought process. Qualification for a position is important, the ability to adjust to company culture is crucial. A well-adjusted candidate is a sign of optimal productivity. The best way to assess this is to get a sense of personality. Thus, the more personable the candidate is, the better is his/her chances of being selected for the job.

Body language is the first thing that can set the base in an interviewer’s mind. The way candidates carry themselves is a dead giveaway on how much they take life into account. Etiquettes matter a lot. They are an insight into how the candidate is, as a person, and how he/she treats fellow humans. Misnomer or any ulterior thoughts in mind can be detected easily through the body language and etiquette, creating mistrust in the mind of the interviewer and may cost the candidate to lose out.

Another key is to connect with interviewer, for which again, you need interpersonal skills. Personality Development increases your intuitive skills, helping you gauge the right thing to say at the moment. The candidate’s physical appearance and ability to handle himself / herself during the questioning will create a persona in the interviewer’s mind and be the focal factor in decision-making process.

It is important to realize that the essence of Personality Development lies in its ability to sharpen skills dealing with interaction- both verbal and

physical. Hence, you can understand the importance of interpersonal interactions, so much so that leading organizations spend a considerable amount of their team development budget on interpersonal skill development classes.

**In a nutshell, personality is instrumental in helping us climb the peak crown of success”.**

**Addressing to students Mr.Arun Angadi, Deputy Manager HR and Promotions, Deshpande Foundations said” Cracking interview needs study and gave tips on some basic and most commonly asked questions to be answered like**

**#1 Tell me about Yourself?**

From freshers standpoint, we just expect you to introduce your name, highest qualification, strengths, hobbies, significant achievements(academics/sports/etc.) and your career ambition and your favourite quotation, if any that will help us understand what kind of an individual you are. Make sure you have a very confident & polite tone and focus into the recruiters eyes. †

**#2 What is your strength?**

You can discuss about any of the traits discussed in Personality Development (PD) web page. Make sure you use some stories, quotes described in blog web page to create a strong impact on the interviewer.

**#3 What is your weakness?**

As a thumb rule, you should never discuss your weakness to anybody. You should probably tell them to find it themselves and let you know so that you may improve on the same, as you never thought about it till date. You may politely let them know that you can share some significant strengths about yourself if they wish to know. In case they still insist , you should try saying about some weakness which is actually a strength from their point of view. Ex- I am too focused at my work, that sometimes i tend to skip my lunch, not very often though as i am mostly good at my time management & planning.

**#4 Can you tell me something about any recent movie you watched?**

In this scenario, you are expected to describe about any movie that has a moral, you just need to focus on the content of the movie and display a clear and confident tone. Do ensure you explain the objective that the director wanted to convey to the people through his movie. Its purely to check your communication skills.

**#5a) Imagine an electric train moving from “East” to “West”, in case if it emits smoke what’s the direction in which the smoke will travel?**

Any guesses. Any trials ... The answer is "Well, i would love to answer this question, if an electric train emits some smoke!!! Remember electric train runs on electricity and doesn't emit any smoke.

**#5b)** Imagine you are participating in a running race and you overtake the second person in a race what's your position now?

Most of them answer it as "first" because subconscious state of mind generally registers first comes before second, however this is incorrect because in a race if you overtake the second person you will take his place which means "second".

**#5c)** Rita and Sita are born to the same parents, at the same time on the same date. They both look alike with no differences at all. They joined the same school and Teacher asked them if they were twins? To this question they replied that they were not twins? What could be the answer?

We are checking your out of box thinking capability here. The answer is they are not twins because they are triplets.

**#6** *How would you define Growth?*

It's a positive feeling. It could be in terms of knowledge, constant learning or work enlargement. Real growth is when you start checking and correcting yourself. Strength & growth come only through continuous effort and struggle.....Napoleon Hill

**#7** *Why do you think I should hire you?*

You should ensure to speak something about the skills we discussed in PD(web page), which of the traits best describes your personality, represent that trait with true spirit. Try to understand the Job Description(JD) & once you have this first hand information try talking about some specific skill set that recruiter is looking for which is readily available in the JD.Ensure you don't talk about the trait you actually don't possess. This can back fire you.

**#8** *Tell me something about your most significant achievement in your life till date?*

You should talk about some challenging situation in life and how did you face it. This should ideally describe your capability like completing huge tasks on time by stretching at work when your project deadlines arrived close by, may be talk about how do you handle situations under huge pressure, etc.

**#9** *What do you understand by Job Satisfaction?*

Anything that you love doing and it should allow you to enter into one of the most creative periods of your life.Not everyone gets an opportunity to do what they love doing. You got to find what you love. Remember,"Your work is going to fill a large portion of your life and the only way to be truly satisfied is to do what you believe is great work. And the only way to do great work is to love what you do."

**#10 Where do you like to see yourself in the next 5 Years?**

You should be talking about doing something productive and creating some value to the system. Ensure you give genuine timelines, or as per company policy, if you are aware of it. I would give my best and try competing with myself. Every day I try to improve my performance from the previous day to the present, basis my hard work I will be happy wherever I am because I know, above all the sky is the limit. This is the best way to deal with this question.

**Speaking about Personal grooming for interview** Mr. Vikas Koravar, Program associate for personality development, Deshpande Foundation discussed about Dressing cloths, wearing styles, wearing perfumes, Hair grooming, personal Hygiene etc

**Presidential remarks were given by Dr.M.B.Kothale, Principal** in which addressed students to make most out of the workshop as it will help them to boost and make their career in future.

**Vote of thanks where conveyed by Prof. Sourabh Vairat** as a part of gratitude and concluded the workshop

## ABOUT K. L. E. SOCIETY

**Dr. Prabhakar Kore, MP**  
Chairman, K.L.E. Society  
and Chancellor, K. L. E. University,  
Belagavi.

The KLE Society was founded in 1916. It has been playing a vital role in the academic and socio-economic upliftment of North Karnataka region by imparting education at every level of learning ranging from KG to PG. Now it has expanded its realms of activity to international level too. At present as many as 256 institutions, 16,000 dedicated staff serve their best to cater the needs of about 1,25,000 students every year. The courses offered are in Basic, Social & Management Science, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training, among others. KLE Society's institutions of higher education are spread across the country, and now, an International School of the global standards has been established in Dubai. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China and Zimbabwe, apart from many national institutes of repute. Another milestone in the medical and allied institutes have been brought under the umbrella of KLE University.

The great visionary, our beloved Chairman Dr. Prabhakar Kore, M.P. and Chancellor of KLE University, able assisted by the dynamics Board of Management, deserves special acknowledgement for the quantum leaps and spectacular growth that the society has achieved over the last three decades. Among the 15 aided HEI's, 10 have been accredited at 'A' level. This only speaks of the high standards set by our Society in basic degree education field.

### ABOUT THE COLLEGE

KLE Society's G.I. Bagewadi Arts, Science & Commerce College, Nipani is a temple of learning founded in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority youth of Karnataka and Maharashtra states. Our college is named after the principal donor late Shri. Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate studies, in the year 2010 PG course in Commerce, in 2011 P.G. Course in Mathematics and in 2018 PG in English are introduced. The college campus is spread over an area of 11 acres. The college is actively involved in research and extension endeavors. We have 13 doctorates and 7 M. Phil, qualified staff on role.

In the year 2016 our college was accredited in 3<sup>rd</sup> cycle by NAAC at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rani Channamma University Belagavi. Our campus is eco-friendly with solar energy harvesting; lush green gardens encompassing the elegant structure, providing serene atmosphere, digi-campus and ITC application in teaching methodology. Another feather in the cap that the college is recognized as the College with Potential for Excellence (CPE) status during 2016.

## BOTANY DEPARTMENT

Department of Botany was established in 1961. Our department has well equipped laboratory with modern instruments. Staff and students of the department have presented number of papers in international, national seminars/conferences and also published the papers in many journals and proceedings. Department has Ph.D., SLET and M. Phil qualifiers who are always actively engaged themselves with students and project works. Department offers two certificate courses for the benefit of the students.

### ABOUT THE CONFERENCE

The conference is aimed to cover the contemporary research in the broad areas of plant science such as biotechnology, tissue culture, environmental science, crop management, phytochemistry, taxonomy, herbal medicine, nanotechnology, microbiology etc., so as to provide a common platform for the exchange of most recent discoveries and developments in the field of plant science and their applications for the progress of the society. The primary objective of the conference is to assemble young researchers of multidiscipline of life science, chemical science, and to take up the challenging areas with an aim of practical applications useful for the benefit of mankind.

### SUB THEMES

Biotechnology, Nanotechnology, Microbiology, Environmental science, Phytomedicine/ biomedicine, Tissue culture, Taxonomy, Crop science, Biochemistry, Green synthesis, Biophysics and Related Topics.

### CALL FOR PAPERS

Research papers are invited from the academicians, faculty and students on the sub themes for presentation. Selected papers will be published in proceedings with ISBN.

### FORMAT FOR PAPER SUBMISSION

1. The abstract should not be more than 300 words.
2. It should be submitted in MS-Word 2003 or 2007 with Times New Roman, Font size 12 and 1.5 spacing. The margin should be 1" from all sides.
3. Poster size 1 m x 1 m.
4. Last date for abstract / paper submission is 10<sup>th</sup> March 2019.
5. Soft copy of Abstract and paper should be mailed to [klegibnbotany@gmail.com](mailto:klegibnbotany@gmail.com)
6. Best poster/paper will be awarded.

### REGISTRATION DETAILS

Faculty	: Rs. 500/-
Research Scholars	: Rs. 300/-
UG & PG Students	: Rs. 200/-

Payment should be made through NEFT transfer. Authors and Co-Authors individually must be registered for acceptance of papers for presentation. The last date for Registration is 12<sup>th</sup> March 2019.

### Brief Report on the Conference on Recent Trends in Plant Science

The National conference "Recent Trends in Plant Science" is aimed to cover the contemporary research in the broad areas of plant science such as biotechnology, tissue culture, environmental science, crop management, phytochemistry, taxonomy, herbal medicine, nanotechnology, microbiology etc., so as to provide a common platform for the exchange of most recent discoveries and developments in the field of plant science and their applications for the progress of the society. The primary objective of the conference is to assemble young researchers of multidiscipline of life science, chemical science, and to take up the challenging areas with an aim of practical applications useful for the benefit of mankind.

#### Inaugural Function:

The function began with the invocation song by Miss Shrushti. Halagadagi. Smt. S.B.Patil, HOD of Botany Department welcomed the dignitaries, delegates and other participants of the conference. An introductory speech was then delivered by Prof. Smt. J.R.Tikke. The guest's introduction was given by Dr. S.D. Payamalle. The function was officially inaugurated by watering to the potted plant. Miss Shraddha Sangane and Mr. Vijay. Karoshi the meritorious students of Botany Department, for the academic year 2018-19 were felicitated by the dignitaries of the function.

The key note address of the conference was delivered by Dr. S.R. Yadav of Department of Botany, Shivaji University, Kolhapur. In his address he said that the plants are the only good old engineers who fulfill the requirement of whole world and only they can synthesize food for everyone. Plants are not only of concerned to Botanists, but also to common people who should think of plant's protection and their conservation. It's the duty of every person on the earth to take care of plants.

Principal Dr. M. B. Kothale, presiding over the function, in his presidential remarks said, at present, world is very much depending on the basic sciences hence students should learn and develop knowledge in basic science. He also said that vanamahotsava should not be restricted

to single day but should be celebrated every day that is it should be nityamahotsava, so that we can bring balance in various climatic factors and control the global warming.

The inaugural session ended with the vote of thanks proposed by Miss. A.Y.Maniyar. The function was Compreered by Priya Patil and A.Y.Maniyar.

**Technical Session-I Topic: Role of Taxonomy in Conservation and Utilization of Biodiversity"**

Resource Person: Dr. S. R. Yadav  
Shivaji University, Kolhapur.

Dr. S.R.Yadav said, Western Ghats given room for lot many types of plants of which some are under the verge of extinction and need the attention to identify and conserve. The conservation of such plants is important as many of those plants are having medicinal properties and therefore it is duty of everyone of us to protect and conserve them. Taxonomy is the base to the understanding of biodiversity. Our knowledge of biodiversity is negligible and we have just documented, 10% of our total biodiversity, remaining 90% diversity is yet to be studied. The role of taxonomy include, implementation of the Convention on Biological Diversity (CBD), Floras and conservation, Gardening of the earth: the contribution of botanical gardens to plant conservation and habitat restoration, Wild seed banks and taxonomy, supporting the infrastructure for taxonomy and conservation.

The session was chaired by Dr. Smt. Neeta Jadav, Dept. of Botany, B.K.College, Belagavi.

**Technical Session-II Topic: "Biotechnological approaches for the production of pharmaceutically important phytochemicals**

Resource Person: Prof. Niranjana Murthy Hosakatte

P.G. Department of Studies in Botany  
Karnatak University  
Dharwad, Karnataka – 580003  
e-mail: hnmurthy60@gmail.com

Dr. Murthy, the resource person of the second technical session narrated the importance of plants especially of medicinal plants. The function or importance of secondary metabolites in plants is ecological. It is for interactions between the plants and their environment. He

detailed about the techniques of isolation and processing of secondary metabolites from Ginseng, Artemisia, Garcinia, Ashwagandha, Brahmi, Shankapushpi etc. He also gave

detailed information of Ginseng, its multi-utility in human health, helps in looking young, it can be used in shapoo, soaps etc.

The session was chaired by Dr. P.D. Shiragave, Dept. of Botany, Devchand College, Arjunnagar, Maharashtra.

### **Technical Session-III: Paper and Poster Presentation**

Participants from various colleges both students and faculty presented their papers and posters.

### **Valedictory Function:**

The function began with the welcome address by Smt. S.S. Sunnal. Mr. Dhananjay and Akash presented their opinion on behalf of all participants. The chief guest of the function Dr. P.D. Shiragave, addressing the gathering gave call to all that they should study the ongoing research activities and work for the well being of the society. He said seminars and conferences should not run only for discussion but also to reach to the common people. Dr. M.B. Kothale presided over the function and said everyone should love the plants and develop the habit of planting a sapling at least one per year and take oath for growing and protecting them. The conference ended with the vote of thanks proposed by Smt. S.B. Patil.

24 teachers, 07 research scholars and 63 students from various colleges and university were participated in the conference.

Workshop was inaugurated by Chief Guest, Dr. S. S. Benchalli, Prof. and HOD of Mathematics, Basaveshwar Eng. College, Bagalkot and dignitaries on the dias by lightening the lamp. Dr. (Smt.) M. M. Shankrikopp HOD of Mathematics gave welcome speech and introduction of Chief Guest.

In keynote address chief guest, spoke that by making use of technology we make mathematics easy, better understand and interesting. Dignitaries on the dias felicitated University Rank holders of B.Sc. and M.Sc.

In the 1<sup>st</sup> technical session, Resource person Dr. S. S. Benchalli, gave the demonstration about Geogebra and in 2<sup>nd</sup> session he explained about how we can use Geogebra in teaching learning of Laplace transform. Sri R. S. Bhooshetti, Prin. G. P. Porwal, College Sindagi and student from RLS institute Belagavi have expressed their opinion about workshop.

Prin. Dr. M.B. Kothale has given presidential remark. IQAC Coordinator Dr. B.S. Kambale

Ms. Geeta Kamate, narrated about college and department and Sri. Sammed Chougale has given vote of thanks.

Totally 95 student and 16 teacher delegates were participated.

Anchoring hosted by Ms. Geeta Kamate, Miss Vinaya Khot and Miss Sonali Patil .

**ORGANIZED BY DEPARTMENT OF PHYSICS**

Two Day National Workshop on “Robotics” was Organized by Department of Physics, KLE's G.I.Bagewadi College, Nipani on 1<sup>st</sup> & 2<sup>nd</sup> September, 2018.

The National workshop was inaugurated by President of the function Dr. M.B. Kothale, Principal K.L.E.'S G.I. Bagewadi college Nipani, Chief Guest, Mr. Ajinkya, Research Engineer Harbour technology, Delhi, Faculty Co-ordinator, Dr. R. G. Kharabe, K.L.E.'S G.I. Bagewadi College Nipani and student coordinators Miss Sangeeta More and Miss Aarati Chavan.

Miss Sangeeta More welcomed and introduced the Guests. Chief Guest Mr. Ajinkya addressed the gathering and said about the Robotics. Principal Dr. M.B. Kothale, gave presidential remarks. He said that Robotics is a modern technology and this technology is required for future life. Finally Miss Arati Chavan proposed the vote of thanks. Miss Varsha Patil & Miss Anuja Patil anchored.

In the first Technical session Mr. Ajinkya explained about Basics of Robotics like it's definition, types of robots like wire & wireless robots. He also told about different parts of robots & advantages in day to day life. He also said about C-programming which can be installed within robotics. In the second Technical session Mr. Ajinkya explained the programme writing, installing software & task to turn on & turn off LED. In the third technical session Mr. Ajinkya explained about robot kit's preparation, forward & backward moments of robot & sensor applications.

In the Valedictory Function, Miss Bhakti Patil gave welcome speech. Chief Guest Mr. Ajinkya addressed the gathering, He said that Robotics has scope in future, everyone must learn about robotics. Principal Dr. M.B. Kothale, gave presidential remarks. Some student delegates expressed their opinion about workshop. Lastly Miss Deepali proposed the vote of thanks. The 83 students participated in the National workshop. In that 30 student delegates from different colleges participated in workshop. 30 student delegates were selected for Merit.

## ABOUT K.L.E. SOCIETY

**Dr. Prabhakar Kore, MP,**  
Chairman, K.L.E. Society and  
Chancellor K.L.E. University, Belagavi.

The KLE Society was founded in 1916. It has been playing a vital role in the academic and socio-economic upliftment of North Karnataka region by imparting education at every level of learning ranging from KG to PG. Now it has expanded its realms of activity to international level too. At present as many as 256 institutions, 16,000 dedicated staff serve their best to cater the needs of about 1, 25,000 students every year. The courses offered are in Basic, Social & Management Science, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training, etc. KLE Society's institutions of higher education are spread across the country. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China and Zimbabwe, apart from many national institutes of repute. Another milestone in the medical and allied institutes have been brought under the umbrella of KLE University.

The great visionary, our beloved Chairman Dr. Prabhakar Kore, M.P. and Chancellor of KLE University, ably assisted by the dynamics Board of Management, deserves special acknowledgement for the quantum leaps and spectacular growth that the society has achieved over the last three decades.

Under his leadership and able guidance all our aided degree colleges have undergone first accreditation process by NAAC during 2004-05, re-accreditation during 2010-11 and 3<sup>rd</sup> cycle accreditation during 2015-16. Among the 15 aided HEI's, 10 have been accredited at 'A' level. This only speaks of the high standards set by our Society in basic degree education field.

**Prin. Dr.M.B. Kothale.**

President, National Conference

### **ABOUT COLLEGE**

KLE Society's G.I.Bagewadi Arts, Science & Commerce College, Nipani is a temple of learning founded in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority youth of Karnataka and Maharashtra states. Our college is named after the principal donor Late Shri. Ganapati Ishwarappa Bagewadi. The college campus is spread over an area of 11 acres. It has UG programmes in Arts, Science and Commerce streams.

Looking into the difficulty of semi urban students to pursue their post graduate studies, in the year 2010 PG course in Commerce and in 2011 P.G course in Mathematics are introduced. The institution conducts all its accademic programs in exquisitely excellent fashion.

We have 13 doctorates and 07 M.Phil, qualified staff on the role. Some of staff members have NET and SET qualifications and among them some of them are Gold Medalists who are serving their stakeholders in an inimitable fashion.

In the year 2016 our college was accredited in 3<sup>rd</sup> cycle by NAAC at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rani Channamma University Belagavi. Another feather in the cap that our college is recognized as the College with Potential for Excellence (CPE) status during 2016.

Our campus is eco-friendly with solar energy harvesting, lush green gardens encompassing the elegant structure, providing serene atmosphere, digi-campus and ITC application in teaching methodology. As a part of co-curricular activities our campus is providing new indoor Stadium and eight lanes Olympics Standard Swimming Pool for allround development of our student community

We can humbly and proudly say that ours is a virtually technology enabled campus so that the faculty members keep themselves updated with modern teaching methodology to serve better to stakeholders of today's generations.

## Preface

The 21<sup>st</sup> century is allegedly called as a century of knowledge, because the only change that has taken place in the present century is in the form of exponential change in science and technology that has revolutionized the pace of processing of information and its conversion in to knowledge. Earlier knowledge was stored in mind (physiocentric) or in written or printed form (Scriptocentric), now a day one need just internet connection to access information or download. The technology has changed the institution of guru or teacher and the role of teacher has become more central than ever.

Our conference is mainly focusing on application of Technology in particularly to Chemistry field. Globally there are many issues related to chemistry like medical waste management, energy crises as the natural sources are exhausting within few decades so nuclear energy may be the alternative source provided it should be handled properly. Polymers in daily life creating many health related problems for human life so bio-degradable polymers may be the next hope. The major crises of this century is pure drinking water to resolve this human understanding play an important role. Green chemistry will be the better solution to solve many environmental issues like soil erosion, effect of insecticides and pesticides and also pollutions of soil, air and water. Spectroscopy be the interesting tool in hands of chemists to save the time and energy to arrive early conclusion for new synthesis and discoveries.

We are highly delighted to present this special Proceedings of one day National Conference titled "RECENT TRENDES IN CHEMISTRY" with ISBN number 978-81-930758-5-2 which includes selected papers presented by teachers, research scholars and students. This proceeding consists of 42 papers of teacher delegates and 48 papers of student delegates. We whole heartedly thank all the participants who actively participated in this event. We personally thank to our Honorable Chairman, Vice Chairman and Board of Management of K.L.E Society, beloved Principal and financial assistance made by Chemistry staff and sponsors. Finally we thank everyone who have directly or indirectly supported us and made this conference successful one.

## DEPARTMENT OF BOTANY

### A Brief Report of workshop on methods of propagation

A workshop on "Methods of Propagation" was organized by the department of Botany on 09.02.2018. The guest was Prof. A. T. Gurav of Gopal Krisna Gokhale College, Kolhapur.

Prof. Gurav said one has to have the habit of loving plants then only they can be nurtured. During the workshop, he showed different methods of propagation and made the participants to practice the same. He gave lot of information regarding the plants. He also taught the art of making bonsai and flower arrangement methods, which catch and attract the market; hence one can go for the side-business in that field.

All the students and staff of the Botany Department were present during the workshop. At the beginning Prof. Smt S.B.Patil welcomed the gathering and introduced the guest, Principal Dr. M. B. Kothale presided over the function and Miss. Aishwarya Modi delivered vote of thanks. Dr. Shivanand Payamalle has compeered the function. The Prof. Kharabe, Smt. S. S. Sunnal, Smt, J. R. Tikke and Miss. A. Maniyar were also present.

## ABOUT K. L. E. SOCIETY

### **Dr. PRABHAKAR KORE, MP**

Chairman, K.L.E. Society and  
Chancellor, K.L.E. University, Belagavi.

The KLE Society was founded in 1916. It has been playing a vital role in the academic and socio-economic upliftment of North Karnataka region by imparting education at every level of learning ranging from KG to PG. Now it has expanded its realms of activity to international level too. At present as many as 256 institutions, 16,000 dedicated staff serve their best to cater the needs of about 1,25,000 students every year. The courses offered are in Basic, Social & Management Science, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training etc. KLE Society's institutions of higher education are spread across the country. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China and Zimbabwe, apart from many national institutes of repute. Another milestone in the medical and allied institutes have been brought under the umbrella of KLE University.

The great visionary, our beloved Chairman Dr. Prabhakar Kore, M.P. and Chancellor of KLE University, able assisted by the dynamics Board of Management, deserves special acknowledgement for the quantum leaps and spectacular growth that the society has achieved over the last three decades. Among the 15 aided HEI's, 10 have been accredited at 'A' level. This only speaks of the high standards set by our Society in basic degree education field.

### **ABOUT COLLEGE:**

KLE Society's G.I. Bagewadi Arts, Science & Commerce College, Nipani is a temple of learning founded in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority youth of Karnataka and Maharashtra states. Our college is named after the principal donor late Shri. Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate

studies, in the year 2010 PG course in Commerce and in 2011 P.G Course in Mathematics are introduced. The college campus is spread over an area of 11 acres. The college is actively involved in research and extension endeavors. We have 13 doctorates and 7 M.Phil. qualified staff on role.

In the year 2016 our college was accredited in 3rd cycle by NAAC at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rani Channamma University Belagavi. Our campus is eco-friendly with solar energy harvesting; lush green gardens encompassing the elegant structure, providing serene atmosphere, digi-campus and ITC application in teaching methodology. Another feather in the cap that the college is recognized as the College with Potential for Excellence (CPE) status during 2016.

#### **CHEMISTRY DEPARTMENT:**

Department of chemistry was established in 1961. Our department has three well equipped laboratories with modern instruments to assist in quality teaching. Our department staff and students have presented ample number of papers in international, national seminars\conferences and also published the papers in many journals and proceedings. Two faculties of our department are doctorates and have ample number of publications in national and international peer reviewed journals with good Impact Factor in Scopus Journal.

Under UGC funding three Minor Research Project completed and one is in progress.

#### **ABOUT CONFERENCE:**

The theme of the conference 'RECENT TRENDS IN CHEMISTRY' aims at changing scientific scenario in the world to which chemistry people can cope up for better needs of human life and values. For instance nuclear energy can be the major source of energy of life which is leading towards the destruction of human beings. Chemistry plays an important role in medicinal science and drug designing. Green chemistry minimizes the environmental pollution and is a new hope for safe chemistry (synthetic chemists). Chemistry looks towards the new environmental challenges particularly pure water, less use of toxic insecticides and pesticides, soil erosion, air pollution etc.

This conference helps to bring together the academicians, scientists, research scholars and students to a common platform, enabling exchange of ideas, experiences and leading to novel research results.

#### **SUB THEMES :**

1. Medicinal chemistry and drug designing
2. Bio-medical waste and its management.
3. Green approaches in applied science
4. New approaches of polymer science
5. Impact of insecticides and pesticides on environment
6. Nuclear energy a solution to energy crises
7. Importance of spectroscopy in chemistry (UV,IR,NMR )
8. Drinking water crises
9. Soil erosion and its preventive measures
10. Synthesis of new materials for industrial application.

#### **CALL FOR PAPERS :**

Research papers are invited from the academicians, faculty and students on the sub themes for presentation. Selected papers will be published in proceedings with ISBN -978-81-930758-5-2

#### **FORMAT FOR PAPER SUBMISSION :**

1. The abstract should not be more than 300 words.
2. It should be submitted in MS-Word 2003 or 2007 with Times New Roman, Font size 12 and 1.5 spacing. The margin should be 1" from all sides.
4. Last date for abstract / paper submission is 25th January 2018.
5. Soft copy of Abstract and paper should be mailed to [jaganure@gmail.com](mailto:jaganure@gmail.com) or [sb\\_s123@hotmail.com](mailto:sb_s123@hotmail.com)

#### **HOW TO REACH NIPANI:**

Nipani is situated on NH4 between the states of Karnataka and Maharashtra having frequent bus facility from Belagavi and Kolhapur.

## ABOUT K. L. E. SOCIETY

### Dr. PRABHAKAR KORE, MP

Chairman, K.L.E. Society and  
Chancellor, K.L.E. University, Belagavi.

The KLE Society was founded in 1916. It has been playing a vital role in the academic and socio-economic upliftment of North Karnataka region by imparting education at every level of learning ranging from KG to PG. Now it has expanded its realms of activity to international level too. At present as many as 256 institutions, 16,000 dedicated staff serve their best to cater the needs of about 1,25,000 students every year. The courses offered are in Basic, Social & Management Science, Tourism, Hotel Management, Engineering and Technology, Nursing, Pharmacy, Dental, Medical Sciences, Educational training etc. KLE Society's institutions of higher education are spread across the country. The Society has established collaborations with prestigious international educational institutions of UK, USA, Malaysia, China and Zimbabwe, apart from many national institutes of repute. Another milestone in the medical and allied institutes have been brought under the umbrella of KLE University.

The great visionary, our beloved Chairman Dr. Prabhakar Kore, M.P. and Chancellor of KLE University, able assisted by the dynamics Board of Management, deserves special acknowledgement for the quantum leaps and spectacular growth that the society has achieved over the last three decades. Among the 15 aided HEI's, 10 have been accredited at 'A' level. This only speaks of the high standards set by our Society in basic degree education field.

### ABOUT COLLEGE :

KLE Society's G.I. Bagewadi Arts, Science & Commerce College, Nipani is a temple of learning founded in the year 1961 with a vision to provide quality education for the empowerment of the rural and linguistic minority youth of Karnataka and Maharashtra states. Our college is named after the principal donor late Shri. Ganapati Ishwarappa Bagewadi. Looking into the difficulty of semi urban students to pursue their post graduate

studies, in the year 2010 PG course in Commerce and in 2011 PG Course in Mathematics are introduced. The college campus is spread over an area of 11 acres. The college is actively involved in research and extension endeavors. We have 13 doctorates and 7 M.Phil. qualified staff on role.

In the year 2016 our college was accredited in 3rd cycle by NAAC at 'A' level with highest CGPA of 3.35 amongst the jurisdiction of Rani Channamma University Belagavi. Our campus is eco-friendly with solar energy harvesting; lush green gardens encompassing the elegant structure, providing serene atmosphere, digi-campus and ITC application in teaching methodology. Another feather in the cap that the college is recognized as the College with Potential for Excellence (CPE) status during 2016.

### CHEMISTRY DEPARTMENT :

Department of chemistry was established in 1961. Our department has three well equipped laboratories with modern instruments to assist in quality teaching. Our department staff and students have presented ample number of papers in international, national seminars/conferences and also published the papers in many journals and proceedings. Two faculties of our department are doctorates and have ample number of publications in national and international peer reviewed journals with good Impact Factor in Scopus Journal.

Under UGC funding three Minor Research Project completed and one is in progress.

### ABOUT CONFERENCE :

The theme of the conference 'RECENT TRENDS IN CHEMISTRY' aims at changing scientific scenario in the world to which chemistry people can cope up for better needs of human life and values. For instance nuclear energy can be the major source of energy of life which is leading towards the destruction of human beings. Chemistry plays an important role in medicinal science and drug designing. Green chemistry minimizes the environmental pollution and is a new hope for safe chemistry (synthetic chemists). Chemistry looks towards the new environmental challenges particularly pure water, less use of toxic insecticides and pesticides, soil erosion, air pollution etc.

This conference helps to bring together the academicians, scientists, research scholars and students to a common platform, enabling exchange of ideas, experiences and leading to novel research results.

### SUB THEMES :

1. Medicinal chemistry and drug designing
2. Bio-medical waste and its management.
3. Green approaches in applied science
4. New approaches of polymer science
5. Impact of insecticides and pesticides on environment
6. Nuclear energy a solution to energy crises
7. Importance of spectroscopy in chemistry (UV,IR,NMR )
8. Drinking water crises
9. Soil erosion and its preventive measures
10. Synthesis of new materials for industrial application.

### CALL FOR PAPERS :

Research papers are invited from the academicians, faculty and students on the sub themes for presentation. Selected papers will be published in proceedings with ISBN -978-81-930758-5-2

### FORMAT FOR PAPER SUBMISSION :

1. The abstract should not be more than 300 words.
2. It should be submitted in MS-Word 2003 or 2007 with Times New Roman, Font size 12 and 1.5 spacing. The margin should be 1" from all sides.
4. Last date for abstract / paper submission is 25th January 2018.
5. Soft copy of Abstract and paper should be mailed to [jagenure@gmail.com](mailto:jagenure@gmail.com) or [sb\\_s123@hotmail.com](mailto:sb_s123@hotmail.com)

### HOW TO REACH NIPANI :

Nipani is situated on NH4 between the states of Karnataka and Maharashtra having frequent bus facility from Belagavi and Kolhapur.

### HOW TO REACH NIPANI:

Nipani is situated on NH4 between the states of Karnataka and Maharashtra having frequent bus facility from Belagavi and Kolhapur.

### **About the Conference**

The national conference on "Recent Trends in Chemistry" aims to create awareness about recent developments in science and technology and applications of new approaches in particularly chemistry to young minds. Our concern is to make young people to know more how the different branches of science links with chemistry. Medicinal waste be the burring problem for entire universe. Energy crises in all sector is under threat let us hope will nuclear energy may be a part of solution. Environmental issues such as pesticides, insecticides, soil erosion drinking water crises are great concern of today, is green chemistry be a better hope for future. The purpose of this conference is to provide a platform for exchange of ideas, views and thoughts of younger generation by interacting with experts and finally come out with new concepts.

#### **Inaugural function:**

The inaugural function began with invocation song by final year students. Dr.A.S.Jaganure welcomed the dignitaries, delegates and students. He briefed about the aim and themes of self-funding conference. Dr.S.B.Solabannavar introduced the Chief Guest of function Dr.Vivek Saoji, Hon. Vice chancellor KLE University, Belagavi. All the dignitaries on the dais lighten the lamp as a formal ceremony in the occasion. Dr. M.B.Kothale presented bouquet, memento and trophy to the Chief Guest Dr. Vivek Saoji. Dr. A. S. Jaganure presented bouquet and trophy to the Guest of honor Shri. Ashokanna G. Bagewadi, Vice Chairman, KLE Society, Belagavi. The students gave bouquets to other dignitaries on the dais. Felicitation to achievers by chief guest to Miss Soumya Patil for securing IV Rank in B.Sc.(PCM), RCU Belagavi and Miss Vinaya Khot for securing II Rank in Mathematics P.G. Section RCU Belagavi.

#### **Inaugural speech.**

In his Inaugural speech Dr.Vivek Saoji, Vice Chancellor, KLE University addressed the gathering to have Innovative thinking to serve better tomorrow, in particularly Science and Technology will be the solutions for many problems. This conference "Recent Trends in Chemistry" may come with new concepts and ideas to boost the present changing scenario word wide. He rightly pointed out that today's young mind will be the tomorrow's nation builders. Now a days Chemistry, Physics, Biology and Mathematics are becoming pillars of Science and Technology, so it is the need of hour to do the researches in basic science.

Dr. M.B.Kothale in his presidential remark said that the recent trends in chemistry will going to boost the young scientists to take active part in research work and join their hands in nation buildings. He further briefed about the history of KLE Society and about G.I.Bagewadi College

Nipani. He highlighted the achievements of college such as NACC grade with CGPA 3.35 during 3<sup>rd</sup> cycle of NAAC accreditation which will be the highest amongst jurisdiction of Rani Channamma University Belagavi, eco-friendly campus with solar energy harvesting, lush green gardens in the campus, ITC enabled teaching class room, College with Potential for Excellence (CPE) and utilization maximum UGC funds during 12<sup>th</sup> plan for Swimming pool, Indoor stadium and other parts of campus developments.

Finally Prof. G. B. Kumbhar proposed vote of thanks to the dignitaries.

#### Technical Session – I

**Topic: "Green Chemistry and it's applications in Synthetic Organic Chemistry - Supported Ionic Liquid Phase (SILP) as Green Catalyst for Organic Synthesis".**

**Resource Person: Dr. G. S. Rashinkar, Professor in Chemistry,**

Department of Chemistry, Shivaji University, Kolhapur.

He briefed the students with new innovative ideas about the Principles and rules of Green Chemistry which reduces or eliminates use of hazardous chemical substances in the manufacture and designing of new chemical products. The major applications of green chemistry are conservation of energy, global environmental changes, depletion of resources, even in food supply and over all prevention of eco-system too. Now a day's very new developments in chemistry are leading to one or the other way issues of environmental and many harmful unexpected side effects, so to overcome all these difficulties Green chemicals and Green approach be the alternate solution for present situation.

He highlighted about the wide range of applications of Supported Ionic Liquid Phase (SILP) in the manufacture of Nanomaterial, Industrial solvents, Nuclearfuel waste, Enzymatic Catalyzed reactions, Lubricants Heat Transfer Reactions, Solar Energy Conversions, Batteries Full Cells. One of major the drawback of Ionic Liquids is that they are very costly, toxic to aquatic life and racialization of required energy. Further he highlighted regarding the insertion of supported ionic liquid phase as a catalyst which immobilize the ionic liquid phase or ionic liquid in to a solid support and then immobilization occurs which involves physisorption and covalent bonding. Thus all supported ionic liquid phase catalysts have ability to catalyze organic reactions follow the green chemistry principles. The study of Morphology of the SILP catalyzed reactions were scanned by using electron microscopic method. It is observed that the bead degradation was found in the SILP catalyzed reaction which may be due to stress and enormous tension on the beads. Although the morphology of SILP catalyst was not as that of original Merrifield resin where there was no effect on its catalytic activity.

In his concluding speech he emphasized that there is immense scope for pursuing in SILP catalyzed reactions as the research in this area is in infancy.

### Technical Session – II

#### Topic: "Recent Trends in Chemistry and sub themes"

The Oral paper presentation session for teachers and students was carried out in golden jubilee hall. In all twelve papers were presented by teacher delegates and twenty one papers were presented by students including research scholars on different themes of conference.

**Dr. B. M. Kalashatty**, Associate Professor and Head of Department of Chemistry, BLDE'S Arts Science College, Jamakhandi, was Chair Person for this Session.

**Dr.S.M.Deshapande**, Associate Professor in Chemistry, G.S.S.College, Belagavi. was Rapporteur for this session.

### Technical Session – III

#### Topic: "Recent Trends in Chemistry and sub themes"

The Oral paper presentation session for students was carried out in conference hall no.01. In all twenty four paper were presented by students on different themes of conference.

**Dr. P.S.Manoli**, Associate Professor and Head of Department of Chemistry,

TP Science & S. S. Arts College, Sankeshwar, was Chair Person for this Session.

**Dr.A.S.Kulkarni**, Associate Professor in Chemistry, B.K.College, Belagavi, was Rapporteur for this session.

### VALEDICTORY FUNCTION

The valedictory function started with invocation song by the final year students.

Miss. Preeti M.Patil welcomed the dignitaries on dais and briefed about the conference.

Miss Padmini Shedabale gave introduction of Chief guest Dr. Basavaraja. Padamashalli,

Dr.S.B.Solabannavar presented bouquet, memento and trophy to the Chief Guest.

Dr. Basavaraja. Padamashalli. Dean, School of Basic Science, Rani Channamma University,

Balagavi. Dr. A.S. Jaganure presented bouquet and trophy to the Guest of honor Dr.S.R.Patil,

Local Governing Body Member, Nipani. The students gave bouquets to other dignitaries on the dais.

The winners of paper presented by students were felicitated with trophy and cash prizes by chief

guest namely, First prize was shared between Miss Varsha Patil, Miss Sameena Mulla and

Miss.Parvati Chougale of G.I.Bagewadi College Nipani, Second prize was shared between

Miss.Aishwarya Modi of G.I.Bagewadi College Nipani and Miss. Priyanka Sapale of

Devachand College, Arjunnagar. Thired prize was shared between Miss. Reshama Dhumal of

Devachand Collège, Arjunnagar and Miss.Aishwarya Khot of G.I.Bagewadi College Nipani

Felicitation of sponsors Shri. Kumar Shedabale and Branch manager Syndicate Bank G.I.Bagewadi college campus by chief guest at this occasion.

**Dr. Basavaraja. Padamashalli. Dean, School of Basic Science, Ranni Channamma University**, addressed the gathering –he told that the basic science is foundation to new scientific research & technology. The eco-system is quite balanced where the percentage of various gaseous elements or particulates on this earth are well balanced i.e. equilibrium of the system is achieved naturally. Generally speaking the toxic gases like oxide of Carbon, Nitrogen, and Sulphar etc were considered to be environmental affecting but in reality they are recycling themselves to provide good results to mankind.

He highlighted that in recent times several anti-cancer agents were developed for instance boron neutron therapy is used to reduce cancer cells, certain triazol derivatives and substituted heterocyclic derivatives shows anti-cancer activities. The diseases like HIV, Cancer and viral diseases will be no more as the vaccines for these diseases are available in market soon. Nuclear energy be the alternative source of energy in future as the renewable sources like coal, petroleum and wind energy are becoming limited applications. The nuclear safe reactors with more precession in nature will provide energy source for fuel, provided it should not reach the devils hands. Finally it is in the hands of youths to build a new nation with high precession in science & technology for the securing healthy and safe nation.

Some delegates and students expressed their opinion about the one day National conference on "RECENT TRENDS IN CHEMISTRY" about the various topic for discussion and appreciated the arrangements made by organizing committee.

Dr. M .B. Kothale has given the presidential remark about the overall view of the conference. Chemistry is turned out to be sole for all researches and in days to come nano science and nano technology will be the emerging trend in chemistry. He added that in this self-funding conference about 150 student delegates including 40 students from Maharashtra state and 85 teacher delegates including 20 delegates from Maharashtra and 8 research scholars from different P.G. centers were actively participated. Further he said that 12 teacher delegates and 42 student delegates presented papers and exchanged their views.

Lastly Prof. Prashant Narwade proposed vote of thanks to honorable chief guest, principal , all the teacher delegates, research scholar's , student participants, sponsors and media persons for making a successful events.

Dear sir/madam,

Refer to your proposal; we confirm that we would like to participate in Techradiance (A National level championship). The steps forward, you can conduct 1<sup>st</sup> level workshop at our college KLE's G.I. Bagewadi College Nipani campus premises. We will ensure to provide you all required infra support as per proposal received by us. The confirmation details are as follows.

**Workshop Dates: -15<sup>th</sup> & 16<sup>th</sup> September 2017**

**Technology: Solar Panel and energy System**

Fee per Participants: -Rs 750/-

We are also nominating 1 faculty and 2 students to coordinate entire event and making it successful. Details for the same are as follows.

## MESSAGE

I am extremely happy to learn that K.L.E Society's G. I Bagewadi Arts, Science and Commerce College, Nipani is organizing a UGC sponsored One Day National Conference on "**Growth and Challenges of Infrastructure in India**" on 18<sup>th</sup> April, 2017. Today infrastructure is a thrust area of growth and development of the economy. Hence, the theme is highly appreciable in the present context. This would provide an impetus for sustainable and inclusive growth of India.

On this happy occasion, I congratulate the organizers, for timely endeavor to conduct such a conference and I am confident that the deliberations in the conference will be fruitful for the Academicians, Researchers, Policymakers and Students. I extend my greetings to all the Delegates of the Conference and wish them all the success.

Vice-Chancellor

# ಮೂಲ ಸೌಕರ್ಯ ಪೂರೈಕೆ ದೊಡ್ಡ ಸವಾಲು ರಾಷ್ಟ್ರೀಯ ವಿಚಾರ ಸಂಕಿರಣ ಉದ್ಘಾಟಿಸಿದ ಡಾ.ಎನ್.ಬಿ.ಚಚಡಿ ಅಭಿಮತ

■ ವಿಜಯವಾಣಿ ಸುದ್ದಿಜಾಲ ನಿಪ್ಪಾಣಿ ಅಧುನಿಕವಾಗಿ ಅತಿ ವೇಗದಲ್ಲಿ ಸಾಗುತ್ತಿರುವ ಭಾರತದಂತಹ ದೇಶದಲ್ಲಿ ಮೂಲ ಸೌಕರ್ಯ ಪೂರೈಕೆ ದೊಡ್ಡ ಸವಾಲಾಗಿದ್ದು, ಪರಿಣತರು ಚಿಂತನೆ ನಡೆಸಿ ಕ್ರಿಯಾಶೀಲ ಯೋಜನೆ ರೂಪಿಸಿ ದೇಶ ಕಟ್ಟುವ ಕಾರ್ಯದಲ್ಲಿ ಸರ್ಕಾರದೊಂದಿಗೆ ಕೈ ಜೋಡಿಸಬೇಕಿದೆ ಎಂದು ಧಾರವಾಡ ಕರ್ನಾಟಕ ಕಲಾ ಮಹಾವಿದ್ಯಾಲಯದ ವಿಶ್ವಂತ ಪ್ರಾಚಾರ್ಯ ಡಾ.ಎನ್.ಬಿ.ಚಚಡಿ ಹೇಳಿದರು.

ಕೆಎಲ್‌ಇ ಸಂಸ್ಥೆಯ ಸ್ಥಳೀಯ ಜಿ.ಐ.ಬಾಗೇವಾಡಿ ಮಹಾವಿದ್ಯಾಲಯದ ಅರ್ಥಶಾಸ್ತ್ರ ವಿಭಾಗದ ಆಶ್ರಯದಲ್ಲಿ ಯುಜಿಸಿ ಪ್ರಾಯೋಜಿತ 'ಭಾರತದಲ್ಲಿ ಮೂಲ ಸೌಕರ್ಯಗಳ ಬೆಳವಣಿಗೆ ಮತ್ತು ಸವಾಲುಗಳು' ಎಂಬ ವಿಷಯದ ಕುರಿತು ಮಂಗಳವಾರ ಜರುಗಿದ ಒಂದು ದಿನದ

ನಿಪ್ಪಾಣಿ ಕೆಎಲ್‌ಇ ಕಾಲೇಜಿನಲ್ಲಿ ಆಯೋಜಿಸಿದ್ದ ರಾಷ್ಟ್ರೀಯ ವಿಚಾರ ಸಂಕಿರಣದಲ್ಲಿ ಮಾತನಾಡುತ್ತಿರುವ ಡಾ.ಎನ್.ಬಿ.ಚಚಡಿ.

ರಾಷ್ಟ್ರೀಯ ವಿಚಾರ ಸಂಕಿರಣ ಉದ್ಘಾಟಿಸಿ ಅವರು ಮಾತನಾಡಿದರು.

ಭಾರತ ಸರ್ಕಾರ ಪ್ರಸ್ತುತ ಪಂಚವಾರ್ಷಿಕ ಯೋಜನೆಯಲ್ಲಿ 31 ಲಕ್ಷ ಕೋಟಿ ರೂ. ಹಣವನ್ನು ಮೂಲ ಸೌಕರ್ಯಕ್ಕೆಂದೇ ತೆಗೆದಿರಿಸಿದೆ. ರಸ್ತೆ, ರೈಲು, ವಿಮಾನ, ಹಡಗು

ಸಂಚಾರವಷ್ಟೇ ಅಲ್ಲ ನಾಮಾಜಿಕ, ಶೈಕ್ಷಣಿಕ ಮತ್ತು ಆರೋಗ್ಯಕ್ಕಾಗಿ ಸೂಕ್ತ ಯೋಜನೆ ರೂಪಿಸಿ ಕಾರ್ಯಗತಗೊಳಿಸುವುದು ಇಂದಿನ ಅಗತ್ಯವಾಗಿದೆ. ಮಾನವ ಸಂಪನ್ಮೂಲವನ್ನು ಸೂಕ್ತ ರೀತಿಯಲ್ಲಿ ಉಪಯೋಗಿಸಿ 2020ರಷ್ಟೊತ್ತಿಗೆ ಭಾರತವು 'ಸೂಪರ್ ಪಾವರ್' ದೇಶವಾಗಿ ಪರಿವರ್ತಿಸಿಕೊಳ್ಳಬೇಕಿದೆ ಎಂದರು.

ಪ್ರಾಚಾರ್ಯ ಡಾ.ಎಂ.ಬಿ.ಕೋಡಳಿ ಮಾತನಾಡಿದರು. ಶ್ರುತಿ ಹಳೇಮನಿ ಮತ್ತು ಸಂಗಡಿಗರು ಪ್ರಾರ್ಥಿಸಿದರು. ಅರ್ಥಶಾಸ್ತ್ರ ವಿಭಾಗದ ಮುಖ್ಯಸ್ಥ ಡಾ.ಬಿ.ಎಸ್.ಕಾಂಬಳೆ ಸ್ವಾಗತಿಸಿದರು. ಸಂಕಿರಣದ ಸಂಯೋಜನಾ ಕಾರ್ಯದರ್ಶಿ ಪ್ರೊ.ಎಂ.ಎಸ್.ವನಕಿ ಪರಿಚಯಿಸಿದರು. ಪ್ರೊ.ಗೀತಾ ಕಮತೆ ಮತ್ತು ಪ್ರೊ.ಶುಭಂ ಕುಲಕರ್ಣಿ ನಿರೂಪಿಸಿದರು. ಪ್ರೊ.ಬಿ.ಜಿ.ಉಳಾಗಡ್ಡಿ ವಂದಿಸಿದರು.

### **"One Day Workshop on preparation for IAS & KAS Exams"**

**Jointly organized by Planning Forum, Dept. of Economics and Placement Cell in association with the Parshwanath Academy for Exams Dharwad on 5<sup>th</sup> January 2017.**

As per the circular of CDC, Rani Channamma University, Belagavi "One Day Workshop on preparation for IAS & KAS Exams" was jointly organized by Planning Forum, Dept. of Economics and Placement Cell in association with the Parshwanath Academy for exams Dharwad on 5<sup>th</sup> January, 2017.

The workshop was began with the invocation song by Kumari Poorva Solapurkar of B.A. V Semester. Dr. B. S. Kamble, Co-ordinator of the workshop had welcome the audience and said that today the competition is need of hour in job market compared to its status at the time of Independence and till 1980's. It was the time where the jobs comes to the doors of the family. Now talent communication skill are determents of job. This workshop is very much relevance because appointments made through the competitive exams. It is helpful today because the degree students are in preparation stage for future life. The number of students appeared IAS exams 9 lakhs and recommended 1008 candidates for appointment in 2015. It means they need guidance, hardwork, regular efforts. I hope that you may gained from this workshop.

Miss Sunaina Adake, Principal of BBA/ BCA has introduced the resource person Mr Vikas Balikai. As a token to love our students offered flowers to dignitaries on the dias Mr. Vikas, Dr. M. B. Kothale, Dr. B. S. Kamble and Miss Sunaina Adake. Mr Vikas and the other dignitaries on the dias inaugurated the workshop by lightning the lamp. Mr Vikas address the students that, today the guidance for students in preparing IAS, KAS, IBPS is need of hour for survival.

In the presidential remarks Prin. Dr. M. B. Kothale said that in South Indian States the competition is very low compared to North Indian States. The IAS/ KAS officers are having highest civil service posts

are working at Ministry level for Planning the policies and suggestions. This workshop is beckon of light to the students for preparing IAS/ KAS exams and will be fruit full.

Mr. Vikas Balikai, Resource Person of PACE, Dharwad has presented the competitive exams in different points of view.

1. Need of competitive exams UPS, KPSC, IBPS etc.
2. Behaviour of the students about competitive exams.
3. UPS and KPSC examination pattern, syllabus, preparation, sources of reading, time allocation, current affairs, application of current events in all fields while writing answers and how competitive exams are differs from regular degree exams.
4. Banking exams: Syllabus and preparation.
5. Coaching and training is necessary for allocation of time and money and firm decisions, it avoids the confusion about the multiple thoughts in the mind about the matter.
6. UPSC/ KPS exams marks cut-up and how to improve the weak sections of the result.
7. The failure is foundation for success, don't become unsatisfied.
8. The interaction between the resource person and students was healthy.

As much as 320 degree students of B.A., B.Sc., B.Com., BBA & BCA of our college actively participated in this workshop. All the students appreciated this workshop. The workshop was end with the vote of thanks by anchor Miss Shubham Kulkarni. The working lunch was provided to the students.

**Subject : Faculty exchange programme.**

Dear Sir,

I am honored to bring it to your kind notice that we are having faculty exchange program system in our institution to uplift the knowledge of students. This year onwards we would like to make an MoU with your institution to be a part of this program. This program will help students to learn from faculties of different institutions with great knowledge and skill in the field and will also benefit with different teaching techniques. This program will also provide an opportunity for faculties to interact with diverse students and learn different teaching methodologies that will help in improving the teaching and effective lecture delivery.

I request you to accept this proposal and intimate your consent of acceptance as early as possible.

Yours faithfully

To,

The Principal,  
 S.P. Mandal's Arts and Commerce  
 College, Raibag.

Sub: Faculty exchange programme.

Dear Sir,

I am honored to bring it to your kind notice that we are having faculty exchange program system in our institution to uplift the knowledge of students. This year onwards we would like to make anMoU with your institution to be a part of this program. This program will help students to learn from faculties of different institutions with great knowledge and skill in the field and will also benefit with different teaching techniques. This program will also provide an opportunity for faculties to interact with diverse students and learn different teaching methodologies that will help in improving the teaching and effective lecture delivery.

I request you to accept this proposal and intimate your consent of acceptance as early as possible.

Thank You.

Yours faithfully

**1. About the parties**

**Unnati Educational Rural Development & Social Welfare Association (UERD&SW)**

Unnati Educational Rural Development & Social Welfare Association( UERD&SW) is a registered and governed by Govt of Karnataka, Schedule B (Rule 3(5) under the provisions of Cooperative act with society number ; **DRL/SOR/BGM/294/2010-11 Date: 19-07-2010**; represented by Mrs. Priya Puranik, henceforth will be called the 1<sup>st</sup> Party. The 1<sup>st</sup> party conducts Entrepreneurship Development Programs for both men and women under Rural Entrepreneurship Development Programs (EDP) & Rural Industries Program sponsored by various agencies. We believe that economic empowerment of Rural poor would enable them to integrate themselves into the main stream and make available to the region of vast resources in terms of motivated people whose contributions can be channeled to ensure dynamic, positive and vibrant social fabric.

Unnati Educational Rural Development & Social Welfare Association is into development of Entrepreneurship, rehabilitation of beggars rehabilitation of Jail Inmate. All its activities are inter related with the sole purpose of development and sustenance of entrepreneurial skills and inclination.

We have an in house trainer to conduct EDP. However for motivation trainings we take them on consultancy basis also, depending on number of trainings to be conducted and the schedule, appoint well experienced trainers on contract basis.

The association has also conducted large number of training programs related to food industries like spice powders, papad, pickle etc. It has also conducted flower making, candle making, jewellery making, awareness and motivation programs etc. It also trains the people for the marketing of their products.

KLE Society's G I Bagewadi Arts, Science and Commerce College, Nipani, henceforth will be called the 2<sup>nd</sup> party, represented by Dr. M D Gurav, Chairperson, WEC. Named after its chief patron Late Shri Ganapati Ishvarappa Bagewadi, established in 1961 by the KLE Society, Belagavi with a vision to provide quality education to empower the rural and linguistic minority youth of Karnataka and Maharashtra states. P G programs in Commerce started in 2010, Mathematics in 2011 and English in 2018. The college was accredited by NAAC 'A' level with highest CGPA of 3.35 in the jurisdiction of Rani Channamma University, Belagavi. We are the mentor under UGC Paramarsh Scheme for six non accredited institutions.

## 2. Basis of understanding

UERDSWA, Belagavi and KLE GIB College, Nipani are working towards improving the entrepreneurial ecosystem, train and support practicing women entrepreneurs, startups, skill development and training programs to college students through training programs.

UERDSWA and KLE GIB College, Nipani are committed to work together to identify bottlenecks and challenges in startups and women entrepreneur's growth and scale up and to provide support to overcome these barriers and achieve their growth potential. We propose to do this through EDP (Entrepreneurship Development Programs) and ESDP (Entrepreneurship skill Development Programs). We are also towards counseling and training programs.

- a) UERDSWA and KLE GIB will exchange trade and market information relating to availability of technical know-how and capital equipment and disseminate to the business men and industrialists of both the organizations such information from time to time.
- b) UERDSWA and KLE GIB shall exchange bilateral investment through setting up of joint ventures and technical collaboration between the two organizations and render all possible advice, guidance and assistance in this regard.
- c) UERDSWA and KLE GIB shall sponsor and promote exchange of visits of expansion of bilateral trade and industrial relations by delegations and businessmen of the two organizations and to extend cooperation and assistance to visitors.
- d) UERDSWA and KLE GIB shall notify and help in holding of trade fairs for promotion of products of the two organizations.
- e) UERDSWA and KLE GIB shall recommend their respective commercial authorities all such measures as in the opinion of the respective parties would be beneficial and helpful to increase trade and economic cooperation between their respective organizations.
- f) UERDSWA and KLE GIB shall take all such steps as may be necessary and feasible to promote trade, industry and economic cooperation between the two organizations.

## 3. Roles and responsibilities

### UERDSWA

- Content, training modules etc; UERDSWA will be responsible for developing the relevant content for the training program. UERDSWA will identify and bring in the key resource people for the programs including workshop facilitators, mentors etc
- Wherever possible UERDSWA will involve its academic party institutions for hard and soft resources (like venue, content, trainers etc) to strengthen the value proposition to the stakeholders.
- Will work towards deriving learning's about what works and what doesn't, with regard to scaling up women led small and growing businesses (SGBs). This shared learning's will be an important outcome of the program.

For Unnati Educational, Rural Development  
Social Welfare Association Belgaum

  
**President**

- UERDSWA members will take part in KLE GIB's activities seminars, conferences, B2B, trade delegations, trade fairs national and international.

#### KLE GIB

- Participation and attendance: KLE GIB will lend its name for all programs and support funding for the events to be conducted on regular basis.
- Will promote the program through its website/mail/SMS/social media and try to scale up the events, programs seminar, conference, summits, industrial interaction etc.
- Will look up to maximum participation, shall review programs jointly with UERDSWA for appropriate future networks.

#### 4. Disclaimer

UERDSWA and KLE GIB recognize that there are many factors restricting the growth of women entrepreneurs. An important program goal is to inspire the women to scale up. To keep the efforts focused women entrepreneurs whose goals are specifically identified as –fundability, Scalability of revenue growth- will be the exclusive targets of this program.

The entrepreneurs will be required to set up clear progress milestones for themselves based on the discussion with the expert facilitators, viz, the UERDSWA and KLE GIB exercise.

Level of success will depend upon the entrepreneur as much anything else. Entrepreneurship support programs like other capacity building programs may suffer from a certain level of attrition. Thus the progress of the trajectory of the participants will not be identical.

While very effort will be made to assist the selected entrepreneurs to achieve the growth, their growth aspiration cannot be guaranteed.

This MoU is signed on 01<sup>st</sup> March 2021 and its validity is for a period of Five years

## IQAC Initiative

### Women Empowerment Cell

#### Report on Skill Development Training Under MoU

Women Empowerment Cell of our college under the initiative IQAC has organized skill development training under the MoU made with Unnati Educational Rural Development and Social welfare Association ( UERD&SW) Belagavi on Monday, 8th March, 2021 in Golden Jubilee Hall.

Skill development trainer Smt. Deepa Sonji explained about the art of making Artificial jewellery by clay. She demonstrated the skill of choosing the right clay which is available from a particular area, should be brought and soaked for days then it is ready for making different type of articles. By using some sticks, needle and the skill anyone can learn the art of making Artificial Jewellery.

Nearly 130 UG and PG girl students and 25 staff participated and benefitted by this skill development programme.

We are signing MoU's with different institutes and this is a positive step towards new education policy implementation,

### Objectives of the MoU:

- To promote and enhance academic interests of the students.
- To provide advice for implementation of quality education.
- To promote extension activities in the field of auditing.
- To provide professional knowledge and skill through special lectures, seminars and webinars.
- To provide career guidance

### Terms and Conditions:

- This MoU may be amended, renewed and terminated by mutual written agreement of the institution at any time.
- Either institution shall have the right to terminate this MoU upon 60 days prior written notice.
- This MoU is functional for a period of five years from this day.

Sub: Request for MoU. of Professional Skill development

Sir,

The present business world is growing rapidly. This requires commerce education to be at par with the business world. Considering this, the department of commerce G I Bagewadi College would like to have an MoU with your firm. As a part of MoU you would be required to provide practical, skill and employment oriented education to commerce students and faculty through guest lectures, seminar and webinars

I request you to accept this proposal and intimate your consent of acceptance as early as possible.

Thanking You.

AND

**"KLE Society's G I Bagewadi Arts, Science And Commerce College, Nipani"** having its presence in District Belagum, Pin code - 591237 offering technical diploma / under graduation courses for B.Com, BA, B.Sc., B.Ed., BBA, Diploma represented by its **Prof. Shankarmurthy KN** (hereinafter referred to as "**Partner College**"), which expression shall, unless repugnant to the meaning or context thereof, be deemed to mean and include its successors and permitted assigns)

AND

**DESHPANDE SKILLING** and **The PARTNER COLLEGE** are hereinafter collectively referred to as '**Parties**' and individually as a '**Party**'.

### WHEREAS:

1. **DESHPANDE SKILLING** a "**not for profit**" trust, an impact unit of **Deshpande Foundation, India**, and a training partner of **National Skill Development Corporation (NSDC)**, involved in the activity of conducting residential employability skills training programs for graduates of rural and semi urban colleges at its skilling campus in Hubballi, and providing placement assistance to its students. **Deshpande Skilling** is desirous to bring about rural transformation by building employability skills among graduate youth from rural and semi urban colleges and assist them earn their first employment in the formal sector. **Deshpande Skilling** wishes to admit job seeking students who pass out of college, but have failed to acquire the required skills to earn employment to its skilling program.
2. **DESHPANDE SKILLING** collects a fee from the students enrolling for the residential skilling program with the objective of ensuring ownership of the student in the exercise. The quantum of fees forms only part of the cost of the activity.

**Office 1-** Next to Infosys, New Airport road, Gokul Road , Hubballi 580030.

**Office 2 -** DCSE Building ▪ BVBCET Campus, Vidyanagar, Hubballi 580031, Phone: 2378500

DESHPANDE SKILLING neither earns nor is desirous of any profit from the activity of skilling.

3. The PARTNER COLLEGE is desirous to see more of its students succeed to earn their employment in reputed organizations and also enhance its own placement record.
4. The two parties, DESHPANDE SKILLING and The PARTNER COLLEGE seek to partner with each other, to achieve the common goal of skilling graduate pass outs, and thereby succeed in starting their working career.
5. The principal and staff of the PARTNER COLLEGE will identify and recommend to DESHPANDE SKILLING names of final year students of the college who and inclined to join a job after graduating but are lacking in skills critical to earn their placement.
6. The principal and staff of the PARTNER COLLEGE will also identify deserving students who are financially challenged for concession in fees, and recommend same to DESHPANDE SKILLING.
7. DESHPANDE SKILLING will select students from the list recommended by the PARTNER COLLEGE and offers to admit, train and provide placement assistance to students who join the various programs.
8. DESHPANDE SKILLING offers skill training and placement assistance to students of many colleges and will form training cohorts of students from multiple colleges. Students of the PARTNER COLLEGE will be provided with common facilities and training services as all other students in training.
9. DESHPANDE FOUNDATION will offer concessional fee structure to the financially challenged students as per recommendation of the PARTNER COLLEGE principal. The total concession amount available to the students of the PARTNER COLLEGE will depend on the number of admissions, and will be mutually decided by the two parties.
10. The Parties recognize the capabilities and resources that each party brings, and agrees to use their best efforts to bring together those capabilities and resources to collaborate for the purpose of supporting skill-based training with DESHPANDE SKILLING. The PARTNER COLLEGE will support by identifying and counselling job seeking students to take benefit best from the skilling program. DESHPANDE FOUNDATION will support by skilling and placing students of the PARTNER COLLEGE and enhance its placement rate.

11. DESHPANDE SKILLING will work with the PARTNER COLLEGE to build a mindset of preparing early to earn a placement and start career among select students of the partner college. The 2 parties will agree on an annual activity calendar that could include group counselling and Q&A session, interaction with Alumni of the college who have been successful, remote classes for students, and any other activities that could give students awareness and exposure.
12. DESHPANDE FOUNDATION will also extend invitation to staff of the PARTNER COLLEGE to attend trainings and workshops that it will conduct on Skills Development for employability and other such areas that can contribute to enhancing placement record of the PARTNER COLLEGE.

The Parties are therefore entering into this MOU to record the terms and conditions of this collaboration. DESHPANDE SKILLING and THE PARTNER COLLEGE have agreed to enter into this MOU to record their present state of agreement in principle in respect of the **UBER College Partnership Program**.

**NOW IT IS HEREBY MUTUALLY AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS:**

This collaboration between DESHPANDE SKILLING and THE PARTNER COLLEGE will be to impart skill training and provide placement assistance to select students of "THE PARTNER COLLEGE" to be able earn their first employment. The objective of this partnership is to facilitate rural transformation by getting rural youth into productive employment, and to enhance the placement record of the partner college.

### One day workshop report under MoU with Deshpande Education Trust

#### **“Employment Scenario and career opportunities after degree**

#### **( What after degree? )”**

One day workshop was organized by the “Placement and training Cell of our college in association with Deshpande skilling, Hubballi” on 18-01-2021 from 10.30am to 4pm on “Employment Scenario and career opportunities after degree ( What after degree?)” for BA, BSc and BCom V Semester students. This workshop was an initiative under the MoU (for UBER colleges) with the Deshpande skilling, Hubballi.

In the inaugural session Placement officer, Shankar murthy K N welcomed the final year students and introduced trainers from Deshpande skilling, Hubballi and briefed about the objective of conducting the workshop.

Mr. Raja Mohammad, Promotion. DET has explained about the programmes organized by Deshpande Education Trust and the importance of skills along with the traditional undergraduate courses. Mr. Basavaraj spoke about the current employment scenario. Mr. Mallikarjun Patil spoke on “what next after degree”. Faculty and participant’s feedback was collected. A discussion session followed by this. The students felt that the workshop was very effective in communicating the importance of Skilling to get the jobs soon after their course.

Dr. M M Hurali, the Principal, Dr. R G Kharabe, Vice principal, nearly 190 students and 10 faculty members attended the workshop.

Respected Sir,

We the K.L.E'S G.I.Bagewadi Arts, Science and Commerce College, Nipani have successfully registered for NIRF

2020. We also have received the UserId as **IR-C-C-10017** and **IR-C-O-10017** and One Time Password, but the college name

displayed is K.L.E'S G.I.Bagewadi BBA College.

So instead of **K.L.E'S G.I.Bagewadi BBA College** it should be **K.L.E'S G.I.Bagewadi Arts,**

**Science and Commerce College.**

So we request you to please rectify the same at the earliest.

Regards

Principal,

C.V. Koppad,

K.L.E'S G.I.Bagewadi Arts,

Science and Commerce College,Nipani.

#### Institute Information

Institute Name: : K.L.E'S G.I.Bagewadi Arts, Science and Commerce College

Full Address : OLD PB ROAD, NEAR CENTRAL BUS STAND, VIDHYA  
NAGAR, NIPANI - 591237 , Karnataka , Nipani , 591237

Year of  
Establishment: 1961

About Institute:

In the year 1961, our Society, with a mission to eradicate ignorance and illiteracy of the people of the region started an Arts and Science College at Nipani. Then, this was the only college catering to educational needs of major parts of Belagavi and Vijaypur districts. In 1966, the college was named after late Shri Ganapati Ishwarappa Bagewadi who donated a munificent sum for the development of the college. Subsequently, in the year 1977 Commerce faculty was added. In the ever changing scenario of Globalization and Liberalization and cater to the needs of the economically, socially disadvantaged rural youth of our hinterland who could not afford the higher education elsewhere. The P.G. courses in Commerce, Mathematics, English and BSc in Computer Science were started in the academic years 2010-11, 2011-12 and 2018-19 respectively. The college has accredited at 'A' grade with CGPA of 3.35 and also UGC recognized institute as a mentor under PARAMARSHA scheme for other institutions to go for NAAC Assessment and Accreditation process.

As an IQAC initiative, for the beginners of PG courses in Mathematics, Commerce and English, K.L.E.S. G.I Bagewadi College, Nipani organized Orientation Programme "CHIGURU" (The Sprout) on 13<sup>th</sup> March, 2021.

The aims and objectives of the programme intended to aware the students about the importance of NAAC Process, college discipline, amenities available in the college and rules and regulation of the university.

During this function all the teaching and non-teaching staff and students were present. Students of M.Sc II year sang invocation song, Mrs. Priyanka Kamate (the Coordinator of PG Studies in Commerce) welcomed the gathering, Mr. Satish Kamble (the Coordinator of PG Studies in English) introduced the chief guest Dr. D.B. Gavani.

All dignitaries accepted floral respect offered by the faculty members and students as a token of love and affection.

After the floral respect Mr. Sammed Chougale (the Coordinator of PG Studies in Mathematics) introduced the orientation programme with respect to its name, Mr. V.B. Sutar spoke in detail about the rules and regulations of the college including the examination and evaluation process in semester system and Dr. M.M. Shankarikopp explained the process of NAAC.

After the introductory session the chief guest Dr. D.B. Gavani addressed the gathering. He spoke at a length with respect the needs of Commerce, Mathematics and English postgraduates in the present scenario. The principal Dr. M.M. Hurali gave presidential remarks and Miss. Snehal Hirekudi expressed a deep sense of gratitude to the gathering.

Miss. Shweta Patil and Miss. Snehal Jadhav graced the compeering desk. As many as 99 faculty members and students were present at the gathering.

**REPORT ON LIBRARY ORIENTATION PROGRAMME- 2019-2020**

Department of Library & Information Centre of the Information was organized six days orientation programme on "Library Information" from 22-07-2019 to 27-07-2019 for all UG & PG first year students.

It was organized in six sessions. In the beginning of the orientation programme Dr. Anand Y. Kenchakkanavar, librarian was said the Definitions, objectives and need of the orientation programme.

**Definition of Library Orientation Programme:**

User orientation means educating the library users – newly joined student, faculty, research scholar etc.

**Fleming, (1990)** defined User orientation as various program of instruction, education and exploration provided by libraries to users to enable them to make more effective, efficient and independent use of information sources and services to which these libraries provide access.

According to **Jacques Tacatlian** "User orientation is to include any effort or programme which will guide and instruct existing and potential users in the recognition and

formulation of their needs, in the effective and efficient use of information services and their assessment.

### **Objectives:**

The main objective of the user orientation is to introduce the library facilities, resources, services and library techniques to the users. The orientation programme makes the users to familiarize to the resources and increases the use of library. Spending lakhs of rupees on purchasing books, print and online journals will not fulfill the aim of an educational institution, unless it should be utilized properly.

### **Need:**

Due to the explosion of information and tremendous improvement in the field of information and communication technology (ICT), resulted the abundant availability of information. This abundant information discourages the users to retrieve their required information. It is considered as one of the main obstacle in information retrieval. Library professionals' role is very important in help the library users to pick their required information from the tons of tons information available. Library professionals should teach the users to basic literature searching skills and reduce their burden.

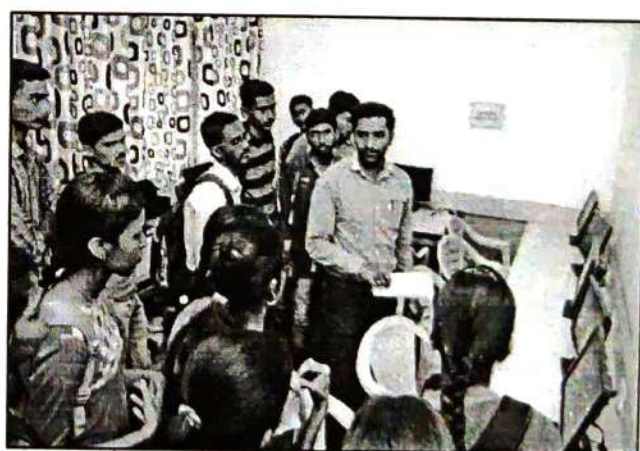

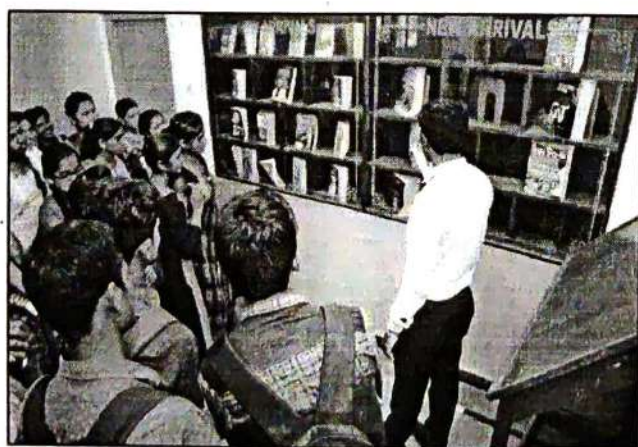

In latter hour Dr. Anand Y. Kenchakkanavar was provided the library instruction such as about the Library, Library working hours, Library facilities, Library seating capacity, its collection and services. Librarian in his lecture deeply explained the five laws of library (Books are for use, Every reader his/ her book, Every book its reader, Save the time of reader and Library is a growing organism) library functions, rules and regulations. In his lecturer he explained subject wise subscribed all forty journals, peer reviewed Journals and all twenty Magazines and sixteen news papers information's and how to get the library membership and their process and others information provided to the fresher's students as per following scheduled.

## Certificate

This is to certify that the Department of Environmental Science, Shivaji University, Kolhapur has conducted detailed "Green Audit" of "G.I. Bagewadi Arts, Science and Commerce College, Nipani" during the academic year 2020-2021. The green audit was conducted in accordance with the applicable standards prescribed by Central Pollution Control Board, New Delhi and Ministry of Environment, Forest and Climate Change, New Delhi. The audit involves water, wastewater, energy, air, green inventory, solid waste etc and gives an 'Environmental Management Plan', which the institute can follow to minimize impact on the institutional working framework. The performance of Institute was found to have good quality with respect to sustainable Green Practices. In an opinion and to the best of our information and according to the information given to us, said green audit gives a true and fair view in conformity with environmental auditing principles accepted in India.

I also confirm and sign this certificate, in case the institution needs demonstration, my team of professionals shall be happy to do so.

We present this report to much more than the legal or mandatory compliances.

This report is tabled in two parts. The first forms the core discussions which are general in nature. The second section is subject specific under the statutory requirements of the NAAC accreditation norms. They are Audit reports on, Green aspects, Energy aspects, Environment aspects, Health aspects and the discussions on net CARBON FOOTPRINT & the CARBON HANDPRINT initiatives.

Any modifications, changes, omissions after the site visit shall be exclusive.

**FEEDBACK ANALYSIS**

Parameters	Feedback Analysis in %			
	Excellent	Very Good	Good	Satisfactory
Title of the workshop	41.66	41.66	8.33	8.33
Resource Person	54.16	33.33	12.50	0
Sessions	41.66	37.50	20.83	0
Hospitality	50.00	29.16	20.83	0
Overall function	45.83	41.66	12.50	0

**Over all Analysis:** Totally 150 students and 10 teachers were attended. Over all 46.67% of delegates expressed workshop was excellent, 36.66% were said it was very good, 15.00% said it was good and 1.67% were said it was satisfactory.

**Outcomes of feedback:**

- Workshop was excellent and marvelous but teaching is very fast.
- This type of the workshops was very much useful.
- Workshop would be more interesting if shown some more demonstrative methods of teaching Of Laplace Transform.
- Workshop was good but it is better to reduce the speed of teaching.
